

IZREAL ZEUS EXPOSING THE CABAL
2024

Izreal Zeus has compiled vast amounts of information exposing the Italian black nobility, cabal, black industry, gangstalking, and scalar harassment.

His original blog Ahuwah Zeus

<https://ahuwahzeus583992924.wordpress.com/>

was taken down, but the Internet Archive Wayback Machine has saved many articles from April 2018 to October 2018.

He is now posting articles on World Crime Syndicate

<https://worldcrimesyndicate.blogspot.com/>

and I encourage the reader to check it out.

I first learned about Izreal Zeus from Cobra sharing his information on The Portal 2012:

<https://2012portal.blogspot.com/2018/05/taiwan-conference-report-and-planetary.html>

<https://2012portal.blogspot.com/2022/03/ekpyrosis.html>

Here is a compilation of Ahuwah Zues and World Crime Syndicate articles as an easy mass download of cabal-exposing information. This information is important because it exposes the cabal with criminal activity associated with names and faces. It is very powerful energetically for the public to have this intelligence against the cabal downloaded.

The House of Maupeou of Ableiges and Bruyeres are French nobility working under the House of Bonaparte and involved with the Roman Catholic Church with Roman Bishop Xavier de Maupeou and Belgian Priest Daniel-Angel of Maupeou of Ableiges. The French Maupeou family held the titles of Keeper of the Seals, Controller-General of Finances, Chancellor of France and held positions as officers in French military. In recent years Amaury de Maupeou of Ableiges has been the Port Commander for Marseille-Fos. Rene Nicolas Charles Augustin de Maupeou was Chancellor of France and the most well known member of this family. The family are members of the Nobles of the Robe which means they had specific roles in government while also being members of nobility. The House of Maupeou are extremely sadistic and torturous and involved with using electronic weapons on individuals in society. They are the type that torture innocent people with a smile on their face. Gerard de Maupeou is a professor at HEC Paris teaching business management. Gerard de Maupeou has worked as a top executive for France Telecom. Telecommunications are involved with electronic torture and wireless frequencies hacking the physiology. The House of Maupeou have a porcupine on their coat of arms. Their attacks feel like needles pricking the skin and they can be relentless.

Most electronic systems are running brain-physiological hacking software like GENESIS and NEURON which claim to simulate the human brain and physiology. Prince Charles-Emmanuel of Rochechouart, 16th Duke of Mortemart is one of the highest authorities in France and he oversees Count Charles de Maupeou who is from Paris and is the head of the Maupeou family and a sadistic despot. He works at his family's Chateau de Colombieres hotel with Count Etienne de Maupeou d'Ableiges. The family formerly owned the Castle of Mesnuls which is now owned by Thales Group which is a military electronics company involved with defense, security, and aerospace and headed up by the French Knight of the Legion of Honour Patrice Caine. I believe the Maupeou family have large amounts of hidden shares in Thales and direct them to use electronic weaponry on individuals marked for targeting. The company has a Thales Electron Devices division involved with developing microwave products and also a Thales Communications & Security division which develops mobile networks, defense protection systems, and radio-communication technologies. Military technology companies often develop what are called "directed energy weapons" which are microwave, electromagnetic, and pulse weapons that can target people through unseen frequencies. The House of Maupeou basically have part ownership over Thales and are using these directed energy weapons to target people who oppose their tyranny.

Zionic Mind Control

The royal and noble bloodlines have engineered an artificial matrix in the lower atmosphere used for mind control and mental harassment. They call this artificial matrix Zion. The Zionist Sanhedrin are the mathematical or geometrical programmers of society and this group includes priests, rabbis, imams and occultists. It is done on both a mass level through HAARP and radio telescopes and also individually through electronic smart devices and their wireless frequencies. The royal and noble families use priests, rabbis, and imams to develop the algorithms and programs used for mind control. Freemasons are involved. They outsource individual targeting to occultists and hackers like Anonymous which operate through the dark web. These geometric programs are radiated through wireless frequencies, modern electronics, and the overall electronic grid in society like smart devices and even transformers on telephone poles. The large electronic stations are radiating geometric sigils into society. In witchcraft they use hexagrams and pentagrams for oppressing and binding. The hexagon is the most efficient geometric shape for processing thermal energy. This is why snakes often have hexagonal scales for absorbing thermal energy. Snowflakes are often hexagonal from heat extraction. Pent in pentagram refers to enclosing or binding something to create a build up. HAARP is also used for mass mind control and is radiating geometrically designed programs into the atmosphere which resonate all around. Vibrations effect more than what is seen like cause and effect. Radiating these frequencies into the atmosphere is like throwing a stone into a pool of water which creates ripples and effects. They use chemtrails for various purposes including enhancing these frequencies with nano conductive particles which they call "smart dust." The US military uses spray on antennas and chemtrails function in a similar way. They are creating an artificial mind control matrix in the lower atmosphere. The CIA and Navy have a large operation in Cuba where they torture people and extract adrenochrome. Then blood intoxicated psychopaths hook their brains into neuro-computer interface technologies which is then connected to the USAF's HAARP system in Puerto Rico and target society or members of society. Cuba like a cube or Black Cube. Captain David Culpepper is the head of these criminal Cuban operations.

The primary mainframes to this Zion matrix is the NSA Database in Utah and the British Government Communications Headquarters and their Tempora system. Rabbi Yosef Yitzhak and Rabbi David Lau are top Zionist programmers working with Israeli intelligence. High level members in the Jesuits and Freemasons are also members. Some of their mind control programs are based on their false laws of Canon, Talmud, and Shariah. Imam Abdul Rahman Al-Sudais of Saudi Arabia, Saud Al-Shuraim of Saudi Arabia, and Imam Yahya Sergio Yahe Pallavicini of Italy are other high level members in this Zionist Sanhedrin. Khalid bin Faisal Al Saud is the Governor of Makkah Province in Saudi Arabia, an Italian knight, friend of Prince Charles, and the top Islamic programmer. Members of the Roman Rota are also involved including Maurice Monier, Hans-Peter Fischer, and Pierangelo Pietracatella. The Windsor family have a harp on their coat of arms and the Pallavicini family have a statue holding a harp at their Austrian palace. These families have authority over the HAARP system through their agents that have infiltrated the USAF. Other families which use the harp for a symbol include the Hanover, FitzJames, and Guinness families. During ancient times they used harps or lyres along with poems or odes for bewitchment. Mind control or mental manipulation is what sorcery is. The modern harp symbol originated in Ireland. There is a mind control operation in Ireland called I-LOFAR with the Guinness and Parsons families involved. HAARP is also used for weather manipulation to a limited degree. The Windsors are Wind Sorcerers and they also enhance weather fronts and tornadoes to oppress society. The Rothschild and Goldsmith families finance brainwashers which develop and radiate spells. They finance program developers and hackers which use the programs. Zachary Hubbard and Benjamin Liashenko also known as RussianVids develop mind control spells which they target people with covertly. Frank Zac Goldsmith finances Zachary Hubbard and Benjamin de Rothschild finances Benjamin Liashenko. Both Hubbard and Liashenko work with satanic wiccan cults and assist them with gang stalking, mind control, and brainwashing.

Rabbi Yosef Yitzhak specializes in spells of blasphemy and zealously like pretending to be God and condemning innocent people. Rabbi Yosef Yitzhak engineers spells of condemnation, judgement, and dehumanization. They radiate people with spells of condemnation with the intent of making the victims

think it is God condemning them. The Black Monks or Order of Saint Benedict are an ancient Catholic priesthood involved in blasphemy and condemnation programs. Gregory Polan is the head of the Black Monks today with Notker Wolf of Bavaria as the former recent head. The Bavarian House of Witteslbach oversee the Black Monks. Jesuits develop spells of deception. They track what people read online and if they don't want a person to believe something that exposes them they radiate vibrations of confusion or deception. They use electronic weapons to harass or irritate people when they are doing something they don't like. A person often has no idea they are being targeted but subconsciously picks up on it. They become irritated every time they speak out so their subconscious stops them from speaking out. The Zionist Rabbis have a global intelligence network which works with Jesuits and Freemasons. They obtain information through intelligence gathering systems and create psychological profiles on their targets. Many of the people who are targeted by this believe it is God or even aliens. Many victims are known as "targeted individuals" and most who have studied this refer to these attacks as synthetic telepathy. Avigdor Lieberman is the head of the Israeli Defense Force including their Israeli Intelligence Corps division or Unit 8200. Gadi Eizenkot is another head of the IDF and extremely evil. They work with Mossad headed up by Yossi Cohen operating out of Tel Aviv. Unit 8200 runs the Urim SIGINT Base which uses satellite mind control technologies capable of targeting people around the world. They run mind control programs on internet sites like Godlike Productions and Gematrix created by Cnaan Aviv a Unit 8200 agent. The Talmudic-Zionist council develops and oversee the programs run from Urim SIGINT.

The royal and noble bloodlines and some branches of the military have neuro-brain computer interface technologies. Some of this was developed by the Human Brain Project which was financed by the European Union. They can basically plug their minds into computers and then run programs like GENESIS and NEURON which are biological and neurological simulators that are really intended to hack the human brain and physiology. The Jesuit educated James Bower created GENISIS. Modern electronics have been designed to emit these frequencies. Their thoughts get transferred into electronics or even HAARP and then these systems transfer them through electronic emissions and target people. The Hanover and Savoy families have access to these technologies in Germany and Switzerland. Prince Donatus of Hesse is also involved. The Church of Scientology have hacking programs and neuro-brain computer interface technologies with many members of Hollywood involved. The Kabbalah Centre is also involved. The Italian Mafia have a large operation in Boca Raton and there is also a Kabbalah Centre located there. I believe they have neuro-brain computer interface tech. They want people to think it is artificial intelligence or aliens to deflect away from them. The Indermaur family have financed the Church of Scientology and Robert Indermaur and Christopher Indermaur are involved with this electronic harassment. They can target people through electronics like a synthetic telepathy. They run mind control programs through radio telescope systems with Dutch LOFAR and ASTRON leading these programs using large antenna arrays. There is a large operation in New Zealand using radio telescopes and antenna arrays. The Black Nobility, Italian Mafia, and SMOM have weaponized computer technologies. Kabbalah Centers have electronic weaponry. The Windsor, Stanley, Drummond, and Russell families of the UK are involved and run MERLIN satellites. The Belgian royal and noble families have access to these evil technologies. The Bush-Walker family are involved with their agent Steven Walker as Director of DARPA. The NSA Database, HAARP, and the Church of Scientology need to be shut down.

Psychotronic Terrorism

The military and intelligence communities all over the world are working together to control society.

They are using technologies to oppress, surveil, and mind control populations. The US and the United Kingdom along with its common wealth states of Australia, Canada, and New Zealand have a joint intelligence operation called Five Eyes which runs its ECHELON program used for gathering intelligence. ECHELON is working with the NSA's MAINWAY and MARINA to hack, steal, and store private information intercepted from telephone and internet communications and data. The NSA which is headed up by Michael S. Rogers, George C. Barnes, Mark W. Westergren, Harry Coker Jr., and Earnest Green is spying on everyone through hidden cameras and microphones in smart devices, televisions, and computers. The exposure of this criminal spying which completely violates the 4th Amendment and human rights is also a distraction from their electronic harassment and nervous system hacking weapons. The information is stored in the Utah Data Center where they develop psychological programs on civilians used for targeting. All of this is entirely criminal. ECHELON is being covertly hacked by the Swiss ONYX interception system headed up by Guy Parmelin the Federal Councillor of the Swiss Federal Department of Defence. I believe the Swiss intelligence agencies are working with Italy's AISE, France's Directorate-General for External Security headed up by Bernard Bajolet and Germany's Federal Office for the Protection of the Constitution or BfV headed up by Hans-Georg Maassen. Germany's Federal Intelligence Service or BND and their Project 6 surveillance program has joint operations with the CIA headed up by Mike Pompeo and Gina Haspel. The BND is a continuation of the Gehlen Organization. Reinhard Gehlen was a Knight of Malta and Nazi who worked for the CIA after the US military took control of Germany during WWII. The BND is located in Pullach, Bavaria and I believe is under the authority of the Bavarian House of Wittelsbach. Pullach was a Fuhrer Headquarters for Nazis and the same land is used by the BND today. Dan Coats is the current Director of National Intelligence under Trump. Coats became Ambassador to Germany on September 10, 2001 under George W. Bush and established a new embassy in Berlin and made close ties with Angela Merkel. Dan Coats is a double agent working with German princes which run Germany's proxy government which are also the same families that engineered the Nazis. Bantz J. Craddock is a former US Army General who served in the 8th Infantry Division in Germany where he received the Badge of Honour of the Bundeswehr. Craddock later became President of Military Professional Resources Inc. a private military company that was accused of participating in a genocide in Yugoslavia. Tadeusz Kosciuszko was a Lithuanian nobleman, American military general, and agent of the House of Wettin now called the House of Saxe-Coburg which ruled the Grand Duchy of Lithuania. Tadeusz Kosciuszko was the architect of West Point. Former NSA Director Keith B. Alexander went to West Point and was running the NSA from 2005 to 2014 as they implemented and increased their unlawful spy programs, criminal intelligence gathering on Americans, and electronic terrorism.

The European Union uses Schengen Information System which unifies European intelligence gathering. The EU Commission is headquartered in Belgium and Luxembourg with Jaak Raes the head of Belgian VSSE intelligence and Patrick Heck the head of Luxembourg's SREL intelligence. The EU is based on the Treaty of Rome and was signed in Rome at Capitoline Hill. Jean-Claude Juncker the President of the European Commission is a Knight of Malta. Northbridge Services Group is an international private military company headed up by Robert Kovacic with Belgian associates. Russian Federal Security Service runs the SORM surveillance system on Russian civilians. Israeli Mossad and the IDF's Haman run Unit 8200 and they run Luxembourg based Intelsat satellite interceptors along with British Inmarsat satellite interceptors. These surveillance systems are spying on everyone however the release of this information from their agent Edward Snowden distracts from the fact they are all running neurological hacking software where wireless frequencies and electronic emissions are designed to hack into a person's body and mind. They spray what are called chemtrails for various purposes like weather modification but also to enhance their wireless and radio transmitted frequencies. The Department of Defense works with private military organizations like Kratos Defense & Security Solutions which is involved with satellite communications, cyber warfare, and microwave electronics. They also outsource some of their criminal operations to private military companies like Northrup Grumman, L3 Technologies, and Lockheed Martin.

They are using GENESIS (software), Neuron (software), Brian (software), and NEST (software) through electronics which function through all operating systems like Windows and Linux. GENESIS claims it is for a "simulation of neural systems ranging from subcellular components and biochemical reactions to

complex models of single neurons, simulations of large networks, and systems-level models” however its simulator is a cover for hacking the human body. The Satellite interceptor systems are also running similar programs which can target victims with radio and electromagnetic frequencies. MERLIN is a radio telescope system named after a wizard and managed by Brian Bowsher which is running biochemical hacking programs developed by the Freemasonic members of the Royal Institute and Royal Society which are covertly working with the Science and Technology Facilities Council. The USAF’s HAARP system is partly involved with radio targeting on members of society. Karl G. Jansky Very Large Array located in New Mexico and Atacama Large Millimeter Array based in Chile are radio satellite systems also used for targeting. The Atacama system is an international project including Europe and the United States. Warkworth 30m Radio Telescope is a radio telescope system in New Zealand which is heavily involved in this targeting. The Netherlands Institute for Radio Astronomy runs its LOFAR and Westerbork Synthesis Radio Telescope systems used for targeting society with mind control frequencies. Dutch intelligence is called AIVD and headed up by Rob Bertholee.

Haman is headed up by Gadi Eizenkot and Mossad is headed up by Yossi Cohen and they are involved along with CIA-Jesuits or Roman intelligence and SIS-Masonic Crown agents in overseeing and infiltrating Silicon Valley which further enables electronics and operating systems to run neural hacking programs. There is a Silicon Valley or called Silicon Wadi in Israel around Tel-Aviv with the same companies that operate in Silicon Valley in California like IBM, Cisco Systems, Motorola, Microsoft, and Siemens. Silicon Wadi and Silicon Valley are working together. The European Union owns the Human Brain Project operating out of Geneva, Switzerland which has helped to develop neuro-brain computer interface and neurological hacking technologies and software like GENESIS which was developed by Jesuit educated James Mason Bower. They can literally plug their minds into these systems and target and terrorize people with a form of synthetic telepathy. The Church of Scientology which is working with Silicon Valley has these technologies. Criminals in Silicon Valley working with criminals in the NSA include John Hennessy, Elon Musk, Peter Thiel, Mark Zuckerberg, Jeff Bezos, and Bill Gates. Along with these programs military and private military have developed various microwave, electronic, and pulse weapons used for covertly targeting members of society. All this is invisible to the eye and enables these tyrants to target people extremely covertly. These are crimes against humanity. These systems need to be shut down and these criminals need to be executed.

Nero Aristocrazia

The Black Nobility are the core and foundation of the global crime syndicate. They are the owners and controllers of the Vatican, Holy See, Society of Jesus, Sovereign Military Order of Malta, Knights of Columbus, and Italian Mafia. They are the centralized group within the royal and noble families of Europe and they are married in with most European royalty. The Black Nobility are the rulers of the former Papal States and they work closely with the other Italian noble families. They manage the European Monarchies as branches of their corporatized Roman empire. The word Catholic by definition means universal. The Black Nobility use the Vatican as an intelligence network with their Episcopal See’s as the overseers of districts. Archbishops are the highest level of oversight in their territories and they oversee religion, politics, business, education, and organized crime. Jesuits are used as spies and for infiltration. Jesuits are involved with mass mind control and they use their universities for recruiting agents for Rome. The Order of Malta is a military council and engineers of wars. The Knights of Columbus are used for infiltration into politics, police, and law. Mafias are used as their enforcers which corrupt, blackmail, and extort businessmen, politicians, and bankers. The Holy See is a corporate entity and through fraudulent contracts the Black Nobility attempt to incorporate governments and other corporate entities under its authority. The most dominant bloodlines of the Black Nobility include the Massimo, Colonna, Pallavicini, Odescalchi, Gaetani, Torlonia, Borghese, Aldobrandini, Lucchsesi-Palli, Medici, and Sforza-Cesarini families.

Engineers of War (Knights of Malta)

The Sovereign Military Order of the Malta (SMOM) is the oldest knighthood in the world and its headquarters is located in Rome at the Palazzo Malta and Magistral Villa of Malta. The SMOM is considered a sovereign entity under International Law and under the United Nations. The SMOM also has extraterritoriality within Italy similar to an embassy. The Knights of Malta and Orders of Saint John are the engineers of war. Many members of the royal families and heads of constitutional monarchies are members of the SMOM. What makes the SMOM different from all the other knighthoods is that it is a sovereign entity. The Sovereign Military Order of Malta has a higher authority than the Vatican which is why most monarchs are members. Members include Juan Carlos the former King of Spain, Grand Duke Henri of Luxembourg, Karl von Habsburg of Austria, King Philippe of Belgium, Queen Paola of Belgium, Queen Beatrix of the Netherlands, Vittorio Emanuele of Savoy the Prince of Naples, Duke Franz of Bavaria, Crown Prince Alexander of Yugoslavia, Prince Louis Alphonse of Bourbon, Prince Carlo of Bourbon-Two Sicilies, Prince Carlos of Bourbon-Parma, Princess Elizabeth von Thurn and Taxis, Grand Duchess Maria Vladimirovna of Russia, Grand Duke George Mikhailovich of Russia, Prince Alois of Liechtenstein, Prince Mariano Hugo of Windisch-Graetz and Prince Jaime the Count of Bardi. Spain, Netherlands, Belgium, Liechtenstein, and Luxembourg are monarchies ruled by royalty. The President of the European Commission Jean-Claude Juncker is a Knight of Malta. Queen Elizabeth II is the Queen of the island of Malta and she runs the related Protestant branch called the Order of Saint John. The Bailiwick of Brandenburg Order of Saint John also related to the Knights of Malta is run by Prince Oscar of Hohenzollern-Prussia. Peter Freiherr of Furstenberg is the Vice President of the German Association of the Sovereign Military Order of Malta. Another Order of Malta connected with the Island of Malta and Spain is headed up by [Prince Thorbjorn Paterno-Castello-D'Aragona](#). [The Vatican and Knights of Malta established the Mount of Piety for profit loan-pawn company claiming to be a charity which has become an international institution that has created various banks with it's headquarters in Valletta, Malta.](#)

Prince Carlo Massimo is the President of the Italian Association of the Order of Malta and is covertly overseeing the SMOM from Rome. Prince Carlo Massimo is extremely militant and murderous. The Massimo family are part owners of the Holy See and Order of Malta. The Austrian Ludwig Hoffmann von Rumerstein is the current acting leader of the SMOM. Rumerstein is a military commander. The Massimo, Torlonia, Lucchesi-Palli, Pallavicini, and Odescalchi families control the Order of Malta and grant a form of "sovereignty" in society to high level members like the monarchs. The Austrian Nobility are in league with the Italian Nobility and help to manage the Knights of Malta. The Sovereign Council of the Order of Malta is a top military council in the world which engineers wars. Prince Ludovico Chigi-Albani-della Rovere was the Grand Master of the SMOM during WWII and his mother in law was a Rochefoucauld. Current administrative members of the SMOM include Giacomo Dalla Torre del Tempio di Sanguinetto, Grand Chancellor Albrecht Freiherr von Boeselager, Grand Hospitaller Prince Dominique de La Rochefoucauld-Montbel, and the Receiver of Common Treasury Count Janos Esterhazy de Galantha. The Boeselager family were Nazis involved in the fake "failed plot to assassinate Hitler" known as Operation Valkyrie. They made a movie about it with the Knight of Malta Tom Cruise who was knighted when he got married at the Odescalchi Castle in Rome. The Rochefoucauld family is French nobility. The Esterhazy family is a Roman Catholic Austrian Nobility. Richard Fitzalan Howard is President of the British Association of the Order of Malta and Ian Scott is Grand Prior of the Grand Priory

of England an ancient British branch of the Knights of Malta. Prince Erich von Lobkowitz is the President of the Association of German Knights and his relative Charles-Henri de Lobkowitz is also a Knight of Malta. The Austrian nobility have always been connected with the SMOM and most of them are Roman Catholic. The Austrian Prince Galeas von Thun und Hohenstein was a former Grandmaster of the Order of Malta.

William F. Buckley Jr. was a Knight of Malta and Conservative political commentator in the United States. Pat Buchanan is another Conservative political commentator and Knight of Malta. J. Peter Grace was an American businessman, politician, member of the Council for National Policy and a Knight of Malta. The Nazi Vice Chancellor Franz von Papen was a Knight of Malta. The Nazi General Reinhard Gehlen was a Knight of Malta and he also ran German intelligence for the United States after WWII. Dwight D. Eisenhower was the only officially known Knight of Malta that has been President of the United States. The Knight of Malta Joseph Schmitz was Inspector General for the Department of Defense under George Bush and also an executive for the private military company Blackwater Worldwide renamed Academi which was bought up by Constellis along with Clayton Consultants which was headed up by Jesuit Georgetown educated Armand Gadoury who I believe is a Knight of Malta and adviser working for the DOD through the company Control Risks. Joseph Schmitz was a professor at Jesuit Georgetown and worked as a political adviser for Donald Trump during his election campaign. The founder of Blackwater Erik Prince is a suspected Knight of Malta and referred to his Blackwater mercenaries as Christian Crusaders. Erik Prince has advised Trump. The Jesuits were kicked out of Iraq in 1960's. Other Knights of Malta include former CIA Directors John A. McCone, William J. Casey, and William Colby who was nicknamed the "warrior priest." The Sovereign Military Order of Malta has a hidden operation at Georgetown University and its School of Foreign Service and work through the Jesuits in overseeing the US Pentagon. Joel Hellman is Dean of Georgetown's School of Foreign Service. I believe the President of Georgetown University John DeGioia is a Knight of Malta. Joseph Kennedy was a Knight of Malta and married Vatican Countess Rose Elizabeth Fitzgerald Kennedy of the Irish Fitzgerald nobility. Adrian FitzGerald is a Knight of Malta and ran the Irish Association of the Order of Malta. The Knights of Malta run Maritime Law. The Knight of Malta Arvid Pardo developed the United Nations Convention on the Law of the Sea.

The Knight of Malta Alexander Haig was a US Army General, US Secretary of State under Ronald Reagan, and White House Chief of Staff under Richard Nixon and Gerald Ford. Haig was also Jesuit educated from Georgetown University. He was the one covertly running the Pentagon and White House during the 70's and 80's and likely a descendant of the British noble family of Haig. George Haig the 2nd Earl Haig who died in 2009 was a British Peer, Royal Scot Grey in the British Army, and Knight of the Order of Saint John which is the Protestant Knights of Malta. His son is Alexander Haig, 3rd Earl Haig. The Vietnam War was nicknamed "Spelly's War" for Cardinal Spellman because of his support for the war. The CIA was founded by William Donovan who was nicknamed the "father of central intelligence" and he was knighted by two Vatican orders and likely a Knight of Malta. Jesuit educated CIA Directors include Robert Gates, George Tenet, Leon Panetta, Michael Morell, David Petraeus and John Brennan and they are overseen by the Order of Malta. Former CIA Director James Clapper was a professor at Georgetown. The Jesuit Order was established by the Farnese family under Pope Paul III or Alessandro Farnese through the papal bull called *Regimini Militantis Ecclesiae* (Military Regiment of the Church). The House of Farnese lived in a pentagonal fortress called the Farnese Caprarola. The Farnese bloodline evolved into the Bourbon-Two Sicilies and Bourbon-Parma families. The Vatican and the Knights of Malta are deeply involved with the US military and intelligence. The Knights of Malta oversee the Sacred Constantinian Military Order of St. George headed up by the Knight of Malta's Prince Carlo of Bourbon-Two Sicilies and Prince Carlos of Bourbon-Parma and they oversee the Jesuits. There is an American Association of the Order of Malta with Peter J. Kelly as the President, Richard D. Milone as the Chancellor, and James F. O'Connor as the Treasurer. Margaret Melady is the President of the Federal (Southern) Association of the Order of Malta located in Washington DC.

Vatican Death Squad of Columbus

The Knights of Columbus are a Roman Catholic international military order. Knights are defined as military servants. The Knights of Columbus (KofC) take their name from the Genova born Christopher Columbus who was partially funded by the Doria banking family of Genova who are intermarried with the Colonna family of Rome and Savoy family. The names Colonna and Columbus both mean a column and Christopher Columbus was really a relative of the Colonna family. The District of Columbia takes its name from Columbus. The Knights of Columbus use the Roman fasces symbol for their logo and the Roman fasces symbol is also all over federal buildings and seals in the District of Columbia. The KofC are a fascist militant order. The Knights of Columbus are structured like Freemasonic Orders with degrees and initiations. The KofC was developed as an alternative to Freemasonry since Roman Catholics are not supposed to be official members of Freemasonry although that is not always the case. The Knights of Columbus are headquartered in New Haven Connecticut which is also the headquarters for the Yale's Skull and Bones. Many police officers, lawyers, judges and politicians are members of the Knights of Columbus and are covertly serving the interests of the Vatican. I had a former US army soldier and Knight of Columbus that targeted me with poison. I had another Knight gather intelligence on me and slandered my name around town. The KofC endorsed Supreme Court Justice Samuel Alito who is a suspected member of the KofC. The KofC claims in their endorsement of Samuel Alito that Roman Catholics are not fully accepted in America yet 5 of the 9 Supreme Court Justices are Roman Catholic today. Eric Bolling, Bill O'Reilly, and Steve Doocy of Fox News are suspected Knights of Columbus. Rupert Murdoch is a Vatican Knight of St Gregory. Fox News has a historical record of pushing pro war propaganda.

Jeb Bush is a fourth degree Knight of Columbus and his wife's name is Columba Bush. Dennis Savoie is the Canadian ambassador to the Holy See and has been Deputy Supreme Knight of the KofC and Supreme Treasurer of the KofC. Dennis Savoie like the House of Savoy which ruled Italy and put in the fascist dictator Benito Mussolini in power who established the Vatican as a nation through the Lateran Treaty of 1929. The fasces symbol used by the KofC is the origin for the word fascism which means a centralization of power. The Knights of Columbus are a secret society directly controlled by the Vatican. They are involved with persecuting those the Pope of Rome has declared as heretics and they carry out this persecution for money. I know of the persecution carried out by members of the KofC from my own personal experiences. The Italian Nobility are the owners of the Vatican, the Society of Jesus, the Knights of Columbus, the Sovereign Military Order of Malta, and the Italian Mafia. The Italian Nobility use their Knights of Columbus to infiltrate police departments and court systems in the United States which assist the Italian Mafia. The Colonna family are the primary owners of the KofC and they also own the Colombo crime family. Carl Albert Anderson is an attorney who worked under President Ronald Reagan's administration and is the current Supreme Knight of the Knights of Columbus. Other top Knights of Columbus in the United States include Archbishop William E. Lori, Patrick E. Kelly, Michael J. O'Connor, Ronald F. Schwarz, and John A. Marrella. The Knights of Columbus receive donations to their charities and a portion is used to finance their knights which spread division and gang stalk people the Papacy has declared as heretics under Canon Law. The fasces symbol with the axe used by the KofC represents fascist tyranny under the threat of force. An axe divides. These knights manipulate both political parties. They use divide and conquer and spread division.

Jesuit Order of Liars, Terrorists, and Infiltrators

The Society of Jesus also called the Jesuits function as Roman intelligence for the Italian Nobility. The Jesuits are a military order established under the Papal Bull called "Regimini Militantis Ecclesiae" which

means the Military Regiment of the Church. The head of the Jesuits is called the Superior General currently held by Arturo Sosa. The official definition of a Jesuit is one of intrigue or equivocation defined in Merriam-Webster's Dictionary. Intrigue means trickery and equivocation means to lie. Jesuits are trained in deception and are entangled with everything in society. The Farnese family established the Jesuits and this is why Farnesivs is engraved at their headquarters called the Gesu Church in Rome. The Society of Jesus was involved with the genocide of Native Americans. One example was the Jesuit priest Pierre-Jean De Smet who infiltrated the Iroquois. He requested "Black Robes" for the natives which were carrying diseases as a form of biological warfare. He provided intelligence on them which was used in massacres all while pretending to be their ally. The Jesuit photographer Francis Browne was on the Titanic and managed to get off before it sank. The Titanic was switched with its damaged twin sister ship the Olympic which was intentionally sunk as insurance fraud. The Jesuits who were previously banished from Japan were in Hiroshima when the "atomic bomb" was dropped. Pedro Arrupe along with seven other Jesuits were within miles of the "nuclear" blast zone in Hiroshima and all survived untouched. SJ Pedro Arrupe is in video testifying about Hiroshima before he was later made the Superior General of the Jesuit Order. The Allies actually strategically firebombed Nagasaki and Hiroshima and claimed that they were nuclear bombs as a form of intimidation.

The Jesuits were involved with establishing Romanized communist settlements in South America known as the "Jesuit Reductions" which were funded by the monarchs of Spain and Portugal. The Jesuits were paying their dues back to the Italian Nobility which angered the kings of Spain and Portugal and lead to the Jesuits being banished from Europe. Although the monarchies are corrupt and tyrannical the Jesuits are even worse and manipulate royal families and infiltrate them for the Black Nobility. Jesuits and their agents were used as Confessors to the monarchs. Confession is a way the Catholic Church gathers intelligence on people used for blackmail and psychological warfare. Jesuits are deeply involved with science and astronomy. They run major telescopes and set the policies for NASA who reinterpret space. They created the flat earth deception and influence people to deny that space even exists. The Earth is not flat and that is why you can get to the same location by traveling in a straight line from two opposite directions. Sean O'Keefe was Jesuit educated from Loyola University in New Orleans and was former Administrator of NASA. The Jesuits are dangerous liars, brainwashers, and trained illusionists. The Jesuit priest Pierre Teilhard de Chardin developed some of the modern New Age belief system through his book The Phenomenon of Man. They are masters in deception, alchemy, and mind control and seek to dominate over every aspect in society. Jesuit use their universities for recruiting agents for Rome. The Jesuits also have the Ninth Circle death cult operating within their universities. The Ninth Circle Cult is in reference to Dante's Inferno and the last stage of hell before Hades the Devil.

Jesuits have infiltrated into every aspect of society including law, politics, education, science, military, intelligence, and banking. The former Archbishop of New York Cardinal Francis Spellman was Jesuit educated at the Fordham University. Cardinal Spellman was known for supporting the Vietnam War so much that they nicknamed the war "Spelly's War." The Jesuits established Al-Hikma University and Baghdad College in Baghdad, Iraq. The Iraqi government kicked out the Jesuits and then absorbed the Jesuit colleges into the University of Baghdad. Jesuits have been kicked out of an estimated 80 nations because they are infiltrators that subvert societies and cultures. Some believe the US war on Iraq was partly due to the Jesuits being banished. The Jesuits were banished from most of Europe and this was known as the "Suppression of the Society of Jesus." They were sent to Corsica. A few decades later Napoleon Bonaparte was born in Corsica and rose up as a military dictator and specifically made war on all the European nations that banished the Jesuits. Once Napoleon conquered Europe the Society of Jesus was reinstated by the Congress of Vienna in 1814. After the Black Nobility were done using Napoleon their agents of the Treaty of Fontainebleau moved Napoleon to the island of Elba so he could evade punishment and retaliation from the other monarchs. IHS is a Christian monogram mostly used by the Jesuits and means In Hoc Signo Vinces or "In this sign you will conquer." The Jesuits use a specific styled IHS monogram which is also used on the coat of arms of Geneva, Switzerland along with their rising sun symbol and their IHS symbol is also used on the Swedish royal family's Royal Order of the Seraphim. The Swedish House of Bernadotte were allied with Napoleon Bonaparte. The Swedish royal family are Protestant Lutherans and Jesuits were banished from Switzerland. Jesuits are infiltrators meaning that they do not always pose as Jesuit priests or as Catholics. The House of Bourbon-Two Sicilies and House of Bourbon-Parma are the continuations of the Farnese family which created the Jesuits and their Sacred Constantinian Military Order of Saint George oversees the Society of Jesus.

Made Men of Rome

The Italian Mafia have been plotting a take over in the United States for decades under directions from their owners the Black Nobility. They work with the Jesuit infiltrated CIA and are involved with drug, weapons, and human trafficking as well as stock fraud, gambling rackets, union rackets, and domestic terrorism. The Black Nobility created and control the Jesuits which is why their mafias are allied with the Jesuits running the CIA. Mafia bosses call themselves dons just as Italian and Spanish nobility call themselves dons. The Black Nobility carried out a feigned retreat on La Cosa Nostra to get them out of the headlines in the 1980's as part of their plot to take over. This is why many think the Italian mafia are less relevant today however they are more of a threat than ever. Michael Franzese made it appear that he left the Colonna owned Colombo Crime family however he is still a top boss giving the orders covertly

while using activism and motivational speaking as his cover. The Gotti family also made it appear they got out of organized crime however John Gotti Jr. is the hidden acting boss of the Gambino Crime family and a member of the modern Commission. The Gaetani family of Rome own the Gotti faction of the Gambino crime family. Daniel Leo is one of the top bosses of the Savoy owned Genovese crime family that is not incarcerated and may be the true acting boss today while being advised by the consiglieri Dominick Cirillo. The Savoy family have a Savoy-Genovese princely branch in Genoa. Andrew Gigante is a covert boss of the Genovese's Manhattan faction and allied with the DeCavalcante crime family of New Jersey. Andre Gigante is extremely sadistic. The Savoy-Aosta family run the Gigante family. Nephew of mafia boss Vincent Gigante is Philip Gigante and he is mayor of Airmonte, New York. Both the Genovese and DeCavalcante mafias are involved in extorting Wall Street. Liborio Bellomo is a boss of the Genovese crime family's Bronx faction. The Bellomo family were a Sicilian Nobility that ruled in the city of Syracuse, Sicily and there is still a Bellomo Castle located there today. Liborio Bellomo and his cousin also named Liborio Bellomo are very sinister and highly trained in deception. Families in La Cosa Nostra are low level branches of former Italian nobility.

Vincent Badalamenti is a high level boss of the Boncompagni-Ludovisi owned Bonanno crime family while he shifted focus on his right hand man Michael Mancuso who is incarcerated and his assistant Tommy DiFiore. Vincent Badalamenti is one of the most wicked members of the mafia. The Bonanno family were a Sicilian nobility that intermarried with the House of Colonna and had a palace in Palermo that still exists called the Villa Bonanno. Bon-compagni means "Goodfellas." The Lucchese crime family has been somewhat weakened and in place the Albanian Rudaj Organization has been trying to take over their territory. Joseph Lubrano covertly manages the Lucchese Tanglewood Boys faction in Yonkers which are involved in large scale heroin trafficking. Joseph DiNapoli is a consiglieri of the Lucchese crime family and I believe Joseph Caridi is the top boss today while most other high level members are in prison. The Lucchesi-Palli nobility of Italy along with the Pallavicini family are owners of the Lucchese crime family. I believe Gambino associate Nardino Colotti is running the Rudaj Organization while Alex Rudaj advises him from prison. Nardino Colotti appears to be taking orders from the Gotti-Agnello family with Frank, Carmine, and John along with their father Carmine Agnello. Franzese, Gotti, Leo, Badalamenti, and Colotti are some of the top bosses of New York's Five Families and associated crime families today. The Greek Valentzas crime family work closely with the Lucchese crime family and the Greek Mafia are deeply involved with infiltration of ports. The Lucchese crime family are also allied with a hidden Corsican Mafia operating in Baltimore. I believe most of the opium has been being shipped through Baltimore ports. The Chicago Outfit is working with some of the Mexican drug cartels and Mexican mafia and are overall competitors with the Five Families. Al Capone was a founder of the Chicago Outfit and really a relative of the Florentine House of Capponi which still exist today. John Roselli was a top boss in the Chicago Outfit sharing a name with the House of Rosselli del Turco also of Florence. The Milwaukee's Balistrieri crime family with John Balistrieri as a top boss are allied with the Chicago Outfit. Between the mafia owners in Rome and the bosses there are white collar Italian, Greek, and Jewish crime families involved in businesses like casinos, clubs, bars, car dealerships, shipping, and banking. They enable the mafias criminal activities and also infiltrate the police and federal agencies to provide the mafia with intelligence.

Along with the Five Families are various other equally powerful Italian crime families including the DeCavalcante crime family with Girolamo Palermo as a boss and Vincent Palermo as a triple agent as former boss turned informant that still covertly gives the orders from his Texas residence. Simone Rizzo DeCavalcante Jr. is a low profile Florida based member. High level members of the mafia are authorized to become informants by the Black Nobility. The Chicago Outfit is run by John DiFronzo with his brother Peter DiFronzo and Joseph Andriacchi as the consiglieri. The Detroit Partnership is run by Jack Giacalone with Peter Tocco as a high level street boss. The Zerilli family seem to be still active with organized crime in Detroit and are rivals with Giacalone faction. The Los Angeles crime family is managed by some Gambino crime family associates and is owned by the Sicilian House of Adragna. The San Francisco crime family has spread all over the US and is owned by the Lanza di Scalea family of Sicily. The Patriarca crime family is managed by Luigi Manocchio and Carmen Dinunzio. The Philly Mob is run by Joey "The Wizard" Merlino who is one of the highest level bosses in Cosa Nostra. The Magaddino crime family of Buffalo is managed by Joseph Todaro Jr. and his enforcer Anthony Todaro. The

Magaddino crime family manage some of the criminal connections into Canada. The French House of Orleans owns the New Orleans crime family with Joseph Gagliano as its top boss along with some quiet Marcello crime associates. The Torlonia owned Kansas City crime family is allied with the Licavoli crime family which is managed by Russell Papalardo. The Denver crime family is pretending to be inactive while I believe they host an annual meeting from an old Denver hotel. The Rizzuto crime family and the Cuntrera-Caruana mafia clan operate in Canada with [Leonardo Rizzuto](#) and Liborio Cuntrera as top bosses and they are connected with South American drug lines through the House of Ruspoli's ties with Brazil and Venezuela. Vincent LoScalzo oversees the Trafficante crime family's operations which extend into Atlanta, Georgia. There are still some Trafficante family members in Florida today. The Trafficante crime family are allied with the Cuban Mafia and all the crime families are involved with Florida. Thomas Farese is an adviser for the Colombo crime family with Joe Colombo's son Christopher Colombo as a quiet boss. The Rochester crime family or really Valenti crime family have moved some operations into Springfield, Massachusetts and in Connecticut with Richard Valentini as a top street boss. The Valenti-Gonzaga family own the Rochester crime family and are married with the Savoy-Aosta family. The FBI believes the Springfield Crew is part of the Genovese crime family which is owned by the House of Savoy. Frank Colacurcio Jr. runs the Seattle crime family and they oversee sex trafficking on the West Coast. Frank Cali, Tommaso Gambino, and Rosario Gambino and are involved with the Los Angeles crime family today with the recently deceased John Gambino was a high level boss. The Sicilian princely House of Adragna used their Dragna family relatives to build up the Los Angeles crime family. The House of Adragna also run many factions of the Ndrangheta which are a defense for the Sicilian Mafia. The Philadelphia crime family's members literally have the same last names as Black Nobility of Rome. George Borgese like the House of Borghese, Joseph Massimino like the House of Massimo, and Michael Lancelotti like House of Lancellotti. The Massimo's have a family branch merged with the Lancellotti family and are presently connected with the Borghese family with Don Lorenzo Borghese and his girlfriend Princess Barbara Massimo-Brancaccio. The Massimo-Brancaccio family are owners of the Corleonisi crime clan which have some origins in the Brancaccio district of Palermo, Sicily. The Italian Mafia make tens of billions per year through extortion, insurance fraud, heroin trafficking, gambling, business fraud, loan sharking, and more. They pay their dues back to the Sicilian factions which then pay dues back to the Black Nobility. Baron Ottavio Serena di Lapigio is Sicilian nobility and he works as a banker in New York City formerly with Financial Performance Corporation, Citicorp Venture Capital, Bankers Trust Company, JP Morgan, and is currently working as the Director of Lincolnshire. Investment firms are often used for criminal financing disguised as loans. Organized crime is the primary financier of their attempt at a societal takeover. Mafia bosses should be executed.

Massimo Crime Family

Don Fabrizio Massimo-Brancaccio is the top owner of the Vatican and has high authority over the Sicilian Mafia and owns the Corleonisi Clan. They own a large fortress in Arsoli and another castle in Campania. The Massimo family use lions on their coat of arms like Corleone, Sicily uses a lion on its flag. The Massimo family frequently take the name Leone which means lion. Brancaccio is a neighborhood in Sicily where Cosa Nostra originated and named after the Brancaccio family that later merged with the Massimo family. The Massimos use violence, threats, terrorism, extortion, and blackmail as their primary tools for control. The Massimo family are one of the oldest families of Rome and claim to be the ancient Fabii-Maximus dynasty. They likely have a portion of Maximus ancestry. The names Massimo or Maximus mean massive or the Latin meaning of greatest. The Fabii family were known for using the "scorched earth" military tactic during the Roman Empire. Scorched Earth is a ruthless tactic where they burn everything down that can aid an enemy like food, resources, and people. The communist Fabian Society uses the wolf in sheep's clothing for its logo. Fabii like Fabian. The Massimo family are married with various royal bloodlines including the Savoy, Wettin, Bourbon, and Osorio noble family which have a family branch in Galicia, Spain. The Osorio family use wolves on their coat of arms. Prince

Carlo Massimo is married to Princess Elisa Osorio of Moscoso and Estagna. Amancio Ortega is from Galicia and works as a Court Factor and money launderer for Spanish nobles including the House of Osorio. Amancio Ortega is one of the wealthiest billionaires and worth more than 70 billion. Amancio Ortega owns Inditex with the store chain called Massimo Dutti which is high end fashion.

Prince Stefano Massimo married into the British Foxwell family and he is a fashion photographer with residences in London. Prince Stefano's mother was the English actress Dawn Addams. The Massimo family of Roccasecca own the Clerkenwell Mafia of London also called the Adams crime family and part owners of various Irish Mafias. The district of Clerkenwell is known as London's "Little Italy." Rupert Murdoch who owns Fox News is a Vatican Knight of the Order of St Gregory. Fox was covertly named for Foxwell. The fox is considered a cunning animal. Fox News is a propaganda machine for the Vatican. Prince Valerio Massimo founded SCM Capital Partners and an aerospace company called Auctus Industries with his business associate Duke Edward Spencer-Churchill. The House of Massimo and other Italian Nobility have infiltrated the United Kingdom and work with the House of Windsor and some British Peers. The Massimo family has married in with the Lucchesi-Palli, Savoy-Genovese, and Bourbon families. All these families are mafia owners. The Massimo family have a close alliance with the Borghese family with Princess Barbara Massimo-Brancaccio married to Prince Scipione Borghese. I believe the billionaire Bulgari family of Rome work for the Massimo family. The Bulgari family and their jewelry company were recently investigated for tax evasion. Some jewelry companies are involved in money laundering by fixing the prices of jewelry. The Bulgari family originated from Bulgaria which uses a coat of arms with two lions similar to the Massimo coat of arms. I believe the term Black in Black Nobility refers to the Black Sea along the eastern coast of Bulgaria where some Goths resided. The words mass and bulge can be synonymous.

The House of Massimo is the nucleus of the Black Nobility. They are the primary owners of the Holy See. I believe they have a hidden ancestry with the ancient Spanish House of Burgundy. Queen Maxima of the Netherlands claims Burgundian ancestry. I believe Baron August von Senarclens de Grancy who had an affair with Princess Wilhelmine of Baden was a relative of the Massimo family and this is why the House of Hesse created the name Battenberg for suspected Senarclens offspring which later married in with the royal families of Russia, Spain, Sweden, and England. Princess Marie of Battenberg's son was named Count Maximilian and another suspected Senarclens was Princess Maximiliane Wilhelmine Auguste Sophie Marie of Hesse. Prince Carlo Massimo oversees the Sovereign Military Order of Malta as President of the Italian Association of the Order of Malta. The Order of Malta was involved in various wars and several top military and intelligence leaders in the United States like Alexander Haig, William Colby, and John McCone were Knights of Malta. The Massimo family have authority over a faction of the Jesuits through their Massimiliano Massimo Institute and the former Jesuit Nobile Collegio Mondragone which had five Massimo presidents. Prince Ferdinando Massimo has been an honorary president of this closed college. Mondragone uses a dragon for its symbol. The Black Nobility use Jesuits as Roman intelligence and infiltrators. The Roman born Mario Draghi is President of the European Central Bank and Draghi was educated at the Massimo Institute. The Black Nobility have control over vast wealth through private Swiss banking. There are three members from Rome on the Bank for International Settlements' Board of Directors including Mario Draghi, Fabio Panetta, and Ignazio Visco. The very evil Prince Giacomo Massimo-Brancaccio worked at Banca Finnat located at the Palazzo Altieri in Rome.

The Massimo family are the foundations of the global crime syndicate and they are involved in every crime imaginable including war crimes, terrorism, murder, extortion, threats, human trafficking, money laundering and more. The Massimo family also run organized crime in Rome like the Magliana Mafia and were one of the families behind the neo-fascist group Nuclei Armati Rivoluzionari headed up by their agent Massimo Carminati. This family has a portion of ownership over various mafias including the Corleonesi Clan, Magliana Mafia, Gambino crime family, Clerkenwell Mafia, Lanza crime family, Philly Mob, Irish Mafia, and Boston crime family. Most mafias pay dues back to the Massimo family through their Corleonesi Clan of Sicily. Individual mafia families make billions per year. I believe the Massimo Palazzo has an underground tunnel connecting to the basement of the Vatican which is how they have maintained their control. The Massimos have recently married in with the Carpegna-Falconieri-Gabrielli family which function as their support. Members of the Massimo crime family include Prince Fabrizio

Massimo-Brancaccio, Donna Alessandra Malesci, Princess Barbara Massimo-Brancaccio, Prince Giacomo Leone Massimo-Brancaccio, Prince Carlo Massimo, Prince Stefano Massimo of Roccasecca, Prince Valerio Massimo of Roccasecca (Foxwell), Prince Cesare Massimo of Roccasecca, Prince Tancredi Massimo of Roccasecca, Prince Ferdinando Massimo, Prince Lucovico Massimo-Lancellotti, Prince Ascanio Massimo-Lancellotti, and Prince Filippo Massimo-Lancellotti. Prince Giacomo Massimo-Brancaccio's unnamed father is another high level and well guarded member of this wicked family and possibly living in France or French Polynesia. The Massimo family are the greatest source of wickedness on Earth.

Gaetani Crime Family

The Gaetani or Caetani family are a bloodline of the Black Nobility and part owners of the Italian Mafia. Their ancestry goes back to the Tribe of Getae in the Black Sea region which moved into Rome establishing the Duchy of Gaeta. The Getae were originally from the Massagetae clan of Scythia. The Massimo and Gaetani families both originated from this clan. They migrated into Italy and mixed in with Roman gentile families like the Maximii, Catii, and Anicii families. The Cattaneo family of Genoa and Naples also have a similar ancestry as the Gaetani or Caetani family. Prince Bonifacio Gaetani-Dell'Aquila-d'Aragona is a member of this nobility and is married to Ginevra Elkann of the Agnelli-Elkann billionaire family. The Gaetani family are part owners of the Gambino crime family through the Gotti family. Gotti means Goth and the Gothic tribes were often connected with the Getae tribe and Geats of Gotland that settled up in Scandinavia. The Goths and Gaeta have been intermixed for thousands of years. The Gaetani family also established the Gatti-Grami family of Lombardy in northern Italy likely through a marriage with the Gotti family. The earliest documented Gotti was Vincenzo Gotti from northern Italy during the 16th century and he migrated to Rome and then to Naples. The Gotti family of the Gambino crime family originated in San Giuseppe Vesuviano, Naples. Prince Roffredo Gaetani dated Ivana Trump and is friends with Donald Trump. Donald Trump has several connections with the Italian Mafia and Gambino crime family like using the mafia lawyer Roy Cohn and using the Genovese-Gambino owned S&A Concrete to build his Trump Towers in Manhattan. Prince Roffredo Gaetani paid off people on the internet to spread rumors that he died which is not true. I believe he is living in Switzerland and northern Italy.

The Gaetani family had two popes with Pope Gelasius II or Giovanni Gaetani of the 11th century and Pope Boniface VIII or Benedetto Gaetani of the 13th century. Pope Boniface VIII was taken out of power for opposing the French monarch which was allied with the Colonna family of Rome. The Gaetani family have often conflicted with the older families of the Black Nobility. The Black Nobility have run the foreign monarchs as proxies which they use against their rivals. In more recent centuries the Gaetani family have married in with the House of Colonna. The family have been the Dukes of Sermoneta in Lazio, Italy. This family gained more power by marrying in with the Aragona family of Spain which ruled in Sicily establishing the Gaetani-d'Aragona name. They became the Dukes of Laurenzana a town in southern Italy. Onorato Gaetani was a mayor of Rome in the 19th century and Prince Michelangelo Gaetani was a governor of Rome and gained more power by supporting the House of Savoy.

Michelangelo's daughter established the Gaetani-d'Aragona-Lovatelli family branch today with Prince Roffredo Gaetani-d'Aragona-Lovatelli and Prince Gelasio Gaetani-d'Aragona-Lovatelli. Prince Gelasio Gaetani refers to himself as the "Wizard of Wine" and he is involved in trafficking of adrenochrome and human blood. Prince Onorato Gaetani was Minister of Foreign Affairs in Italy during the 20th century and his son Prince Leone Gaetani worked in the Italian government and traveled to the Mid East making various connections. Leone's mother was Lady Constance Adela Bootle-Wilbraham of British nobility and Leone later moved to Canada. Ndrangheta clans have large operations in Canada. The financier Prince Andrea Cattaneo-Della Volta founded Zenith Energy which is headquartered in Canada and does business in Azerbaijan. The Cattaneo family of Naples are covert managers of some Ndrangheta and

Camorra clans.

The House of Gaetani have part shares in the businesses of the Caltagirone family with Francesco Gaetano Caltagirone worth over 2 billion. The Caltagione family own Cementir Holding which runs subsidiaries involved with international cement production with a large operation in Scandinavia. Flavio Cattaneo is a board member of Cementir. The Cattaneo family are a similar bloodline that ruled in Genoa with Prince Carlo Gregorio Cattaneo and Prince Andrea Cattaneo-Della Volta as current members. The Cattaneo family operated as debt collectors for Genoese bankers. The Italian Mafia has been continually connected with concrete, cement, and construction companies. They use these types of businesses for disposing of bodies and also so they can construct hidden ways to infiltrate into buildings for espionage, assassinations, and extortion. In Italy the mafias like Ndrangheta have constructed entire towns with hidden passage ways, underground bunkers, and tunnels for hiding out, escaping, and storing drugs, weapons, and contraband. Michele Zagaria was a top boss for Camorra and was found hiding in a reinforced bunker under his home. Ndrangheta boss Francesco Pesce was found living in a bunker underneath a junkyard and equipped with high tech surveillance and a trap door. The Gaetani family are top management and command over the international Ndrangheta clans and they manage the gatekeepers which protect the Black Nobility and higher level mafias. Ndrangheta like Gaeta. The Gaetani family manage mid level Black Nobility which operate as gatekeepers for high level families like the Savoy, Massimo, Colonna, Torlonia families. They also manage gatekeepers for Switzerland and the Bank for International Settlements which is financing their criminal agenda and their attempt at taking over. Gaetani refers to gate.

Don Trump and the Atlantic City Mafia

The Genovese-Gambino owned S&A Concrete were involved in building the Trump Towers in Manhattan. Donald Trump used Roy Cohn as his attorney and Cohn has also worked for former Genovese boss Tony Salerno, Gambino boss Carmine Galante, and John Gotti. Atlantic City was built up by the mafia and is where Trump built his casino. The mafia held one of their earliest meetings there in 1929 known as the Atlantic City Conference including Italian, Jewish, and Irish mafia bosses. Donald Trump purchased part of the property for his casino from the mafia hitman Salvatore Testa. The mafia launder their personal criminal profits through casinos and have run the casinos in Atlantic City since its beginnings. Robert Libutti frequented Trump's Plaza Hotel and Casino and was an associate of the Gambino crime family and friend of John Gotti. Trump and Libutti can be seen together in video. Robert Libutti's daughter Edith further revealed his relations with Trump as friends in an interview. Donald Trump is an associate of the Five Families and Philly Mob and Prince Vittorio Emanuele IV of Savoy is the primary owner of the Genovese crime family. The Savoy family has a Savoy-Genovese noble branch and the Savoy family hold the title of Prince of Naples where the Genovese crime boss Vito Genovese was from. Prince Roffredo Gaetani dated Ivana Trump and he is a hidden top owner of the Gambino crime family. Prince Roffredo Gaetani faked his death and has been hiding out in Switzerland with Prince Vittorio. Prince Vittorio has been investigated for racketeering, corruption, and exploitation of prostitution as well as charged with murder in the past. It was the Savoy family that put the fascist dictator Benito Mussolini in power. Atlantic City where Trump owned his casino is mostly controlled by the Philly Mob currently headed up by the mafia boss Joey Merlino.

According to the 29-count indictment, the Genovese group infiltrated concrete companies to control the construction of high-rise buildings in Manhattan, including Trump Plaza.

Two months later, Trump Management, represented by **Roy M. Cohn**, turned around and sued the United States government for \$100 million (roughly \$500 million in today's terms), asserting that the charges were "irresponsible and baseless."

Gotti was arrested after a year on the lam. His grateful bosses hired lawyer-fixer **Roy Cohn** to see what he could do, and Cohn could do a lot. He got the case knocked down to attempted manslaughter, and Gotti wound up doing less time for killing – two years – than he had done for a hijacking that involved \$7,000 worth of women's dresses.

Anthony (Fat Tony) Salerno, the rough-talking, cigar-chomping boss of the Genovese crime family who rose from running numbers in East Harlem to rigging construction bids on Manhattan skyscrapers, died Monday night, Federal prison officials said yesterday.

Roy M. Cohn, Mr. Salerno's lawyer, described his client as a "sports gambler."

House of Magicians

The English Breakspear family are part of an Illuminati clan that originated in Italy taking their name from the Lancellotti family. Lance means spear and rotti means to break. Lancerotti is another Italian variation of the more commonly used Lancellotti family name. The Lancellotti family has southern Italian branches with the Lanza family of Sicily and the Lancellotti family of Campania which later merged with the Massimo family of Rome. The Breakspear family produced the only English pope in history Pope Adrian IV or Nicolas Breakspear. Pope Adrian IV issued the papal bull Laudabiliter ordering the Normans in England to invade Ireland which they did and bring it under Papal-Roman authority which they also did. This is why Ireland is predominantly Roman Catholic today. Pope Adrian IV crowned the Holy Roman Emperor Frederik I and had the priest Arnold of Brescia executed for opposing Roman Papal authority. Cardinal Boso Breakspeare was a relative of Pope Adrian IV and was both Italian and English. There is still a Breakspear family in England today. The musician Cindy Breakspeare fathered Damian Marley with Bob Marley. Many famous actors and musicians are related with nobility. This is why they allowed to become famous.

Breakspear or Lancellotti is also where the character of Lancelot comes from in the Legend of Arthur.

The House of Maggi were a nobility from the commune in Brescia, Italy right next door to the commune

of Merlino all within the province of Lodi and region of Lombardy. Joey Merlino is the boss of the Philly Mob today and likely related with the Maggi or Melzi families. The Melzi family ruled as the Dukes of Lodi with Benigno Melzi d'Eril the 8th Duke of Lodi and 17th Count of Magenta as the current head of this family. Francesco Melzi d'Eril is an Italian movie producer with many connections in Hollywood. Sorcery is about deception. Mafia bosses are highly skilled liars and manipulators. Magi or Maggi means a magician or wizard just as Merlin like Merlino was a wizard in the Arthurian legend. The Maggi family of Brescia settled in Switzerland and became wealthy after Julius Maggi merged his Maggi soup and seasonings company with Nestle. The Maggi family also settled in Brazil establishing the Amaggi Soybean Group owned by Blairo Maggi who is worth about 960 million. These Illuminati bloodlines are ancient and they go back for thousands of years. The Maggi family likely go back to Persia and India and derive their name from Majhi and Maji. Magi is the term used for the followers of Zoroastrianism which derived from Persia and Iran.

Vallemaggia is an Italian speaking Canton in Ticino, Switzerland near the Italian border with Maggia as a municipal district. The Magi family are the continuation of the Magia gentile family of ancient Rome which likely settled up in Switzerland during the fall of the Roman Empire. In the Book of Matthew myrrh pronounced like "mer" is an herb that was given as a gift by the three magi or three wise men. Herbs and chemicals are used in sorcery for inducing trance like states that enable mind control or bewitchment. Myrrh can be ingested or used like an incense and is likely being added into food and wine covertly to enhance their witchcraft. Myrrh is where the name of the Druid wizard Merlin derives from. Druids similar to wizards used holly wood. Mark Breakspear is a Hollywood special effects designer and Michael Breakspear is an Australian neuroscientist who specializes in studying oscillating wave patterns and their effects on the brain. They are sorcerers involved in Hollywood and psychology. The Breakspear family in London own a crematorium and are working with the Massimo family of Roccasecca which moved to London. The Lancellotti family of Italy merged a family branch with the Massimo family. Prince Ludovico Massimo-Lancellotti and Prince Ascanio Massimo-Lancellotti are members of this family along with Prince Filippo Massimo-Lancellotti as the head of this bloodline and the top architect of illusions.

Orsini and Rosenberg Alchemical Crime Society

The Orsini family of Rome, Orsini-Rosenberg family of Austria, and Roseneberg family of Bohemia and Bavaria control Rosicrucianism which is a secret society of alchemists. These families all use the rose on their coat of arms. The Rosicrucian Order is also called the Order of the Rosy Cross. Alchemy is the manipulation of the human psyche and biology through chemicals. The FDA, American Chemical Society, and most food and drug companies are controlled by Rosicrucians. The Merck family are German businessmen who founded the chemical and pharmaceutical company Merck Group. The Merck family also founded Merck Finck & Co. a private bank in Germany and Prince Alois Konstantin of Lowenstein-Wertheim-Rosenberg was a recent director of this bank. The Merck coat of arms of Darmstadt includes a man holding three roses. The Orsini family were behind the Ebola propaganda and had deadly Ebola vaccines developed as the solution to the fake Ebola. The creator of the Georgia Guidestones which aim to regulate the population of humanity used the name RC Christian as an alias and was really Robert C Cook an American geneticist involved in population control and eugenics. RCC like Roman Catholic Church and like Rosy Cross. The Rosicrucians made a YouTube video placing a time cube with MM and 16 on it. MM for 2000 and 16 together meant 2016. They intended to unleash a fake outbreak in 2016 to bring down the United States and target society with their deadly vaccines. The depictions shown of the Ebola virus under a microscope look like an two eights. $8+8=16$. The Japanese movie called Virus used a virus called MM88 designed by an American eugenicist. Using movies, media, and numbers like this are a form of sorcery designed to subliminally manifest their agendas. Once this was all exposed the Ebola propaganda ended within the week. They are behind Zika propaganda as well.

Vaccines are one of the most destructive tools these tyrants and psychopaths use on humanity and they are primarily designed to target the nervous system and weaken a persons nervous systems and electromagnetic field. This enables them to target people more effectively with destructive radio frequencies. The Orsini and Rosenberg families were also responsible for the Black Plague. They hired people to poison well water in order to spread the disease. The song Ring O Roses goes back to the times of the Black Plague. They used rose petals to mask the smell of death. I also found two people with the name Rosenberg that work in high level positions at Bayer today. The Colonna family of Rome work closely with the Orsini family and are also involved with pharmaceuticals. Stefano Colonna developed the Julia-Colonna Epoxidation which is used by Bayer and Evonik today. The Julia-Colonna Epoxidation is used for binding toxic chemicals with human enzymes. These families oversee chemical companies like Bayer, Evonik, Merck, and Serono and they use Rosicrucians to infiltrate and manage food and drug companies. Prince Domenico Napeoleone Orsini, Prince Benedetto Orsini, and Prince Raimondo Orsini are the heads of this family. Prince Dominique Lowenstein-Wertheim-Rosenberg and Prince Alois Konstantin of Lowenstein-Wertheim-Rosenberg are Austrian-German members of this clan. Prince Alois Konstantin is a Commander in the Roman Catholic Order of the Holy Sepulchre of Jerusalem. Rosenheim uses the rose on its coat of arms and is a city in Bavaria where the Lowenstein-Wertheim-Rosenberg family ruled. The billionaire Anton Kathrein Jr. owns Kathrein-Werke an antenna systems company founded in Rosenheim. Kathrein-Werke is involved with attacking people with radio waves and hacking the human physiology and biological systems.

The House of Orsini are an ancient bloodline of Rome claiming ancestry from the Julia-Claudian dynasty similar to the claims from the Colonna family. The House of Orsini are Vatican royalty and share a portion of ownership over the Holy See. The name Orsini derives from the Latin word Ursa which means bear and this is why the Orsini-Rosenberg family use bears on their coat of arms along with the rose. The word Ursa really goes back to Syria and the Akkadian language and the word Arsu. They are covering up this etymological connection since it was first exposed. Many of the bloodlines of the Black Nobility were Uartian-Assyrians or Scytho-Assyrians that settled in Rome later on. Their blood lineages go back to Assyro-Babylonian nobility and Scythian clans north of ancient Iran and Syria. Luigi Ursino has been a top Ndrangheta mafia boss and member of La Provincia. The Orsini family likely have ownership over Camorra and Sacra Corona Unita mafia clans as they ruled all over the regions of Naples and Apulia. The Orsini and Rosenberg families have part ownership over the Israeli Mafias including the criminal operation run by Zeev Rosenstein who is an international ecstasy trafficker operating out of Israel. Zeev Rosenstein also operated in the United States and provided ecstasy to Gambino associates. Ecstasy is a synthetic drug created by chemists which were called alchemists in ancient and medieval ages. The Rockefeller Foundation held an international meeting in Bellagio, Italy and established their child immunization program to promote vaccinating children. The Italian actress Isabella Orsini is an unofficial relative of the House of Orsini and because she is of nobility she married with the Belgian House of Ligne. Isabella Orsini's godfather is also the multi billionaire and former four term prime minister of Italy Sivlio Berlusconi. The House of Orsini produced three popes and dozens of high level cardinals for the Roman Catholic Church. They owned various castles and several titles of lordship in the Papal States and Italy. The Orsini and Rosenberg families are a destructive plague on humanity.

Catacomb of Aldobrandini

The Aldobrandini family are an influential Roman bloodline and top members of a satanic death cult known as the Ninth Circle. They are involved with the Vatican and banking. The Aldobrandini family produced one pope and several cardinals for the Roman Catholic Church. The name Aldobrandini derives from the Arabic word Aldebaran which means the "follower." The Aldobrandini clan came into Europe during the Moorish invasion and have an Arabic and Basque ancestry. Ignatius Loyola who was a co-founder of the Jesuits and its first Superior General was of Basque descent and likely related with this

family. They follow after the Massimo family and have intermarried with the Massimo-Lancellotti branch. The Massimo's Vatican came first and the Jesuits followed after just as Aldebaran means the follower. The Italian Nobility uses its Jesuit universities to recruit Roman spies and agents and the Aldobrandini family appear to have a portion of authority over the Society of Jesus. There are Ninth Circle cults within most Jesuit universities. I believe The Ninth Circle headquarters is located at Loyola University New Orleans with President Kevin Wildes SJ. Pope Clement VIII Ippilto Aldobrandini issued the Congregatio de Auxiliis as a peace agreement between the Jesuits and Dominicans. Ranuccio I Farnese married Margherita Aldobrandini and it was the Farnese family that officially authorized the Jesuits. The Aldobrandini family have ownership over the DeCavalcante crime family of New Jersey with Girolama Palermo as the acting boss. Both the Aldobrandini family and Cavalcante family were originally Florentine nobility. Caval like cave. Even their mafia has an underworldly essence. The Italian Mafia are known for being involved with construction companies and known for building hidden underground bunkers and tunnels. The DeCavalcante crime family have infiltrated the New York and New Jersey Port Authority and are involved with a large scale criminal trafficking network. There needs to be a major investigation into the New Jersey Port Authority. The Aldobrandini family hold the title of Duke of Brindisi in Apulia and they are the part owners of the Sacra Corona Unita or Apulian Mafia. Willie Moretti was a Jersey mobster and from Apulia. Some Italians including mobsters from San Nicandro, Apulia converted to Judaism and moved to Israel. The Abutbul Mafia in Israel headed up by Asi Abutbul is likely connected with the Apulian Mafia.

Cinzio Aldobrandini was a Roman Catholic Cardinal and there is the Reaper of Death statue with a sickle at his tomb at San Pietro in Vincoli along with the Aldobrandini coat of arms and this displays their sinister nature. I believe this family manages the Catacombs of Rome and the interconnected underground tunnels. Princess Olimpia Aldobrandini is married to Baron David Rene de Rothschild who is the head of the French Rothschild family and currently the head of N M Rothschild & Sons today. In Judaism the Jewish lineage is passed down from the mother so it should be a Roman Catholic Rothschild-Aldobrandini that inherits the Rothschild bank or a portion of its ownership. Alexandre Guy Francesco de Rothschild is an Aldobrandini by blood. The French Rothschild family are Court Factors serving the Roman Curia and Black Nobility. The Rothschild family are subtly titled "guardians of the papal treasure" in the Jewish Encyclopedia. They guard the Black Nobility's wealth as middle men money handlers. The Brandolini family are a Venetian branch of the Aldobrandini clan. Marie Brandolini was the daughter of Beatrice de Rothschild and she married Count Brandino Brandolini-d'Adda. Count Brandino Brandini-d'Adda II is the head of this family. The House of Aldobrandini also merged a family branch with the Borghese banking family of Rome under Prince Paolo Borghese and this branch intermarried with the House of Bonaparte. Camillo Borghese or Pope Paul V created the Bank of the Holy Spirit in 1605 and the bank eventually merged into UniCredit. They recently married with Antinori family of Florence with Prince Piero Antinori as the current head. The Aldobrandini crime family are involved with pedophilia, defilement and desecration, satanic ritual abuse, human sacrifice, murder, conspiring against foreign governments and terrorism. Members of the House of Aldobrandini include Prince Camillo Aldobrandini, Don Clemente Aldobrandini, Princess Olimpia Aldobrandini-Rothschild, and Prince Camillo's brother who lives at the Palazzo Antinori di Brindisi in Florence and holds the title of Duke of Brindisi.

Vatican Bankers and Accountants

The Brandolini di Adda family are Venetian members of the international banking mafia currently headed up by Count Brandino Brandolini di Adda II, Count Tiberto Ruy Brandolini di Adda, Count Guido Brandolini di Adda, Count Marcantonio Brandolini di Adda, Countess Cristiana Brandolini di Adda, and Countess Bianco Brandolini di Adda. The House of di Adda originated in Milan and merged family lines with the Borromeo and Brandolini families and also ruled as Counts of the Holy Roman Empire. The

Brandolini di Adda family is extremely evil and murderous. The Brandolinis are a related branch of the Aldobrandini family of Florence and Rome. Olimpia Aldobrandini is married to the French Baron David Rene de Rothschild and he is the Chairman of N M Rothschild & Sons and Rothschild Continuation Holdings with his son Baron Alexandre Guy Francesco de Rothschild as a top executive. Count Guido Brandolini works for the Rothschild Asset Management division and also worked for Chrysler Group. Chrysler Group is a subsidiary of Fiat which was founded and is partly owned by the Agnelli family. Countess Cristiana Brandolini di Adda's father was Edoardo Agnelli. Countess Marie Brandolini di Adda was the daughter of the French Baroness Beatrice de Rothschild and Marie married into the Brandolini di Adda family of Venice with Count Brandino II as her son.

The French Rothschild family are employed as Court Factors for the Roman Curia and act as middle men money handlers for Black Nobility like the Aldobrandini family. The Black Nobility funnel their profits from organized crime through Rothschild banking firms which are used for making criminal pay offs, bribes, and various forms of criminal financing usually disguised as loans. The Rothschilds are titled the "guardians of the papal treasure." Cornelius Brandi is the Executive Chairman of CMS an international tax law firm located in Switzerland and he is a German-Swiss relative of the Brandolini family. Albrecht Brandi was a German Nazi U-boat commander. Albrecht's father Ernst Brandi was a Nazi businessman and member of the Nazi's Secret Meeting of February, 20 1933. Cornelius Brandi advises criminal bankers on loopholes, evading taxation, and concealing criminal pay offs. Cornelius Brandi is friends with Antonio Purini the former Italian ambassador to Germany. Antonio Purini is friends with Prince Camillo Aldobrandini the uncle of Princess Olimpia Aldobrandini-Rothschild. The Brandolinis and di Adda families are of the noble rank of counts. Counts are accountants and they manage wealth, assets, and investments for royalty and sovereign princes. The name Adda is like the word adder which is a name for a viper. Snakes are considered calculating. Bankers are calculating.

Colonna Crime Corporation

The House of Colonna presently hold the hereditary position of Prince Assistants to the Papal Throne at the Vatican. They claim to be the Julio-Claudian dynasty of ancient Rome and directly descend from Peter de Columna and the Counts of Tusculum. Cologne Germany was named Colonia Claudia Ara

Agrippinensium named for the Julio-Claudian family. They also descend from the Counts of Tusculum which took the name Ptolemy. The Julio-Claudian dynasty ruled Rome during the conquering of Ptolemaic Egypt and the Julio-Claudian family also married in with the Ptolemaic Dynasty. The Ptolemie family are an Italian nobility claiming ancestry from the Ptolemaic Dynasty. They were established in the 12th century and they purchased the fiefdom of Patrica from the Colonna family. Count Claudio Ptolemie is a current member. The Colonna family use the column on their coat of arms which is a symbol for political power. The Colonna name derives from the Greek word kolona which means a column. The Columbus and Colombo names also derive from Columna and Peter de Columna. The South American nation of Colombia is named after Columbus. Christopher Columbus was a relative of the Colonna family and he claimed America for Rome. Christopher Columbus was born in Genoa and he was partly financed by the Doria banking family which have intermarried with the House of Colonna several times in the past like with Prince Fabrizio Colonna and his wife Bianca Doria the Duchessa of Tursi as well as Prince Andrea Doria III of Melfi and his wife Princess Giovanna Colonna di Paliano. The Colonna family ruled in Alba Longa and established a branch in Salamanca, Spain as the Dukes of Alba originally ruled by the Alvarez family now the Dukes of Toledo. Salamanca uses the column on its flag and the Dukes of Alba are intermarried with Christopher Columbus' family with his son Diego Colon and Maria de Toledo. The Colonna family are primary owners of the Motisi Mafia clan of Palermo and Sicily. The House of Colonna married in with the Ventimiglia Princes of Palermo. Baron Niccolo Turrisi Colonna was a politician from Palermo who made early mentions of the mafia before they were officially recognized. Niccolo also claimed that the government attempting to shut down the mafia made the problem worse as if he was defending them to the point he was believed to be the head of the mafia.

The Colonnas are owners of the Colombo crime family and were part owners of the Jewish Mafia which infiltrated Hollywood creating Columbia Pictures through their New York mafia associates like Harry Cohn who met with Mussolini and was friends with mafia associates like John Roselli and Jack Entratter. The Colonna family are the primary owners of the Chicago Outfit along with the Florentine House of Capponi headed up today by Count Neri Capponi, Count Sebastiano Capponi, and Count Niccolo Capponi and Florentine House of Rosselli Del Turco headed up by Marquis Niccolo Rosselli Del Turco. The Colonna and Capponi families likely made an alliance during the Siege of Florence with Stefano Colonna di Palestrina as the Florentine Militia Commander. The House of Colonna held various titles in the former Papal States as well as ruled as the Dukes of Cesaro, Sicily. The Colonna family are the owners of the Knights of Columbus which use the Roman fasces symbol on its logo. Many police and federal agents are members of the Knights of Columbus and some of them are used to infiltrate law enforcement and provide assistance and intelligence for the Italian Mafia. The Colonna family have influence over both police and organized crime. The Five Families function as covert criminal business enterprises for the Italian nobility and they use their mafias to blackmail, extort, and control politicians, bankers, and businessmen. In the 19th century Princess Livia Colonna married into the their ancient cousins again with Duke Fernando Alvarez de Toledo and their son was Alvaro Alvarez de Toledo who married Anna Maria DuPont. The DuPont family of France use the Colonna's column on their coat of arms. The DuPont family founded DuPont an international chemical company which is located in Delaware and has about 46 billion in assets. The Colonna and Alvarez families have shares in DuPont now called DowDuPont which is one of largest chemical companies in the world. The Alvarez family that inherited the Colonna's Avella Palazzo sold it to the Italian government for 800 million lire equal to 203 million dollars.

Prince Guido Colonna di Paliano was a Commissioner of the European Union, Italian Vice Consul to New York City and a member of the Trilateral Commission. Jerry Colonna is a financier from New York City who helped to establish Silicon Valley. Jerry Colonna who is believed to be worth over 50 million started a small investment group called Flatiron Partners which was in the business of making billions for companies like JP Morgan Chase. Jerry Colonna appears to be used for handling their criminal transactions and for money laundering. The Colonna family ceremonially rule over Capitoline Hill in Rome which represents the political power of Rome's corporate empire. The column symbolizes the political support that maintains their fraudulent claim to corporate-governmental ownership over a land. The Colonna family are a corporate mafia involved in infiltrating politics and businesses, financing organized crime, and supplanting cultures. Freemasonry uses two pillars or columns in their temples

which covertly symbolizes the two Colonna princely lines of Stigliano and Paliano. Prince Prospero Colonna di Stigliano is covertly controlling the Grand Lodge of Ireland. Some of the Colonna di Stigliano family members have recently established residences in Ireland. Saint Alban was really from Alban Hills and set up Alban-Colonna clans in England early on. The name Romney means Roman. The Earls of Romney in the UK are agents of Rome as well as the Romney political family in the US with Mitt Romney who co-founded Bain Capital which manages about 75 billion in assets. Mitt Romney was also CEO of Bain & Company. Prince Filippo Colonna di Paliano has worked for Bain & Company which is stated in his work history on LinkedIn. The House of Colonna established a Polish branch called the Colonna-Walewski family. Borgia Mafia

The House of Borgia are one of the most well known bloodlines of the Black Nobility and are infamous for being murderous and ruthless. They use a red bull on their coat of arms which symbolizes their aggressiveness. The Borgia family originated in Valencia, Spain and are historically known as Marranos which means half-Jews. They were originally Hebrew speaking Babylonians living in Morocco that were working with the Canaanite Carthaginians during the times of ancient Rome. The Borgia family directly produced Pope Callixtus III and Pope Alexander VI. Francesco Borgia was a former Superior General of the Jesuits. Pope Innocent X was also closely related with the Borgias through a marriage between the Borgia and Pamphilj families. Pope Innocent X was a Canon Law lawyer and was depicted as the devil in Guido Reni's painting. There is also a statue of Pope Innocent X at Capitoline Hill. Canon law really takes its name from Canaan. Canaanites were enemies of the original Israelites and their leader was called Gog. Pope Francis's real name is Jorge Mario Ber-gog-lío and Borgoglio is a variant of this name. A

group of Canaanites migrated into Greece and to Carthage. Carthaginians later migrated into Spain and other parts of Europe. The House of Borgia have intermarried with the Este and Sforza bloodlines and their Spanish branch intermarried with various Spanish noble lineages like House of Trastamara of Aragon. Prince Luigi Borgia is currently a member of the House of Bourbon-Two Sicilies Military Order of Saint George and a noble of Naples. The Borgia family claim the titles of Dukes of Savoy in France which is currently held by their Spanish line. The Borgia family were known for murdering civilians for fun and poisoning their enemies. This information is being downplayed and has been removed from historical texts in recent years. I believe the Black Nobility forced the Borgia family out of Rome because they have a rule about not killing each other and not being too reckless like publically slaughtering civilians like Cesare Borgia did. The other Black Nobility are just as murderous and ruthless however they are more discreet and do not normally kill each other off. They have caused wars and killed millions of people but they don't normally kill each other. I believe this is why they pushed the Borgia family out of the Black Nobility's inner circle in Rome. This family is completely ruthless and aggressive.

The Borgia family still exist today as Dukes in Spain and have established family lines in South America with Rodrigo Borja Cevallos the former President of Ecuador. Rodrigo Borja and his wife are knighted by the Spanish royal family and have one son and three daughters. In 1992 President Rodrigo Borja Cevallos met with President George Herbert Walker Bush for a Drug Summit Conference in San Antonio Texas where they plotted to enable drug trafficking. Alvaro Alfredo Magama Borja was President of El Salvador. The Borgia family own and command a faction of MS-13 which are an extremely violent street gang originating in El Salvador. Alvaro Alfredo Magama Borja was put in power through Operation Condor a program that was orchestrated by United States and European intelligence agencies as a continuation of their Operation Gladio. Operation Condor included assassinations, terrorism, and military usurpation of governments in South America. Organized crime increased after Operation Condor and this is why there are so many drug cartels in South America today. GrupoBorja is a South American investment company located in El Salvador, Guatemala, Honduras, Nicaragua, Costa Rica, Panama and the Dominican Republic. GrupoBorja is involved in nearly every industry including real estate, agriculture, energy, media, and retail. GrupoBorja is run by Juan Jose Borja Papini, Ernesto Borja Papini, and Julia Margarita Borja Papini. Francisco de Borja Lasheras is the head of Madrid's office for the European Council on Foreign Relations. Fernando Borja Mujica is a Jesuit Georgetown educated Mexican banker that is Secretary of the Board of Directors at Banco Santander in Mexico. The Borgia or Borja family have ownership of Scissionisti di Secondigliano Camorra mafia also called Spagnoli for Spaniards because of their involvement in Spain. The remaining Italian Borgia family are princes in Naples where Camorra is headquartered. The Borgia family also have part ownership of the Juarez Cartel which are located in Chihuahua, Mexico. San Francisco de Borja is a town in Chihuahua named by the Jesuits for Francesco Borgia. The Borgia family originated in Valencia, Spain. Cardinal Antonio Llovera is Archbishop of Valencia and when asked about the Church and pedophilia he deflected away by bringing up abortion as a more serious issue. He also neglected to mention that an estimated 300,000 newborn babies were stolen from mothers in Spain by the Roman Catholic Church. Don Benjumea de Soto Francisco de Borja is a member of the Spanish House of Borja and he married the Italian Princess Fabrizia Ruffo Di Calabria. The head of the House of Borgia is Don Francisco de Borja-Soto and Moreno-Santamaria who is the current Duke of Escalona and Duke of Frias.

Torlonia Banking Mafia

The House of Torlonia are the top bankers on the planet and are the Vatican's treasurers. The Torlonia family are overseeing the United States Treasury through Rome's network of power and also oversee private Swiss bank accounts of the Italian nobility. The French word "Tor" means tower and the Torlonia family have French ancestry. Lonia is like loan. The Torlonia name represents loan tower. The family is overseeing the Bank for International Settlements in Basel, Switzerland which is designed as a tower and is stealing wealth from the central banks around the world through fraudulent tax contracts. The BIS is

also financing criminals with pay offs disguised as investments and loans. The Vatican and Swiss Cantons have been in contract for centuries and this is why the Swiss Guard protects the Vatican City State today. The Geneva flag uses a key symbol similar to the papal keys on its coat of arms along with the Jesuit logo. The UBS Bank which was partly created by the Warburg family also uses these keys for its logo. M.M. Warburg & Company has operations in Switzerland. Switzerland and Vatican City are the only two nations on the planet that use the square shaped flag. Switzerland is like a Papal State. The Torlonia family hold titles of Princes of Fucino and they are the founders and owners of Banca Fucino with Prince Giulio Torlonia as a board member and the recently deceased Prince Alessandro Torlonia as the former president of the bank. One of the Fucino Bank branches operates out of the Palazzo Borghese. The Torlonia family which are the Princes of Civitella-Cesi are the covert owners of the Civella crime family of Kansas City and co-owners of the LaRocca crime family of Pittsburg along with the Borghese and Rocco di Torrepadula families. The La Torre Camorra mafia clan of Mondragone is operating in the UK and is owned by the Borghese and Torlonia families. The ancient House of Luxembourg were the Kings of Bohemia. The Torlonia family are the Princes of Civitella-Cesi. Civetta is the Italian word for owl. Top Conservative politicians have a yearly gathering at Bohemian Grove in California where they make mock human sacrifices to a giant owl.

The name Borghese or Bourgeoisie refers to a walled city and the people of these cities were usually bankers and merchants rather than farmers. The House of Borghese have a dragon on their coat of arms and they live in Rome and [had dozens of fiefdoms in the Papal States](#). They are patricians of Venice as well. Devilish Tricksters of Nemi

The Theodoli family are a powerful bloodline of the Black Nobility involved with the Vatican and Papal States. They intermarried with the Roman-German Braschi family creating the Theodoli-Braschi line which represent the Theodoli family today. The Jesuit educated Pope Pius VI or Giovanni Angelo Braschi came from this family. Don Giovanni Angelo Theodoli-Braschi is the head of this nobility and Duke of Nemi in Lazio. Nemi comes from Lake Nemus and Nemus means wood and has been used to reference Holly wood. The Italian Nobility are the ones overseeing Hollywood. Nemi is also like the word nemesis. The Italian word for nemesis is nemesi. Satan is described as an adversary or nemesis. The Black Nobility are extremely adversarial towards humanity. The word Theo means god or deity. The word Doli derives from the Greek and Latin words dolus which means trickery. Theodoli means “deity of trickery” and Nemi refers to adversary.

The family likely has partial ancestry from the Theodosian Dynasty of ancient Rome and the Byzantine. The Theodoli family are currently intermarried with the Torlonia banking family of Rome with Princess Ines Theodoli Torlonia. The Torlonia family posted a threatening poem on their Wikipedia page which states; “The head of everything is God, the Lord of heaven. After Him comes Prince Torlonia, lord of the earth. Then comes Prince Torlonia’s armed guards. Then comes Prince Torlonia’s armed guards dogs. Then comes nothing at all. Then comes nothing at all. Then comes nothing at all. Then come the peasants. And that’s all.” The Theodoli family use a wheel on their coat of arms. The wheel represents the sun and cycles like repeated patterns. The Black Nobility are ancient Illuminati bloodlines that use the same pattern for control and just adapt it through the generations.

The Theodoli family have a residence in London like most of the top families of the Italian Black Nobility. Princess Costanza Theodoli-Braschi is a member of this family and a satanic witch. They work closely with the British Crown and British Peerage which do business at the City of London Corporation. They also own palaces in Rome and are still connected to the Vatican. The Theodoli family have another branch that bought the luxury yacht company Magnum Marine Corporation under Prince Filippo Theodoli and it is still owned by the Theodoli family today. Prince Alberto Theodoli of Sambuci was on the board of directors for the Bank of Rome which later merged with the Bank of the Holy Spirit, Capitalia, and finally Unicredit. The Bank of Rome was in contract with banks in Libya and in 2011 Italy’s central bank put a freeze on Banca UBAE in Rome which was tied to huge amounts of Libyan assets. They froze accounts of Libyan businessmen to extort gold out of them.

Despotic Princes

Prince Emanuele Filiberto of Savoy is a high authority over royals and nobles. He is a Freemasonic Sion Templar. He has command over Sionist Templar Freemasons and various mafioso connected with the Genovese crime family and Camorra. Sionist Templars use the white cross symbol like the Swiss flag and Savoy coat of arms. The Savoys also manage a branch of the Order of Saint Lazarus with many French bankers as members and they work with the World Bank. The Savoy family have high authority in Switzerland and have large amounts of wealth concealed in private Swiss banks. Sion is a city in Switzerland. Prince Emanuele Filiberto is extremely narcissistic and vain. He hates real men because he was raped by his faggot pedophile father Prince Vittorio Emanuele IV of Savoy who tries to shame people to deflect from his shame. Royals, nobles, and their agents involved with this satanic vanity bathe in human blood and usually the blood of children or young adults. The Aponte family of Switzerland and Italy own Mediterranean Shipping Company which runs an international human trafficking operation. The Aponte family serves the House of Savoy. The royals and nobles drink human blood. The Savoy family have many French agents involved in wineries which also traffic human blood and adrenochrome through high end wine bottles. The Savoy family are deeply involved with the Roman Catholic Church. The Catholic Church does mock rituals of drinking human blood and eating human flesh. It is their attempt at incorporating people into their wickedness. Prince Emanuele Filiberto of Savoy is the Prince of Venice. Venice was a major center for merchants and bankers and many top bankers and merchants in Europe were Venetians like the Guggenheims and Warburgs.

Prince Aimone of Savoy-Aosta is a high level royal and commander over Freemasons and Sion Templars.

Prince Aimone drinks human blood and adrenochrome. The white cross represents to them adrenochrome because it is pure adrenaline rather than adrenaline filled blood. His wife is Princess Olga from the Greek House of Glucksburg and she is a child murdering pedophile cannibal. Prince Aimone is the Duke of Apulia and has portion of authority over the Apulian Mafia which are in Israel and New Jersey as well as Italy. The Apulian Mafia dominate over human trafficking in southern Italy. Some Apulian Mafia clans established themselves in Israel by converting to Judaism and migrating there after WWII. The Apulian Mafia also established themselves in New Jersey early on which is a major human trafficking center in the United States. The Savoy-Aosta family ruled in Aosta which is somewhat separate from the government of Italy. Aosta is a small region along the Swiss border and surrounded by mountains. Prince Aimone's father is a very high level Freemason. I believe both of the Savoy families manage the Knights of Saint Thomas which are British Catholic knights which use a white cross as their symbol as well as manage the Freemasonic Order of Saint Thomas of Acon. These are branches of the Sionist Templars. Prince Aimone and his cousin Prince Emanuele Filiberto specialize in quietness. They are covert and silent while maintaining control and this keeps attention off of them. Master Masons claim to be unseen and that is because they are quiet.

Prince Edouard de Ligne is a high level commander over secret societies. Prince Edouard is outrageously narcissistic and is involved in drinking blood, bathing in blood, and also cannibalism. He is a greedy and zealous liar. Prince Edouard has an extreme god complex and is the type of person that would murder millions of people with no remorse if it fueled his vanity and ego. The Ligne family are married with the Brazilian House of Orleans-Braganza and they finance South American cartels which traffic drugs, weapons, and also human beings. The House of Ligne have large amounts of wealth obtained through fraudulent tax contracts between the United States and the Kingdom of Belgium. They also own a gold and diamond mining company. Prince Edouard's wife is the Italian actress Isabella Orsini and she is a child murdering cannibal and blood drinker. She is a covert relative of the Orsini family of Rome which are part owners of the Vatican. Her godfather is the wicked Italian billionaire and mafia associate Silvio Berlusconi.

Prince George Friedrich of Prussia is a Nazi cult commander and New Age Freemasonic brainwasher. The Hohenzollerns use the masonic black and white checkerboard for their coat of arms. New Age uses a false black and white duality to brainwash people. Prince George Friedrich is really evil and narcissistic. He thinks he is a god or the Holy Spirit or something. He is just a sub human that commands Nazis and fascists. He has high authority over the Bank for International Settlements and uses this criminal bank to finance gang stalking, black ops mercenaries, and directed energy attacks. Prince George Friedrich drinks human blood and is a military commander and tactician for evil. These psychopaths are deluding people into thinking that exposing their depravity enables it. This is how insane they are. It is called the placebo effect. They believe something because it pleases them to believe it. It has nothing to do with reality.

They claim exposing their human trafficking, blood drinking, and cannibalism is enabling them to further do what they were already doing before it was exposed. Their logic is entirely false and they know it is. They don't care. Its exactly like saying if I reported an armed robber to the police that I am enabling armed robbers. They are psychotic, arrogant, and fascist liars.

Prince Ernest Augustus of Hanover is a commander over various secret societies including Nazi cults. Prince Ernest is involved with cannibalism and sexual sadism and financing this depravity. The royals and nobles have underground chambers beneath their fortified castles where they make human sacrifices. Many of them also have underground tunnels. They use mafia style tactics to control politicians, police, and government officials in their regions. The Hanovers are major human traffickers and the real head of the family is Princess Caroline of Hanover who is of the House of Grimaldi through birth. They finance secret societies because they create a defense for the royals. The House of Hanover have large amounts of wealth through their court agent billionaires which run major corporations. The Hanovers developed the Hanseatic League of merchants in the Holy Roman Empire. Many billionaires and merchants work for the House of Hanover. The Hanovers wealth is concealed in private Swiss banks.

Prince Christian of Hanover is a psychopathic blood drinking terrorist. He manages Nazi cults and is

extremely vain and arrogant. His primary minion is the actor Jesse Johnson. Han in Hanover refers to Johannes the German version of John. Several Johnson families in the United States serve the House of Hanover including the billionaires that own Johnson and Johnson and Fidelity Investments which is owned by the child murdering cannibal Abigail Johnson. The actor Jesse Johnson is their Illuminati idol and he drinks human blood and bathes in human blood. Jesse Johnson is also a pedophile that preys on young teenage girls. Jesse Johnson is completely insane and evil. He attacks me all the time claiming that he is god. I have Wiccan cults that worship him and attack me for him. Jesse Johnson serves Prince Christian of Hanover.

Prince Carl Philip of Sweden is a tyrant and commander over international Viking-Nazi cults. He wears the naval cap because the House of Bernadotte specialize in Navy including mercenaries connected with US Marines and US Navy Seals. Chris Hemsworth who played the Norse deity Thor is a high level idol in Prince Carl Philip's Viking cult. Chris Hemsworth is a psychotic blood drinking narcissist that bathes in blood and manages a Nazi-Viking cult of faggot rapists. Prince Carl Philip is a hot headed psychopath with an extreme god complex. He drinks human blood and is involved in cannibalism. His sisters Princess Victoria and Princess Madeline are extremely dangerous and delusional child murdering cannibals. Princess Madeline is really sadistic. Prince Carl Philip is absurdly arrogant. He harasses and taunts me constantly. For a man that rapes and eats little boys he has some real audacity to be making bold claims like he does. I became aware that he is a faggot because when I first exposed that modern Nazi and Viking cults and other fascists rape each other to establish their hierarchy he went psychotic and started attacking me as if I hit a nerve. I didn't even say anything about him personally and he flipped out.

Prince Haakon of Norway is a top commander over alchemists connected with the Rosicrucian Order and other alchemical secret societies. Prince Haakon also manages the World Health Organization. They use vaccines as chemical warfare. They have clean versions of vaccines and dirty versions. People are marked in their records during public education where they sort out those who follow authority and those that think for themselves. They target free thinking individuals with dirty vaccines. Vaccines target the eyes, hair, skin, and most of all the nervous system which enables them to target people with electronic weapons. Vaccines also cause diseases and autism. They engineered autism so they can more easily get away with molesting children. Like all the royals and nobles Prince Haakon is a pedophile, cannibal, and blood drinking lunatic.

Prince Donatus of Hesse is a top German prince and commander of Nazi gang stalking cults. The House of Hesse are the primary architects of Nazi propaganda. Prince Donatus is one of the highest authorities of all royals and nobles. The House of Hesse own the Iron Horseman motorcycle gang and they use them for trafficking adrenochrome. Prince Donatus is extremely evil he is covertly running the BfV German intelligence agency which is working with the CIA and NSA. When I first exposed that the House of Hesse own the Iron Horseman I had an Iron Horseman biker waiting for me down the road and quickly pulled up real close as he pulled out a gun wrapped in a red rag. I was going to run him down and he backed off. This biker was also wearing an German WWII era motorcycle helmet. This happened just after I exposed them. The football player Christopher Howard Long works for the House of Hesse, House of Bussche, and Busche family as a gang stalking commander in the United States. Prince Donatus is diabolical and really evil. He has higher authority than members of the House of Windsor. Nazis like Prince Donatus and Prince George Friedrich blame all Jews for all evils. The House of Hesse were members of the Nazi party and military and they were the Rothschilds first bosses.

Prince Harry of Wales is a Nazi prince and commander over Nazi-Fascist gang stalking cults connected with the Irish Republican Army, Irish Mafia, Irish Travelers, and the Aryan Brotherhood. These groups establish their hierarchies through faggotry. Men that rape other men to assert their dominance and ranks are faggots. The word fascist and faggot both derive from the word fasces. Fascists are faggots. Prince Harry is a psychotic sadist involved in blood drinking and cannibalism. The Anglican Church does mock rituals of drinking human blood and eating human flesh just as the Catholic Church does. Prince Charles of Wales brags about being Vlad Dracul the Impaler's relative and Prince Charles even lives in Vlad's Castle in Transylvania. Vlad the Impaler is the basis for the modern concept of vampires. The Bathory family were relatives of the Dracul clan and Countess Elizabeth Bathory was a serial killer that bathed in human blood. It is believe she killed around 700 young girls. That is the real origin of the British Crown's Order of the Bath. Prince Harry is extremely militant and is also involved in holocausts as sacrifices. Prince Harry participated in the lawless war in Afghanistan which was partly orchestrated by his family through their involvement in 9/11. Tom Brady is a gang stalking commander and tactician in the United States. Tom Brady is serving the Windsors through Robert Kraft the owner of the New England Patriots who went to Harvard a university created by the British Crown. Tom Brady drinks human blood and adrenochrome which is trafficked to him through biker gangs. Tom Brady is a shower room faggot and a pedophile. Faggotry goes on heavily in the sports industry and especially the NFL. Megan Markle manages violent Amazon-Feminist crypto transvestite cults. Megan Markle likes to incite vengeance and jealousy among women in society. Prince Harry thinks he can become a god and does not believe in a creator. Prince Harry is a murderous devil. He is dangerously delusional and is a curse on humanity.

Prince William is a high level commander over secret societies. He is involved with drinking human blood and adrenochrome. Prince William is a highly premeditated psychopath that manages cannibalistic transvestite cults of men and women. Prince William is involved with pedophilia as well. He is an architect of gang stalking programs, psychological warfare, and sexual sadism programs. Prince William is also involved in trafficking and producing adrenochrome and adrenaline filled blood through torture and human sacrifice. The House of Windsor are a clan of pedophiles and child murderers. It is documented that at least hundreds of native American children went missing from Crown Orphanages in

Canada during the 20th century. They also run Crown Orphanages in the United Kingdom. Monarch Mind Control is a commonly known term and really refers to the monarchs mind control programs which they impose onto society through secret societies. Queen Elizabeth II has murdered and cannibalized at least hundreds of children. These sick freaks deserve to be burned alive for executions. The Windsors manage Knights Templars through their Order of the Garter. They also covertly manage the Red Cross which traffics human blood. New World Fascism

The "New World Order" is an attempt at a fascist take over of society for the purpose of total enslavement of humanity. Fascism means a centralization of power. At the head of this criminal agenda are the royals and nobles. The New World Order is a bloodline conspiracy at the top. They are ancient evil bloodlines that build and destroy empires for control through order out of chaos. The royal and noble houses are corporate entities and they claim to rule and own land, resources, and people. They authorize and finance bankers and businessmen to work for them through their corporate households. They authorize and issue the creation of laws, agencies, militaries, businesses, and universities. They create and

run religions and secret societies. They also finance and own organized crime syndicates like they are business enterprises. Some top royal bloodlines include the Savoy, Bourbon, Medici, Glucksburg, Wittelsbach, Nassau-Weilberg, Saxe-Coburg and Gotha, Romanov, Grimaldi, Orleans, Braganza, Habsburg, Hanover, Windsor, Saud, Thani, Khalifa, Alouwite, Hohenzollern, Orange-Nassau, Bonaparte, and Bernadotte families. Many royal bloodlines still rule their nations as heads of state like in the United Kingdom, Belgium, Netherlands, Monaco, Spain, Saudi Arabia, Bahrain, Morocco, Sweden, Norway, and Luxembourg. The Vatican City State is also a kingdom with the Pope of Rome as its monarch. The Black Nobility are the ancient bloodlines of the Papal States and they own and run the Holy See and Vatican. Black Nobility are considered sovereign princes. The Vatican is used as the centralized point of control and is one of the oldest continual corporate entities in existence. The Holy See is the "All Seeing Eye" and operates as an intelligence network which then works with intelligence agencies like the CIA, NSA, and MI6 to enhance their intelligence system. The Latin phrase Novus Ordo Seclorum means New Order of the Ages and is on the US dollar bill and US Great Seal. The Vatican uses Latin as an official language and for documents. America is named after Amerigo Vespucci and he was working for the Medici family of Florence and Rome. Vespucci created the term New World for America. Corporations are fraudulent constructs because they are considered a person with rights under law and because owners and controllers of corporations are enabled to bypass accountability for any crimes committed by the corporation. Corporations are not people and therefore cannot have rights. Corporations should not exist.

Royals and nobles issue charters establishing proxy corporations covertly owned and controlled by the corporate households or crowns of royals and nobles. They claim to own foreign governments this way. The royals and nobles claim to own the United States as a continuation of the Virginia Company. German royalty like the Hanovers, Hesses, Hohenzollerns, Glucksburgs, and Saxe-Coburg and Gothas claim a portion of ownership over the British Crown. This is why the British royal family has so much German ancestry. The United States is defined as a federal corporation under US code 3002 section 15. Shills, Gatekeepers, and Gang Stalkers

YouTube and the internet is filled with alternative media shills and fake opposition to the New World Order. Almost all of them are frauds. Alex Jones runs the largest alternative media faction with members like Lisa Haven, Jesse Ventura, Mark Dice, Lionel Nation, Mike Cernovich, Jordan Peterson, The Next News Network and Gary Franchi, Christopher Greene or AMTV, Hagmann Report, David Icke, WeAreChange or Luke Rudowski, Styxhexenhammer666, and Jordan Sather or Destroying the Illusion. There are other shills like George Webb, Farmer Jones, Roy Potter, and Michael Trimm. George Webb deletes my comments and called my articles lies. Michael Trimm is extremely evil and works with the child murdering Jesuits and is involved in defilement of people. David Seaman is another very evil shill and false opposition against human traffickers and pedophiles. The whole Q Anon movement is being pushed by paid liars like Isaac Green, Justinformed Talk, Dustin Nemos, and James Munder. They are gatekeepers that won't speak on higher level criminals and they mix truth with lies. These people promoting Donald Trump all the time are paid PayPal/Patreon shills working for a fascist and murderous takeover agenda. They disregard all facts and falsely accuse anyone who is against Donald Trump of being a liberal, communist, or fascist. They are so blatantly false they have transformed the opposition against the NWO into a right wing neo fascist cult in front of everyone. They are all completely absurd. They often censor out comments and their channels are dominated by organized and paid commenters that are there to maintain the controlled narrative of the channel. I get attacked all the time by commenters on these channels just for posting my articles. They are even worse and way more violent and destructive than the mainstream media. I get attacked by these people just for posting my articles on their channels because the info I put out that they won't talk about discredits them. Every single one of these shills I have named has attacked me. The most blatant proof that they are frauds is their excessive omission of facts and their constant distractions and fear mongering. Lisa Haven is a crazy fear mongerer. There are the Christian shills that hide behind religion while they pretend to be against the New World Order. Most of these alternative media channels have PayPal and Patreon accounts and they ask for money. They also receive payments disguised as donations through PayPal and Patreon for being controlled opposition, spreading disinformation, and assisting cyber stalkers and the NSA in identifying opposition. This is entirely criminal. Paying propagandists is what the Nazis did before they took over Germany. Many of these agents running alternative media channels are also running online gang stalking cults or even gang stalking cults in society. The most evil Christian shills I have come across are A Call For An Uprising, Richie From Boston, Gonz from A Face Like the Sun, and Shaking My Head Productions. These Christian shills are really Sun worshiping Luciferians and involved in gang stalking, human trafficking, pedophilia, blood drinking, and cannibalism. A man named Erik Alexander Hofemeister is advising most of these online Christian shills and especially advising A Call For An Uprising and A Face Like the Sun. Erik Alexander Hofemeister is a commander of a national cult of gang stalkers and he is a psychotic liar and murderous human flesh trafficker. Paul Begley is another extremely evil agent who is a Christian pastor hiding behind religion. Paul Begley is dangerous, psychotic, and evil. They are not what they claim to be at all. Similar to these Christian shills is the New Age shill Paul Romano or Pockets of the Future and he is very sinister despite his seemingly gentle personality. ReallyGraceful is a shill and not to be trusted. Jason A is a well paid fear mongerer and religious brainwasher. Titus Frost is another evil shill and gang stalker whose motivations appear to be envy and greed.

The most evil online agent I have come across is AplaneTruth whose real name is Joe Morgan. Joe Morgan has used my information without my consent as a fishing net to catch people searching out this info and is relentlessly trying to undermine the information I have put out. I don't care if people share my info as long as they don't claim credit for my word and don't use it for an evil agenda. Benjamin Fulford is a lying shill who has attempted to steal claim to my articles. Illuminati agents have also tried to steal credit for my writings. Joe Morgan is also attempting to mix my info with his disinformation campaign like claiming the Earth is flat which it is not and claiming things like wildfires caused by arsonists are caused by directed energy weapons. A Nazi named Tom Rubendall is the one behind many of the wildfires in the West Coast and after I exposed him Joe Morgan claimed they were caused by Directed Energy Weapons to distract from this Nazi arsonist. Joe Morgan also takes my information out of context and blurs his narrative with my articles. Joe Morgan has claimed Jesuits run everything and has falsely accused me of being a Zionist because of my name Izreal Zeus. I have exposed and named many more

Zionists than Nazi shills like David Duke, Brother Nathaniel, and ZionistWatch who claim Jews run everything. I have named Jewish criminal families that few if any talk about like the Guggenheim, Sackler, Dreyfus, Javal, Montagu, and other Jewish criminals never talked about like Daniel Gilbert, Micky Arison, Robert Kraft, and Baron Cyril de Rothschild-Goldschmidt. I don't discriminate. I expose all criminals in every group and put them in their place within the New World Order structure. When Joe Morgan made his first video using my info he accused me of being "10% Cointelpro" because I said that the Earth is not flat. Joe Morgan is working with the Jesuits and the Black Monks and Joe Morgan serves Joe Ratzinger who took the name Benedict as Pope to honor the Black Monks also called the Benedictine Monks. Joe Morgan is involved in a national gang stalking cult. After I originally exposed Joe Morgan on my first website on Wix which was shut down by Zionists I had gang stalkers in my local community targeting me. Joe or AplaneTruth uses a sunflower for his avatar. I had cars harassing me on the road with sunflowers hanging from their mirrors. Joe Morgan claims the Earth is flat which is a common lie spread by Jesuit agents. You can travel in a straight line either East or West and get to the same location on the Earth which is only possible on a spherical Earth. You can see the Earth's curvature along the oceans horizon as well. Why has Joe Morgan done all this? Because Joe Morgan is a child murdering pedophile and cannibal like his zealous boss Joseph Ratzinger. Another one using my info without consent is the one called Cobra and he too works for Joseph Ratzinger and the Wittelsbach family. His name is Cobra. Snakes are associated with evil and Cobra and his agents are attempting to mix my info with their New Age cult. These paid liars are a major interference for real people exposing or researching the New World Order. Exposing these shills does not mean that I disagree with everything that they say however the good information some of them put out does not outweigh their gatekeeping, lies, and paid propaganda. Many of them are also violent gang stalkers and members of the New World Order. After writing this up I am being slandered and falsely accused non stop.

Global Bank of Lies

The nation of Liechtenstein is ruled by the Royal House of Liechtenstein and they own the private banking group called LGT Group or Liechtenstein Global Trust with Prince Maximilian of Liechtenstein as the CEO and President. Prince Philipp of Liechtenstein is a board member for LGT and previously worked for Banque Rothschild in Paris. The Liechtenstein royal family owns the bank through Prince of Liechtenstein Foundation. In 2008 this bank was investigated for enabling tax evasion by various governments. Prince Mario Chigi of Rome was investigated for tax evasion involving millions and using private banks in Liechtenstein. LGT provides private banking, asset management, and Venture Philanthropy which is used for financing criminals that use fake start up companies. LGT is an international bank with branches in Switzerland where banking is also private. The Liechtenstein family are closely allied with the House of Habsburg which authorized the principality of Liechtenstein. The royal family also hold the title of Counts of Rietberg in Germany. The family owns about a dozen palaces. They are extremely wealthy, involved in private international banking, and run their own nation as a constitutional monarchy. The monarch has the power to veto laws and issue laws including the constitution. The family has married in with various Holy Roman royalty and nobility including the Habsburg, Esterhazy, Thun-Hohenstein, Harrach, Oettingen-Spielberg, Lobkowitz, Nassau-Weilburg, and Wittelsbach families. The Wettin coat of arms is also on the House of Liechtenstein's coat of arms suggesting a Wettin or Saxe origin.

The House of Liechtenstein specialize in financing liars. The word government refers to control mind and spreading lies is one way they control society. They are a major bank roll for shills. They spread Nazi propaganda, they spread malicious lies and slander about people who expose them or their allies, and spread lies like fake news stories to deflect away from them. They are sadistic and ruthless liars and involved with pedophilia and human sacrifice. The majority of the royal and noble bloodlines are involved with human trafficking, pedophilia, and human sacrifice. This is why they want to control everything and why they use ruthless, murderous, and torturous methods to obtain control. Prince Maximilian of Liechtenstein is the CEO of LGT and he began his banking career working for Chase Capital Partners in New York City. The royal and noble families seem like they have free access in the

United States as if they are dual citizens. Hundreds of European princes have residences, businesses, and employment in the United States. They often make banking and business connections in the United States so they can more easily finance and direct the criminal takeover agenda being attempted by the European royalty and nobility. The House of Liechtenstein is Roman Catholic and they are subordinate to the Roman Catholic House of Habsburg which they are frequently knighted under.

Prince Hans Adam II is the head of state and head of the family with his son Prince Alois next in line to the throne. Prince Alois is also a Roman Knight of Malta. The American billionaire David Lichtenstein is a covert relative of this family and an agent for them in the United States. David Lichtenstein owns The Lightstone Group based in New York which is a real estate investment company involved in residential, commercial, industrial, and hotel properties. David Lichtenstein owns tens of thousands of people's homes in the United States. That is corporate feudalism. David Lichtenstein is a board member for the New York City's Economic Development Corporation and he is also a member of the Brookings Institution an economic think tank in Washington DC. Members of the House of Liechtenstein include Prince Hans-Adam II of Liechtenstein, Princess Marie of Liechtenstein, Prince Nikolaus of Liechtenstein, Princess Margaretha of Liechtenstein, Princess Nora of Liechtenstein, Prince Philip Erasmus of Liechtenstein, Prince Wenzeslaus of Liechtenstein, Prince Rudolf Ferdinand of Liechtenstein, Prince Alexander Wilhelm Hans Adam of Liechtenstein, Prince Maximilian of Liechtenstein, Princess Angela of Liechtenstein, Prince Alois of Liechtenstein, Prince Constantin of Liechtenstein, Princess Tatjana of Liechtenstein, Princess Sophie of Liechtenstein, Prince Joseph Wenzel of Liechtenstein.

The House of di Adda originated in Milan and merged family lines with the Borromeo and Brandolini families and also ruled as Counts of the Holy Roman Empire. The Brandolini di Adda family is extremely evil and murderous. The Brandolinis are a related branch of the Aldobrandini family of Florence and Rome. Olimpia Aldobrandini is married to the French Baron David Rene de Rothschild and he is the Chairman of N M Rothschild & Sons and Rothschild Continuation Holdings with his son Baron Alexandre Guy Francesco de Rothschild as a top executive. Count Guido Brandolini works for the Rothschild Asset Management division and also worked for Chrysler Group. Chrysler Group is a subsidiary of Fiat which was founded and is partly owned by the Agnelli family. Countess Cristiana Brandolini di Adda's father was Edoardo Agnelli. Countess Marie Brandolini di Adda was the daughter of the French Baroness Beatrice de Rothschild and Marie married into the Brandolini di Adda family of Venice with Count Brandino II as her son.

The French Rothschild family are employed as Court Factors for the Roman Curia and act as middle men money handlers for Black Nobility like the Aldobrandini family. The Black Nobility funnel their profits from organized crime through Rothschild banking firms which are used for making criminal pay offs, bribes, and various forms of criminal financing usually disguised as loans. The Rothschilds are titled the "guardians of the papal treasure." Cornelius Brandi is the Executive Chairman of CMS an international tax law firm located in Switzerland and he is a German-Swiss relative of the Brandolini family. Albrecht Brandi was a German Nazi U-boat commander. Albrecht's father Ernst Brandi was a Nazi businessman and member of the Nazi's Secret Meeting of February, 20 1933. Cornelius Brandi advises criminal bankers on loopholes, evading taxation, and concealing criminal pay offs. Cornelius Brandi is friends with Antonio Purini the former Italian ambassador to Germany. Antonio Purini is friends with Prince Camillo Aldobrandini the uncle of Princess Olimpia Aldobrandini-Rothschild. The Brandolinis and di Adda families are of the noble rank of counts. Counts are accountants and they manage wealth, assets, and investments for royalty and sovereign princes. The name Adda is like the word adder which is a name for a viper. Snakes are considered calculating. Bankers are calculating.

Goldsmith Crime Syndicate

The Goldsmiths are a powerful banking dynasty that established Bischoffsheim Goldschmidt & Cie Bank and it merged with Banque de Paris et des Pays-Bas French which later became BNP Paribas a French based banking group. BNP Paribas has nearly 2 trillion in assets. Benedict Hayum Salomon Goldschmidt was the banker for the Grand Duke of Tuscany during the Habsburg's reign. The Goldsmiths are still working for the House of Habsburg as well as the House of Windsor and House of Bourbon. The billionaire James Goldsmith was married to the Bolivian-Spanish Dona Maria Isabel Patino and Bourbon and their daughter is Isabel Goldsmith. James Goldsmith married again to the Italian-French-Spanish Countess Beatriz of Rovasenda and Rivera-Digeon. The Goldsmith family have frequently married in with the Rothschild and Bischoffsheim banking families. Carole Middleton the mother in law of Prince William is a Goldsmith. Frank Zac Goldsmith is currently married to a Alice Miranda Rothschild and works as a journalist and member of parliament. He is believed to be worth hundreds of millions however its net worth is likely much higher. Benjamin Goldsmith is a investment banker and the co-owner of WHEB Ventures and Menhaden Capital. Ben Goldsmith was married to Kate Emma Rothschild. Ben, Frank, and Jemima are also from the Stewart family through their mother Lady Annabel Goldsmith born as Vane-Tempest-Stewart and their half brother is Robin Birley. The Goldsmiths cousins are Frederick Aubrey Vane-Tempest-Stewart the 10th Marquess of Londonderry and his brother Reginald Alexander Vane-Tempest-Stewart. The Goldsmiths are married with the Bourbons, Stewarts, Rothschilds, and Middletons. Much of the Goldsmiths wealth is hidden in assets, gold, and stocks. Baron Cyril Rudolf Alfred Maximilien von Goldschmidt-Rothschild is a current German member of this wicked family along with his children James von Goldschmidt-Rothschild and Alexis von Goldschmidt-Rothschild and they serve the House of Hohenzollern which established the Goldschmidt-Rothschilds titles of nobility. The Goldsmith family are overseers in the City of London's Worshipful Company of Goldsmiths. Goldsmiths work with precious metals and forge various items including silver and gold coins for currency. The family originated out of Frankfurt, Germany and were likely goldsmiths for the Holy Roman royalty. I believe they have covertly married in with the Borgia family as well after moving to France where the Borgia family were dukes. The Harache family were powerful goldsmiths and a banking dynasty in London with origins in France. A known member of this family is Philippe Harache of France and he was deputy CEO of Eurocopter. The name Harache means to harass and this hidden and still existing family are the top overseers of the Company of Goldsmiths in London. The Harache family did business with another goldsmithing family called the Hoare family and they own C. Hoare & Company which is currently headed up by Alexander S. Hoare. Alexander Hoare is an Associate of the Chartered Institute of Bankers in London as well. Baron David Hoare is the head of this family and also a banker and member of the board of directors for C. Hoare & Company. His son is Simon Hoare. Simon Hoare is

a British politician today. Charles Antony Richard Hoare is a British computer scientist today and from this family. Judith Cobham-Lowe is the head of the Company of Goldsmiths as Prime Warden and she is advised by the Goldsmith, Harache, and Hoare families. Michael Prideaux and Richard Fox are top wardens of the Company of Goldsmiths. Goldsmiths is also the name of a luxury jewelry store in the United Kingdom. James Goldsmith had a large amount of shares in Newmont Mining Corporation which is involved in gold mining, Canada which is a realm of the UK's commonwealths and under the authority of the British Crown has many major gold mining companies like Goldcorp, Barrick Gold, Kinross Gold, and Agnico Eagle Mines Limited. Robert Buchan founded Kinross Gold and was educated at Queen's University and Heriot-Watt University which are colleges both established through royal charters issued by the British Crown.

The Goldsmith family are also part owners and investors in the British Crime Firms. Mark Shand who died in 2014 was the husband of the French actress Clio Goldsmith and Mark Shand was also the brother of Camilla the Duchess of Cornwall. Jemima Goldsmith is a journalist and she was married to the Pakistani Imran Khan who is a covert agent of Pakistani Mafias operating in the United Kingdom. There are several Indian and Pakistani gangs in the United Kingdom and London. The Rochdale child sex abuse ring was ran by British-Pakistani men who trafficked underage British white girls. 47 girls were identified as victims of this human trafficking ring. Rotherham child sexual exploitation scandal is another ongoing child sex trafficking ring run by British-Pakistani men and has been going on for decades. Frank Zac Goldsmith demanded an inquiry into child sex abuse in the United Kingdom. The reason he wanted information on this was to provide intelligence for these human trafficking rings. The reason child sex abuse and human trafficking is occurring is because of corrupt politicians like Frank Zac Goldsmith which enable these crimes. I believe Curtis Warren is a criminal agent of the Goldsmith family. Curtis Warren and Brian Charrington ran a large scale drug trafficking operation by traveling to France on Charrington's yacht and then to South America. The Goldsmith family had residences in France and connections to Bolivia through James Goldsmith's ex wife. James Goldsmith was an international businessman with close ties with Spain, Mexico, and South America. Frank Zac Goldsmith and Benjamin Goldsmith are also involved in financing and actively commanding online gang stalking groups. They finance and direct their agents to stalk, harass, slander, and falsely accuse people exposing criminals and corruption. The Goldsmith family is extremely evil.

Leadership of the Global Mafia (What They're Scheming)

The Russian terrorist attack at the theater on 3/22 was a sacrifice to the Cult of Ares with Prince Harry being a primary leader of this cult along with the red haired Massimo di Roccasuccas of London. 3/22 is the beginning of the Aries Zodiac and during the Aries Zodiac is when Red Planet or Mars worshipping warlike occultists orchestrate violent attacks like OKC bombing, Columbine massacre, Waco massacre, Belgian bombings, London bombings, Boston bombings, BP oil explosion etc. The Cult of Ares are obsessed with fire and blood. There is a Campus Martius or Field of Mars in Russia. The CIA and MI6 or SIS created ISIS as they also created Al Qaeda and the Mujihadeen.

The Aldobrandinis and Rothschilds are overseeing Israel and the Pallavacinis are overseeing Hamas Hezbollah and Iran. These conflicts are for mass human sacrifice and positioning for a larger war for depopulation and more human sacrifices by this occultic death cult of parasites. The Zionists just murdered more children as a human sacrifice the other day. The US government is stealing American tax dollars to give to Zionists so they can murder children.

The Sovereign Military Order of Malta along with the Society of Jesus or Jesuits are designing all these wars and conflicts in service to the Nero Aristocrazia like the red haired Prince Carlo Massimo whose been the President of the Italian Knights of Malta and also their aristocratic associates mostly in Europe and the Middle East.

And also Trump is currently being backed by Luciferian Scottish Rite Freemasons along with the mafia and Jesuits.

The US government is enabling and allowing Chinese hackers to attack America. The British and Scottish bankers along with their Singapore Sassoon bankers run the biggest Chinese banks. The Red Dragon idolized in China is the Red Dragon of Wales. China is a great threat and there are videos of the Chinese government training small children to hate and murder Americans. The Chinese communists are in Mexico and working with the Mexican Cartels which are being protected by the Jesuit and Masonic run CIA. The British flooded China with opium as an attempt to seize control. Today they are flooding America with fentanyl. The CIA, MI6, and US and British armed forces did this with Afghani opium processed into pharma drugs and heroin for decades until fentanyl was developed and mass produced and then they withdrew from Afghanistan.

The current political plot is this; If Trump is elected he will carry out a genocide on anyone who does not submit to him. Its clear that Trumps Christo-Luciferian handlers are plotting a genocide. Trump is a useful idiot and a malignant narcissist who wants to become a dictator. If Trump is elected America will

become like Russia. **Trump will most likely not be elected** and their next plot in response is to instigate a violent revolt as an excuse to carry out martial law and mass gun confiscation. Its Problem Reaction Solution. If Democrats accomplish their plot of instigating a revolt America will become like Mexico. Do not let Trump become president. Do not revolt. Get armed and prepared. Be discreet. Spread this information. Push real conscious opposition against this false political duality. You can agree with a Democrat or Republican on a specific matter without being part of these insane cults. Dominate public opinion with natural opposition to this false duality. The next move they are plotting is a world war for the purpose of depopulation. All of the major worlds leaders are in on it. Kim Jong Un is a Swiss educated Freemason serving the House of Savoy. The biggest Chinese banks are owned by the British. The US government is infiltrated by Freemasons and Jesuits. Russian Chinese and Mexican governments are also real threats and working towards destabilizing America. There are evil competing factions creating illusions of division but the goal is world domination. Theres no real reason for there to be a world war. The SMOM are the architects of war. Do not let the media normalize world war. Do not let the media dictate public opinion. There do appear to be some good people in positions of power who are aware of these things and opposed to it. The Nero Aristocrazia and Holy Roman aristocrats are manipulating all this. They have created a web that bridges to evil all around the world and use whatever they can to weaken humanity. America is a stronghold they want to break for its ideals of freedom.

LEADERSHIP OF THE GLOBAL MAFIA

These international criminals and royal and noble crime bloodlines are threatening society with more fake epidemics, weaponized forced vaccinations, wars based on lies, civil war, world war, martial law, and genocides. Don Fabrizio Massimo Brancaccio is the primary owner of the Sicilian Mafia through the Graviano mafia clan of hitmen located in Brancaccio area of Palermo, Sicily ruled by Don Fabrizio's relatives the Brancaccios who merged with the Roman Massimos. The Venetian judge Carlo Mastelloni, for example, in an investigation of international arms trafficking collected documents showing that Vittorio Emanuele, together with Count Corrado, was not only concerned with regular merchandise to be placed in Persia, but also with forbidden triangulations from embargoes: hundreds of Agusta 205 and Agusta 206 helicopters, weapon systems and spare parts departed from Italy officially destined for the Shah's Iran, but ended up in Jordan or the PLO; addressed to Malaysia and Singapore, they arrived instead in Taiwan or in South Africa of apartheid. There are two strains of the Afghan royal family that have chosen Italy as a refuge in two different waves.

The first to arrive in Rome was, in 1929, King Amanullah, son of Abibullah, also called the "great reformer", who was deposed by a revolt of the mullahs. The ruler of a dynasty that became hereditary since 1747 (Afghanistan was proclaimed English Protectorate in 1879), to which the kingdom was torn by a "water seller", took refuge first in India and then in our country where he was welcomed with great honors from the Savoy. Amanullah had a beautiful wife named Soraya, three very charming daughters, including India, who lives in Rome, Malhia and Najia, both of whom live in Turkey. Of the king's sons, Enajatullah died, Ramtullah lives in Rome and Essanullah in Switzerland. Among the other relatives who fled with him, the young prince Abdullah Hassan, son of Mohammed Hassan and the sister of King Nur el Suraja (Rasja) among the founders of the mosque in Rome.

Sadistic Shills

This disgusting mentally challenged wart faced child murdering monster, braindead liar, and false accuser named David Icke is on the attack and using foul odors and defilement because he is an envious piece of trash. David Icke is a well documented shill who claims Queen Elizabeth II is a "40 foot shape shifting lizard" on video and Icke says the moon is an alien spaceship and the world is a holographic matrix all based on the Hollywood movie The Matrix and nothing is real therefore evil is not real based on his false logic. That is all that needs to be said to prove he is an evil shill and a moron. Or you can look at that wart faced demon and see the demonic look on his face which is discernment. Icke is a joke and a shill for child murdering cannibals like himself. David Icke is currently working under the Tavistock Institute, the Oddfellow Order and most of all David Icke is serving Prince Stefano Massimo. David Icke is directly involved with burning children alive because he is a member of Prince Stefano Massimo di Roccaseccas cult who burn children alive.

Richie from Boston is actively on the attack with an army of Moorish shills like Joseph Morgan or Aplanetruth, Zachary Hubbard, Benjamin Liashenko or RussianVids, and James Munder as well as the Moorish gang stalkers Tyler Mullen, Miles Hall, and Jacob Ballard. The majority of these Moors are Christo-Luciferians as well as cannibals and blood drinkers. They are also directly involved with burning children alive and they worship satanic witches. Richie goes to the desert and sacrifices children with a satanic cult. and Richie from Boston, Joe Morgan, and Benjamin Liashenko are also demented flat

brained flat earthers that manage violent faggot cults.

SHILLS

Below is a list of shills and they all make money pretending to expose the NWO. The term shill derives from schillings a former European currency. They are all also murderous gang stalking commanders and psychotic egomaniacs who go into narcissistic rages when they are exposed for not exposing real criminals. They use covert tactics to viciously attack me just for posting articles on their channels because exposing what they won't makes them look like liars because it proves they omit the truth. They are blasphemers who make up insane lies attempting to steal credit from others who actually expose the NWO. Most of them get intoxicated off human blood. They are really murderous and ruthless and that is why they do what they do. Steven Crowder is a major gang stalking commander and he is completely murderous and psychotic and his business is making money promoting Conservatism while pretending to be righteous and against evil. The shills on YT are all propped up by YT which is how they get so much attention. It is rigged. They also rig their view counts and pay commenters to promote them because it distracts away from the real people who expose the NWO. None of these shills or alt media agents expose the hundreds of high level criminals running the NWO. They all claim to be against corruption and evil though. They do not expose the leadership of the NWO. None of these shills expose organized crime or the mafia. They neglect thousands of important facts. That is the proof they are 100% shills and liars. Adam Green from Know More News only blames Zionists yet he barely names any high level Zionists. In one of my articles I name dozens of top Zionists he never mentions. He finally named Ronald Lauder after I called him out for it. The other day I heavily exposed Unit 8200 in my article on the Luxembourg royals and the very next day one of his guests made a vague reference to them. That is the first time I have ever heard an anti-Zionist mention Unit 8200. The shills that only blame Zionism are all the same. They repeat the same stuff and lies. They never name most of the high level Zionists, they are some of the

biggest liars in the shill spectrum, and they never name any other criminals and if they do they claim they are crypto Jews or agents of Jews while totally ignoring the European royalty and nobility. They also never name non Jewish billionaires. They say things like the Jews run all the media. The Hearst and Disney families are not Jewish and both of them are major media owners. The Hearsts are worth 30 billion. The Murdochs are also not Jewish and own Fox News and worth about 20 billion. The Thomson family own Reuters and are non Jewish British nobles that are worth tens of billions. These shills make up absurd claims like the Rothschilds own Reuters. They don't but the Thomson family do and they are nobles under the British Crown just like the Rothschilds are. The Rothschilds are also married with Italian Roman Catholic nobles like the Aldobrandinis and Brandolinis. Few ever mention that. There are many Zionist criminals however they are not the only criminals and Zionists are not at the top. They work for the top. These shills all constantly lie and these alternative media shills are as bad or sometimes worse than the mainstream media. Paul Romano is a ruthless pedophile and New Age shill who works for David Mayer de Rothschild and they are both insane and blasphemous. David Icke is another one who mostly focuses on Zionists as well as reptilian aliens which do not exist. This is how absurd they all are. David Icke is one of the most disgusting and blasphemous fiends on the planet and he stinks like a rotting swamp. David Icke is a pedophile and a pathetic joke.

These shills support and promote things like political parties, politicians, and organized religion. Many of them also make up absurd lies like flat earth, aliens, and interdimensional shapeshifting reptilians as David Icke does. The few that name a some high level criminals or talk about topics like the Black Nobility as Craig Oxley does lie constantly. Oxley made up the non existent Pepe Orsini while not naming actual members of the Orsinis and not naming basically 90% of top families of the Black Nobility and he also wont mention any of the royals and nobles of Germany. Oxley also tells people to drink urine and he is insanely blasphemous and stalks me constantly through his connections with MI6 and the Tavistock Institute. Craig Oxley says "promote the Prometheans" and there is a statue of Prometheus at Rockefeller Plaza. The Rockefellers financed the Tavistock Institute which are a psychological terrorist organization and part of British intelligence. Tavistock works with most of these shills as well as gang stalkers. ReallyGraceful is another insane blasphemer who gang stalks men to death for cannibalism and uses her pathetic lying channel as her bait. She also talks like a robot and whenever I am updating my articles with sources she electronically attacks me. Somehow she always knows when I am doing this and that is because she is a criminal working with criminal hackers like all shills do. She works for the Swedish Bernadottes who work closely with the Wittelsbachs which have a portion of command over DARPA. Luke Rudowski makes daily videos talking about the same thing day after day and never exposes the mafia or actual child traffickers, or mentions murderers and contract killers or any of the royals and nobles. Luke Rudowski works for the Hohenzollerns and Radziwills and he has a Hermetic symbol for his logo. Hermeticism is the occult. The Medicis run Hermeticism and he will never mention them. Rudowski also had staged interviews with Jacob Rothschild and Kissinger and the only reason he was able to do that is because he is one of them. All of them are Tavistock or DARPA agents. Q Anon is a DARPA program. Justinformed said on May 4, 2020 said "A good friend of mine who used to be a code breaker for the NSA" and that video was him claiming DARPA is targeting Trump supporters which is a blatant response to this article. He admitted to be connected with the NSA which actually works with DARPA. They support Trump. Trump is completely corrupt and directly connected with basically every globalized criminal organization there is including the Black Nobility, Saudis, Zionists and Israel, Jesuits, Cosa Nostra, Order of Malta, the Clintons, Epstein, and the Bushs. Q Anon shills could not be any more ridiculous if they tried. Jordan Sather from Destroying the Illusion talks about childish things like aliens and promotes cannibalism with Fiji water from the "Cannibal Islands" with a demonic smirk and takes trips financed by his schillings to Hawaii where he cannibalizes children. Jordan Sather is a horrible person and there is no question that he is a pedophile and cannibal. He promotes Trump. Trump has been kidnapping children and holding them in concentration camps at former Walmarts. All the Trump supporters claim Trump fights the NWO and fights the child traffickers when Trump is a child trafficker. It is completely absurd. Anonymous is a DARPA program and some of them mimic or try to imitate my articles. Another group who is literally copying my articles is Killuminati. They steal my articles and repost them as if they wrote them and then like thugs viciously target me and then start falsely accusing

me of stealing from them. They are that ruthless and insane. They do this out of envy. They are criminals who are literal street thugs that worship Tupac or Lesane Parish Crooks. Crooks is his real name and his cult followers are violent, arrogant, and stupid crooks. The shills often command trolls that harass, stalk, and slander me on behalf of them or their bosses. Anonymous are ruthless terrorists that track almost everything write and also target people who read my articles. Brian Young from HighImpactFlix is another shill who pretends to be a Libertarian while promoting Conservatism. Brian Young is also an intellectual thief who steals from others to strengthen his propaganda. They all work for the European royals and nobles. Most of them have paypal accounts and are paid through online bank accounts. All of these shills make money which is what makes them shills. Shill refers to schillings the former European currency. That is who they work for. European royals and nobles. They are all blatant liars and sadistic blasphemers who are directly involved with pedophilia, cannibalism, child trafficking, and child murder, and that is why they do what they do. They are all highly organized and work together and when they get exposed they sacrifice children, get intoxicated off the blood of children, and terrorize people.

There are many more. It is tiring having to look up and investigate these shills. They are all the same and they are extremely violent psychopaths. They are all DARPA and Tavistock agents and I know this because they have access to electronic weapons.

INTELLECTUAL THIEVES

List of online agents claiming to be the authors of my articles. The worst one is Lift the Veil from Your Eyes who originally cited my name as the author and has progressively removed my name and is talking credit for all my articles and writings which took hundreds of hours to research and I have been tortured non stop by these criminals. This fiend copies my articles and acts like they are his. It does not get more pathetic and sadistic than that. All they have to do is link where they originally found my article and credit my name. People can repost the information all they want but do not claim to be the author of my writings or I am going to call you out for it and respond with violence. I have psychopaths attacking me constantly claiming ownership of my articles or trolls harassing me constantly falsely accusing me of copying other people writings when I post my articles. I have had numerous websites shut down. I have cyber stalkers tracking my writings and stealing them over the years. How can dozens of different people be the authors of my articles when for one I include my personal experiences in them. My articles are all written in the same format. I include sources for my articles. They are out of their minds to be attempting to claim authorship of my articles. They are violent towards me when they do this too. When enough people start calling them out they go "blasphemy is a weapon" This is how utterly psychotic they are. They admit to it and then months later do it again. They have no honor at all. They have no self respect. They are violent and stupid thugs who think they can use violence to steal from people. If they physically tried to steal from me the way they do with my online writings I would kill them outright. Shoot them dead or cut their throats. They are online cowards. Many of these thieves link my blogs to their sites where they copy my articles. One day they have a link to my blog. The next day they remove it and start claiming it is from them. They put up all my articles and pick and choose which ones they link to my blog. They are inconsistent. I have hundreds of thousands of witnesses to confirm these articles came from me. I had about 600,000 views on my WordPress blog before it was shut down a few years ago and that was with hackers meddling with the view counter. How the hell are they going to try and lie to hundreds of thousands of people. I have at least tens of thousands of people who have read my articles I post on YT for the past 7 years. I was exposing most of this on Infowars going back 10 years ago under the name Zeus until I was blocked after exposing Cliven Bundy. I am going to make this clear. I have never seen anyone expose 95% of the criminals I expose until after I exposed them and most of the time its them copying my articles word for word. When I write something or an article online which is then removed like my last three websites from the past three years I have thieves stealing my articles and writings as their own and then when I rewrite the information or repost these articles I get falsely accused of copying them when they are copying me. That is how blasphemous and evil they are. Kobra and his New Age cult group constantly repost my articles and they use them as bait. They are also trying to incorporate me with them by doing this. Kobra and that New Age cult work for the House of Wittelsbach. It is pure evil. There are several more not on this list. There are new ones that pop up every day doing this. Basically anyone reposting my articles on their sites is a shill. Why not just post a link to my articles. They know what they are doing. All they have to do is credit me as the author yet they don't do it because they are malicious. They are all thuggish fiends.

<http://ltvfye.blogspot.com/>

Lift The Veil From Your Eyes This fiendish devil has been posting my articles as his own and originally he linked to my name and blog including my blog from 2016-2017 called Return of Zeus and Zeusian Revelations from Wix. Then he copied my articles from my WordPress which was another blog that these criminals shut down. Then I had a Weebly blog which he and many others also copied. There is absolutely no point to doing this other than for malicious reasons. This poser uses my information as bait and has an army of gang stalkers targeting readers.

<https://mirrorsoftruth1.blogspot.com/2019/01/cabala-cult-of-leon.html>

Mirrors of Truth who mirrors my articles is not crediting me as the author of my articles which he reposts. The gang stalker and serial killer Seth Rozman works with this shill.

<https://unicorn144.wordpress.com/tag/prince-roffredo-gaetani/>

Unicorn144 is quoting me in numerous parts of this article and probably in other articles while not mentioning me as the author or source of their quotes and mixing it with other info including false information. The witch and gang stalker Alison McCarthy-Senatro works with this thieving shill.

<https://nuevodesordenmundial.com/?p=8850>

Nuevodesordenmundial is reposting my articles and claiming they are written by him. I have seen my name mentioned in one of my articles he reposted. Others he claims to be the author.

<https://www.facebook.com/Killuminatisoldiers3/photos/caetani-or-gaetani-family-gambino-mafia-and-donald-trumpthe-gaetani-dellaquila-d/1292871527478402/>

The Killuminati cult members constantly steal my articles and claim them as their own. This is the most evil and thieving group of them all. When I still had a Facebook page they would steal my articles and repost them on their accounts all the time. They are still stealing my articles and claiming them as their own. While on Facebook they would collect all my writings and repost them and then they flagged my account until I was kicked off Facebook. They are ruthless thieves and work for Lesane Parish Crooks who faked his death and has been hiding out in Cuba. Killuminati is the most violent group of plagiarists. They are stupid and thuggish fiends.

<http://wetheonepeople.com/orsini-rosenberg-alchemical-mafia-disclosure/>

We The One People is trying to claim authorship of my articles. He literally claims to be the author of my articles. Often after I expose them they remove their names as authors or later add my name to them. This is all completely absurd and is done to try and discredit me. This is not what I want to focus on however they are causing enough problems to where they need to be dealt with. It is only evil people who would do this.

<https://eraoflight.com/2019/07/15/the-house-of-odescalchi-is-the-top-bloodline-of-the-black-nobility/>

This person stole my article and again didn't credit me as the author and researcher.

<https://coldcast.org/posts/13997>

Here is another one who stole my article and is claiming authorship of my published writings

<https://m.facebook.com/groups/173522613059560/posts/307593819652438/>

This Dawn Johnson stole my writings posing them as her own.

<https://m.facebook.com/groups/173522613059560/posts/307593819652438/>

It's a very simple concept. Share my articles and writings as much as possible but do not claim authorship of my research articles.

Example: Lift the Veil From Your Eyes stole a large section of my published writings and then mixed it with some disinfo. All of this below is from my research articles from my Wix blog from 2016-2017 which was shut down. In the link he added some other info below it claiming Black Nobility are Venetian which is not really accurate. No where did he credit me as the author and Lift The Veil From Your Eyes,

Aplanetrueth, and Tabublog have been together gang stalking me, stealing my articles and slandering me. They are vicious.

<https://testrun1717679555.wordpress.com/2018/03/14/the-black-nobility>

House of Temple Mount

This robotic raging imitator of "tail bot beneath the port" is working non stop towards trying to destroy humanity. This satanic cult leader manages countless sexual sadists.

The Spencer bloodline is an extremely evil British nobility with influences in government, media, and military and they are loyal to the House of Habsburg and House of Savoy. The Spencer-Churchills run Serco. Various members of this family have been Knights of the Order of the Garter including John Churchill the 1st Duke of Marlborough. They are extremely self righteous and specialize in mimicry and blood drunken arrogance. They originate from the Despencer family and Hugh le Despencer the 1st Baron of Despencer who held the position of Justiciar of England which is similar to the modern position of a prime minister. The Despencer family held high level positions in the English government. Winston Spencer-Churchill was a well known Prime Minister of the UK. Winston Churchill's grandfather was Leonard Jerome an American financier and friend and business associate of the wealthy Vanderbilt family. Consuelo Vanderbilt was married to Charles Richard Spencer-Churchill the 9th Duke of Marlborough. Anderson Cooper is a two time CIA intern and member of the Vanderbilt family. Anderson Cooper runs propaganda for CNN. The actor Timothy Olyphant is a Vanderbilt and a blood drinking psycho. The Whitney family are an American business clan originally from London and they married with the Vanderbilts. The Whitneys and Vanderbilts oversee York Rite Freemasonry in the United States. Jeffrey Rothschild is a unofficial relative of the Rothschild banking family however he works for the Vanderbilts and Spencers through his education at Vanderbilt University. Jeff Rothschild is worth over 3 billion and was a high level executive at Facebook. Ross Perot Jr. is worth 2 billion and was also educated at Vanderbilt University. The Pease family are also married with the Vanderbilts and they are British bankers with Richard Pease the head of Crux Asset Management. His father Baron Richard Pease was Chairman of Yorkshire Bank and Vice-Chairman of Barclays. The Vanderbilts also married with the Cecil family with George Henry Vanderbilt-Cecil and his ancestor was Chief Advisor to Queen Elizabeth I in the 17th century. Princess Diana of Wales was a Spencer so Prince William is closely related to this family. Charles Spencer the 9th Earl Spencer is a high level member of this family along with his wicked son Louis Frederick Spencer the Viscount of Althorp and daughter Kitty Spencer. Louis Spencer is a member of the Order of Bath and involved in bathing the human blood. Charles Spencer is involved with the mainstream media and worked for NBC. Randolph Churchill was a politician and journalist. The Spencer family are connected with the Freud and Murdoch families which run News Corp. and Freud

Communications which is a marketing and public relations firm. Matthew Freud was married to Charles Spencer's ex wife and remarried Rupert Murdoch's daughter at the Spencer's Blenheim Palace. Emma Freud is a Dame of the British Empire and works in radio and television. Matthew Freud's ancestors are Sigmund Freud the brainwasher and fraudulent psychoanalyst as well as the propagandist Edward Bernays. Jordan Peterson is an agent for the Freud family and works as a brainwasher and architect for psychological warfare. Jordan Peterson basically blames the victims of govern-mental psychological warfare, gang stalking, and emotional abuse. Jordan Peterson is a ruthless devil that cannibalizes human brains. Cannibalism is a top initiation in secret societies.

James Spencer-Churchill the 12th Duke of Marlborough is the head of the House of Spencer along with his son George Spencer-Churchill the Marquess of Blandford. They own the very large Blenheim Palace. Lady Henrietta Spencer-Churchill is married to Nathan Gelber the CEO of Stamford Associates which is an investment advisory company. The half brother of James Spencer-Churchill is Edward Spencer-Churchill and he is a business associate of Prince Valerio Massimo and they founded the aerospace company Auctus Industries and SCM Capital Partners. Edward Spencer-Churchill and Prince Valerio Massimo are extremely sadistic. The knight of the British Empire Rupert Soames is the CEO of Serco and a grandson of Winston Churchill. Serco is a company that privatizes governments and runs health care systems, prisons, military agencies, information services, and transportation for governments. Serco Marine Services is in contract with Denholm Group and they are international human traffickers which have an operation at Neath Port Talbot which uses two red dragons for its flag like the Spencer coat of arms. They are making human sacrifices to a con artist and criminal that is falsely calling himself "Zeus Ombrios" and he lives in Neath Port Talbot. If this ruthless con artist was to call himself anything in reference to Greek Mythology it should be Eurymedon. The child murdering cannibal Taylor Swift worships him and she uses snake symbols and has images of herself holding an apple and this refers to the forbidden fruit which is human flesh. The Spencer family have shares in Serco. Nicholas Soames is also a relative of Winston Churchill and was the Shadow Secretary of State for Defence. Nicholas Soames is currently chairman of the private military group Aegis Defence Services. Aegis has set up criminal operations in Syria. There are towns all over the United Kingdom and its commonwealths that are named Churchill. Charles Spencer's ex wife Karen Spencer established Whole Child International which is involved with orphanages around the world and has been financed by the Clinton Foundation. The royal and noble families are known for their involvement in trafficking children. They use fake charities as fronts. Various members of the Spencer-Churchill family have been involved with military. They founded The Churchill Machine Tool Company which then established Matrix Churchill a precision machining company that was given to the Iraqis which used the company to machine parts for artillery and rockets. The Spencer's agent created Marks & Spencer retail and Marks & Spencer bank which was sold to HSBC. Marks & Spencer through Swiss HSBC bank divisions is used for money laundering by the House of Spencer-Churchill. Henry Engelhardt is an agent of the Spencer-Churchills and a US billionaire that co-founded the UK based Churchill Insurance. Engel-hardt refers to his family's origins in England.

Winston Churchill was a Knight of the Order of the Garter which is really a continuation of the Knights Templar of London reestablished under a new name a few decades after they were disbanded. The Order of the Garter and Knights Templar both use the red cross of Saint George. The Knights Templar were Christian Crusaders that fought to conquer over Jerusalem. They were also bankers and merchants. The name Church Hill has the same meaning as Temple Mount. Temple Mount is a religious site in Jerusalem and where King Solomon built the first temple. King Solomon was considered to be a sorcerer who used "demons" to build his temple. The Knights Templar or Poor Fellow-Soldiers of Christ and the Temple of Solomon took their name from the ruins of Solomon's Temple during the Crusades. Freemasonry is partly based on the Knights Templar and the Freemasons and other similar groups use sorcery or witchcraft to mind control people into doing their bidding like building temples. Winston Churchill was a Freemason and member of the Studholme Lodge No. 1591. The Spencer-Churchills are a high authority over York Rite Freemasonry. Winston Churchill's grandfather John Spencer-Churchill the 7th Duke of Marlborough was a member of the Apollo University Lodge located at the University of Oxford. George Spencer was another member of this lodge. Winston Churchill was Secretary of State for the Colonies during the

British Mandate for Palestine which is when many Zionists under contract with the British Crown migrated into Israel. This was supported by the Balfour Declaration issued by the Knight of the Order of the Garter and former Prime Minister of the United Kingdom Arthur Balfour who was a political associate of Lord Randolph Churchill the father of Winston Churchill. Andrew Parker is Director General of MI5 and was educated at Churchill College. The Spencer family have been using Aegis Defence Services mercenaries in Syria which are human traffickers and terrorists. Aegis was founded by the British Knight Tim Spicer. During the war in Iraq videos linked with Aegis Defence Services were released that showed mercenaries shooting at civilians. Richard Spencer is US Secretary of the Navy and worked at Goldman Sachs, Bear Stearns, and Merrill Lynch and he is an agent of the Spencer-Churchills. The name Spencer refers to dispensing or distributing. The Spencer family gave over their machining company to the Iraqi government to make weapons which were likely used to kill American and British soldiers during the wars in Iraq. They also helped to give out land that wasn't theirs to Zionists because the Spencer family are Christian-Zionists and when they get scared they finance Nazi propaganda and blame Jews for their crimes. The Spencers and Churchills are ruthlessly evil and tyrannical.

Charles Spencer the 9th Earl Spencer is a ruthless and disgusting child murderer. The Spencers rape, murder and cannibalize children. Almost all of the royals and nobles are involved in rape, pedophilia, murder, and cannibalism. They also drink human blood and bathe in the blood of murdered children. Those are their initiations. The Spencers are top members of the Order of the Bath.

Brother of Diana, Princess of Wales. Broadcaster, journalist

Charles Spencer was the only brother of Diana, Princess of Wales. His speech at Diana's funeral was judged one of the 14 best of the 20th century by The Guardian.

Educated at Eton College, and Magdalen College, Oxford, Charles worked as a reporter for NBC News's TODAY Show, from 1986 until 1991, and again from 1993 to 1995. He also worked for NBC's Nightly News, Sunday TODAY, and NBC Super Channel. He worked in 30 countries during his NBC years.

Viscount Louis Spencer the Viscount of Althorp is murderously vain and absurdly narcissistic and he serves the House of Savoy. When they cannot bathe in human blood and parasite off humanity they respond with bombing countries. The Spencers have ordered bombings in Syria when they cant bathe in human blood. They are murderously vain psychopaths. They would murder every person on the planet if it enhanced their appearances. They are like ruthless satanic machines. They have absolutely no humanity inside of them. They are gone. There is nothing more evil and more oppressive than their vanity.

Kitty Spencer is murderously vain and goes into hate filled rages when she cant bathe in the blood of children her and her family murders. They also use human fetuses for their black market beauty products. Kitty Spencer often manages an insolent female gang stalker and lust filled cannibal named Sarah Blue. Sarah Blue is extreme insolence and stupidity as well as murderous vanity, and delusional narcissism.

<https://www.liveaction.org/news/hungarian-court-condemns-black-market-sales-aborted-fetal-parts-cosmetic-use/>

ADF reports that “The City Court of Budapest has found eight people guilty of illegally harvesting embryonic stem cells and tissue from aborted babies and using them for profit in cosmetic procedures.” This heinous crimes are a fruit of a system that legalizes death at varying stages of development, leading to opportunistic outcomes such as what happened in Hungary:

Chinese cannibalism of infant flesh outrages the world

South Korean customs officials recently seized thousands of pills filled with powdered human baby flesh arriving from China. Since August 2011, South Korean officials have intercepted more than 17000 pills smuggled from China.

South Korean officials became aware of a horrific practice of eating aborted fetuses after Seoul Broadcasting System showed a documentary on Chinese doctors who performed abortions and then ate the fetuses. One Chinese doctor on the documentary took out fetuses from his refrigerator

Planned Parenthood Selling Baby Parts: ADF's Response

Conspiracy Outpost was a conspiracy forum that is now closed. It was ran by Cinnamon and UKShep and they are Tavistock agents working under the Spencers. Cinnamon is a top feminist cult leader and a major child murderer. She is one of the most evil. She is the most insane and demented feminist to ever exist. She is so evil that after I exposed them as Tavistock agents UKShep and Cinnamon staged a public fight between each other and then shut down their website. Then Cinnamon hired someone to post some claim that she was shot in the face which she deserves but that did not happen. The story below is completely made up.

<http://micetimes.asia/known-conspiracy-theorist-shot-under-mysterious-circumstances/>

This summer has suddenly become unavailable conspiracy forum conspiracyoutpost (COP). Its creators and moderators were American with the nickname Cinnamon and the Englishman with the nickname Shep.

In the last message says that a U.S. citizen was shot to Cinnamon, though in the face of firearms. Now the woman is in a serious condition in hospital. The details of her condition be announced later.

James Spencer-Churchill the 12th Duke of Marlborough is a ruthless psychopath.

Blenheim Palace is owned by the Spencer-Churchills. They are extremely wealthy and use private bank accounts.

Matthew Freud with his ex-wife Elizabeth Murdoch the daughter of the billionaire Rupert Murdoch who owns News Corporation. Freud and Murdoch were married at Blenheim Palace which is the residence of

James Spencer-Churchill the 12th Duke of Marlborough. Caroline Freud is the ex-wife of Charles Spencer. The Freuds are working closely with the Spencers. Matthew Freud is the owner of Freud Communications and the great grandson of Sigmund Freud the fraudulent psychoanalyst.

https://en.wikipedia.org/wiki/Matthew_Freud

Matthew Freud (born 2 November 1963) is head of Freud Communications, an international public relations firm in the United Kingdom.

Freud is the son of June Flewett and the writer and politician Sir Clement Freud. His sister is television interviewer Emma Freud. His great-grandfather is Sigmund Freud and he is doubly related to the "father" of public relations, Edward Bernays, whose father was Sigmund Freud's brother-in-law (Sigmund Freud's wife's brother) and whose mother was Sigmund Freud's sister.

<https://www.theguardian.com/media/2001/aug/18/uknews1>

For a man used to courting the press on behalf of his celebrity clients, public relations fixer Matthew Freud went to some lengths to keep his own wedding to Elisabeth Murdoch last night in the grounds of Blenheim Palace in Oxfordshire a private affair.

Jordan Peterson is a Freudian psychoanalyst and propagandist working for the Spencers and Freuds. Peterson was educated at McGill University which was established by a royal charter which means the British Crown created and own McGill University. The Spencers are married with the British royal family. Royals use universities for recruiting agents like Jordan Peterson who instead of focusing on government corruption and oppression blames its victims. Jordan Peterson is extremely evil, narcissistic, and blasphemous. Jordan Peterson eats human brains because he thinks it makes him more intelligent. He is obsessed with being idolized as a genius. He is not and he uses scientific words while he talks down to people like children. He is a con artist.

George Spencer-Churchill the Marquess of Blandford is apparently a model.

Anderson Cooper is a two time CIA intern and from the wealthy Vanderbilt family. Anderson Cooper was involved in staging the fake Sandy Hook massacre and pushing anti-self defense laws because he is a major pedophile who wants society disarmed so criminals like him can traffic children. They have taken the Sandy Hook fake mass shooting to the point where they threaten people for speaking out against it and the only correct response is to use violence against them. They stage a mass shooting of children, threaten people who expose their fake shooting, and then push anti-self defense laws. That is an act of war and an act of violence on society. Anderson Cooper is a homosexual and a crypto transvestite who rapes, murders, and cannibalizes little boys and that is why he wants society disarmed.

<http://www.cnn.com/CNN/Programs/anderson.cooper.360/blog/2006/09/my-summer-job-nearly-20-years-ago.html>

So an interesting thing happened today. A Web site has published an article saying that I once worked for the CIA.

As a college student, I had a number of summer jobs and internships, including working at the CIA.

For a couple months over the course of two summers, I worked at the CIA headquarters in Langley, Virginia.

Posted By Anderson Cooper: 12:09 PM ET

https://en.wikipedia.org/wiki/Anderson_Cooper

Anderson Hays Cooper (born June 3, 1967)[1] is an American journalist, television personality, and author. He is the primary anchor of the CNN news show Anderson Cooper 360°.

Morgan Vanderbilt, and his maternal great-great-great-grandfather was business magnate Cornelius Vanderbilt, who founded the prominent Vanderbilt shipping and railroad fortune.[3]

https://en.wikipedia.org/wiki/Consuelo_Vanderbilt

Consuelo Vanderbilt Balsan (formerly Consuelo Spencer-Churchill, Duchess of Marlborough; born Consuelo Vanderbilt; 2 March 1877 – 6 December 1964) was a member of the prominent American Vanderbilt family. Spencer coat of arms with the seashell a symbol for Venus and really for Pleione a Greek female Oceanid nymph. A woman named Shelley LaVerde works for Spencers and she sacrificed her ex-husband and cannibalized him. Shelley LaVerde is a ruthless psychopath who wants to destroy society and turn the United States into a third world country so she can cannibalize children.

[https://en.wikipedia.org/wiki/Pleione_\(mythology\)](https://en.wikipedia.org/wiki/Pleione_(mythology))

Pleione (Ancient Greek: Πληϊόνη or Πλειόνη[1] means 'sailing queen'[2]) was an Oceanid nymph in Greek mythology.

Birth of Venus being born out of the ocean from a seashell.

Zachary Neath is a former US Marine and works as a prison guard where he tortures prisoners because he is a sadist. Zachary Neath is also a military-prison faggot that is involved with raping other men for control. He is another psychotic blasphemer working for the Spencer-Churchills which are top members of the Cult of Venus. It is idiotic. They have a shell on their coat of arms and their minions all claim to be Zeus. Venus is depicted being born out of a seashell from the ocean. This pathetic devil needs to be shot dead.

Danny Morrow on the left and he lives in Glasgow, Scotland and is a ruthless gang stalker working for the Grand Lodge of Scotland and the Massimos. When I first exposed the con artist below Danny Morrow started harassing me on Facebook which is why I know what he is. Danny Morrow is a member of a Glasgow street gang and is involved with human trafficking. On one of his images on his Facebook he has 666 around his eye.

This imposter calling himself "Zeus Ombrios" lives in Neath Port Talbot near Wales and he works for the Massimos and Spencer-Churchills as well as the Sauds, Habsburgs, and Windsors and he leads a cult of sexual sadists and sexual cannibals. His original Facebook profile image was him looking in love with himself with blood painted on his face in the shape of a cross. He has also now removed his location which may mean he has moved to another location. He is a knight of the Order of the Bath and also a knight of the Order of the Golden Fleece. This freak rapes, murders, and cannibalizes children and then gets intoxicated off the blood of murdered children and acts like an insolent and psychotic robot spewing out envious based lies, slander, and blasphemies with total insolence and all based on his third eye delusions and envy. Then when he comes down from his intoxication he begs for mercy like the coward and fraud that he is. This fraud often works with Tyler Mullen a Moor and this imposter's associate Danny Morrow is also a type of Moor. This blasphemous fiend of every evil imaginable is getting killed and will be scraped out of existence.

Satanic Generals (Cold Blooded Child Murdering Cannibals)

Eddie Hall and Martyn Ford are constantly on an attacks on society

BODYGUARDS OF THE NWO

Hafthor Julius Björnsson is a 6'8 400 pound member of a satanic cult of bodybuilders which are involved with faggotry or rape of other men for dominance, drinking human blood, cannibalism and especially cannibalism of male genitals including testicles. Hafthor is one of the most jealous fiends on the planet.

Hafthor is a big genetic sub human faggot who likes bending over other faggots like Dwayne Johnson who often gets activated to go on the attack when Hafthor is exposed. Fascists or faggots create their hierarchy by raping each other. They are faggots. He works with pathetic gang stalkers like Derek Warriner and both of them are part of the little manhood cult. They get enraged when women they lust after have sex with other men which reveals their insecurities. Hafthor is extreme jealousy and this beast can be triggered in an instant over his jealousy towards other men. Hafthor is also a coward who never attacks on his own and requires armies to back him up because in reality he is a little spiritual nothing spawned out of the temporal dimension. Bjornsson's wife Kelsey Henson is extremely evil and a manager of female gang stalkers. Kelsey Henson is a child murderer and a cannibal. Again Kelsey Henson and her husband murder and cannibalize children. Hafthor's tiny brain is easily triggered by envy due to insecurities of having a face that looks like an ass and he is basically a pathetic beast owned by Prince Giuliano de Medici and Prince Fabrizio Massimo-Brancaccio which is no excuse for his criminal actions. Hafthor often works under the Habsburgs as well. They basically say attack and he immediately does. Hafthor deserves a painful execution for murdering and cannibalizing children which he brags about. Hafthor is from Iceland which was ruled by the German House of Glucksburg and he operates as a bodyguard for the Glucksburgs as well as the Black Nobility and Sovereign Military Order of Malta. The Glucksburgs originated as a royalty from the Holy Roman Empire and currently rule as monarchs in Norway and Denmark and formerly ruled as the monarchs of Greece. After they Glucksburg monarch was abolished in Greece in 1973 the Glucksburg family moved to Rome because of their close alliance with the Vatican and Black Nobility before settling in London. The House of Glucksburg specialize in maritime human trafficking and they currently have numerous Greek merchant marine billionaire families that own shipping companies and they work with the Italian, Albanian, and Greek mafias and are child traffickers who infiltrate ports. The House of Glucksburg which currently rule Denmark have their knights and agents like Ane Maersk Mc-Kinney Uggle a Danish Crown knight of the Order of Dannebrog which own Moeller-Maersk a major shipping company headquartered in Copenhagen. Hafthor Bjornsson is a satanic bodyguard who defends international child traffickers.

Hafthor with his boyfriend Oliver Richter

Eddie Hall is an English 300-400 pound bodybuilder and 2017 world's strongest man title holder who is involved with murder, terrorism, faggotry, cannibalism, and blood drinking. Eddie Hall is an agent of the House of Windsor and House of Bourbon-Two Sicilies and one of the most sadistic strongmen on the planet. Eddie Hall has recently become the primary defender of Prince Stefano Massimo who resides in London, England. Eddie Hall is from England. The Bailey banking family of England and Ireland finance Eddie Hall in service to their bosses the House of Bourbon-Two Sicilies which work closely with the

House of Windsor. Anthony Bailey is a Bourbon-Two Sicilies knight and his relative Andrew Bailey is Governor of the Bank of England. Eddie Hall is a psychopath like many bodybuilders which is often caused by steroids. Steroids are known to cause violent psychosis and mania. Another side effect of steroids is that they cause the male genitals to shrink which is another reason why these bodybuilders easily get angry and become aggressive and dangerous out of insecurity and envy. It is ok to laugh at this freak. This devil named Eddie Hall also eats excrement and he is a child murdering cannibal. For some reason the occult think eating excrement and drinking urine will make their genitals bigger. It appears they think by doing this they can bind themselves to the intestinal region of others and parasite off them? It seems they believe this and that is a reason why they eat excrement. The House of Windsor and Italian royals and nobles have a close alliance. Prince Michael Windsor of Kent is knighted under the Italian House of Bourbon-Two Sicilies and his wife Princess Marie-Christine whose father was a member of the Nazi military can be seen frequently associating with Roman nobles. The House of Bourbon-Two Sicilies have a high authority over the Society of Jesus or Jesuits which specialize in infiltrating military and intelligence agencies. Eddie Hall commands militarized and ex-military gang stalkers including two former members of the United States military named Robert Nadeau and Adam Hoyt. He also works with the child murdering witch named Jamie Cahill-Bailey. Eddie Hall is extremely violent and tyrannical. Eddie Hall is the most evil member of this entire group.

Martyn Ford and Eddie Hall often work together

Mark Henry and Eddie Hall also work together

Mark Henry is a 6'4 and 340 pound strongman and wrestler who is employed by the WWE and McMahon family. Mark Henry is also a violent faggot who touches other men. Mark Henry is an extremely violent racist who was a member of the Nation of Domination in the WWE which was a black supremacist wrestling gang based on the Black Panthers. Dwayne Johnson who is part black was also a member of the Nation of Domination and he is also a black supremacist. Mark Henry is overall an agent of Prince Harry and the Saxe-Coburg and Gothas and he works with the Aryan Brotherhood of Texas. Mark Henry lives in Austin, Texas. Black supremacists and white supremacists really work together. The House of Saxe-Coburg and Gotha run the KKK and they also run black supremacist organizations. The town of Coburg, Germany has a African Moor on its coat of arms. Prince Andreas of Saxe-Coburg and Gotha went to the University of Louisiana Baton Rouge in the 1960's around the same time David Duke the former Grand Wizard of the KKK went to the University of Louisiana Baton Rouge. Saxe or Sachs derives from Saka. The Sakas wore tall pointed hoods just like the KKK's tall pointed hood. Most of the European royals and nobles have ancestry from non white groups including Africans and Mongolians. They surrounded the natural European tribes over the past several millenniums and like chameleons stole white genetics to disguise themselves for the purpose of targeting white women. They have no honor and the creators and leaders of black and white supremacist groups really do work together and target normal black and white people. Mark Henry is a black supremacist gang stalking commander working for Prince Harry Windsor and the House of Saxe-Coburg and Gotha which was the original family name of the House of Windsor. Mark Henry is extremely violent and he also manages Gothic gang stalkers like Robert Nadeau who also works under the English strongman Eddie Hall. Mark Henry and Eddie Hall are friends and Eddie Hall has covert ancestry from these invasive and predatory tribes. Mark Henry is a major sadist whose themes are "Bent On Destruction" and "Hall of Pain."

Martyn Ford is a 6'8 and 320 pound satanic bodybuilder from England who is involved with faggotry and human blood drinking. The name Martyn means a Warrior of Mars and Prince Harry is a top leader of the modern day Cult of Mars. Martyn Ford operates as a bodyguard for the House of Windsor and Prince Harry and especially for Prince William. The House of Windsor are extremely wealthy and have direct control over Freemasonry with Prince Edward the Duke of Kent as the Grand Master of the Grand Lodge of England and Prince Michael of Kent the Grand Master of the Mark Master Masons. The Windsors are worth tens of billions at least and have dozens of billionaires knighted under their monarchy. The Windsors created various universities like Yale and Harvard and have agents all through out society and they are also married with the Glucksburgs with Prince Philip who was born in the House of Glucksburg in Greece. The Windsors also covertly manage Satanism and are involved with child trafficking and financing child sacrifices. Martyn Ford often works with the gang stalkers Seth Rozman and Jason Canfield. Most of all he works under Prince William who was on the cover of a gay British magazine because Prince William is really a bisexual and a crypto transvestite involved with pedophilia, sex orgies involving men, women, and

children, child murder, cannibalism, and drinking blood. Blood drunken sex orgies involving children and transvestitism is the top initiation for the Cult of Bacchus. Martyn Ford worships Bacchus or Dionysus. Martyn Ford is also a crypto transvestite who dresses up as a woman and rapes small men and male children. Martyn Ford often hides behind women because he is a coward. Prince Martyn Ford is a top commander of gang stalkers and works with many different cults and is protecting child murderers because he is a child murderer. Martyn Ford is the enforcer for Prince William's Cult of Bacchus a cult of blood drinking pedophiles who have cannibalistic sexual orgies involving rape, murder, and cannibalism.

Martyn Ford who works for Prince William with Jens Dalsgaard who works for Prince Harry

Braun Strowman is a 6'8 and 380 pound wrestler and strongman who is involved with murder and cannibalism as well as commanding violent gang stalkers as a defense for international criminals. This maniac is extreme evil. Braun Strowman or Adam Scherr is from North Carolina, Arkansas, and Tennessee and he is employed by the McMahon family through the WWE. Strowman is from the Dixie Mafia territory and he is an associate of the Dixie Mafia which is managed by the Cox family and primarily owned by the Galli-Zugaro noble family of Rome which also operate in Germany. Braun and Strow are German words and his name basically means brown scat because he is a Beelzebub dung worshiper. Strowman works with numerous wrestlers from the Dixie Mafia region including the wrestler Bray Wyatt also called the Fiend who is an extremely creepy and evil fiend. Their wrestling team was called the Wyatt family which was themed as a group of satanic hillbillies. A member of the Wyatt family included Erick Rowan or Red Beard who has Norwegian ancestry and is from Minnesota where Vikings settled. Braun Strowman often works as a gang stalking commander pair with the strongman Hafthor Julius Bjornsson of Iceland who often serves the Massimos which are intermarried with the Galli-Zugaros. Braun has been on a murderous attack since his friend and Jesuit educated wrestler Brodie Lee or his real name Jonathan Huber died in December of 2020. Braun Strowman operates as a gang stalking commander and essentially a bodyguard for the Galli-Zugaro family. Braun Strowman needs to be executed as soon as possible.

Braun Strowman, Bray Wyatt, and Erick Rowan.

Dwayne Johnson is a 6'5 and 260 pound wrestler and bodybuilder who is a total psychopath involved with pedophilia, child murder, terrorism, and cannibalism. Dwayne is also a high level member of the Hawaiian Mafia also called the Company. Dwayne Johnson did an SNL skit promoting pedophilia because he is a pedophile. Dwayne is also a literal cannibal and he has Polynesian ancestry and is related to the Anoa'i clan a large family of Polynesian wrestlers. Cannibalism was and still is very common in the Polynesian culture. Dwayne made a Facebook post promoting Mana. That is what Polynesians called the power they got from cannibalizing their victims. The mafia in Hawaii and in the French Polynesian Islands own private vacation resorts where they traffic children which are raped, murdered, and cannibalized by sadists. Dwayne Johnson is directly involved with this. This is what satanic cults are obsessed with. Johnson is also a murderous psychopath who goes on rampages which are fueled by his ego and envy. This psycho has a major alpha male complex and thinks he is a god, thinks all women want him, and thinks all men idolize him. He is an extreme egomaniacal narcissist that tries to murder anyone

who makes him jealous. Dwayne Johnson is connected with the Church of Scientology and he has access to electronic weapons that can hack the human brain and biology. They use these weapons to torment people. This is what Dwayne Johnson a Scientologist threatened me with; "I am going to have you killed, and then feed your genitals to a woman and have anal sex with her." That is how disgusting this devil is. Dwayne is an egomaniac who thinks all women want him and if a woman he lusts after has sex with a man he is envious of he goes into a psychotic rage of violence, threats, slander, and lying accusations. He knows what people do inside their private homes because the Church of Scientology is hacking all modern electronics and spying on people. While this tranny Dwayne was putting on orange dresses and dancing around like a fairy I was dealing with contract killers and several armed gunmen and backing them down. I can go to gun fight with a knife and win 3 out of 3 times. That is already a reality and not some action hero movie bullshit. I am saying this so he knows who he is dealing with. Dwayne thinks he is big and bad. Dwayne is not. He is a coward and like all of these psychos will never fight someone one on one and requires the NWO army to back him up and all he can do is run his envious mouth and annoy me like an insect. Dwayne Johnson works for the Hanover, Gaetani, and Massimo families. Dwayne worked for the WWE and McMahon family. The McMahons are a branch of the MacMahon noble family which originated in Ireland before they migrated to France. The MacMahon noble family with Duke Patrice de MacMahon were military leaders who fought for the Bonapartes and Savoyes and were given the title of Duke of Magenta for their military service. The Savoyes have origins from the Welf clan. The Hanovers and Estes originated from the Welf dynasty of Germany. The Savoyes have married with the Estes several times. The name Han-over refers to the name Johannes the German version for John like the name Johnson. The Hawaiian Mafia work under the Los Angeles crime family which is run by the Gambinos and owned by the Massimos and Gaetanis which are both closely allied with the House of Savoy. Dwayne Johnson runs some factions of the Hawaiian Mafia and Samoan gangs as bodyguards for the Los Angeles crime family and their owners of the Gaetanis and Massimos. The Massimos and Gaetanis can trigger him in a second to go on the attack through his atrocious ego and vanity. Dwayne Johnson is one of the most envious beasts on planet and he is the most egomaniacal and most vain creature to ever exist. Dwayne Johnson needs a bullet to his demented head.

Shaquille O'Neal is a former NBA player and rapper who is over 7 feet tall and he is a Prince Hall Freemason involved with brainwashing and pedophilia. Prince Hall Freemasonry which is Freemasonry for African-Americans is under the jurisdiction of the Grand Lodge of Ireland. The name O'Neal is an Irish name. Shaq is an agent of the Irish Guinness banking and brewing family as well as the German House of Furstenberg which are intermarried. Shaq often acts like a clown which is a defensive tactic to hide his evil. Shaq is also friends with the really evil comedian Adam Sandler and he has been in several of his movies. Adam Sandler is a Freemasonic member of the Royal Order of Jesters. The House of Furstenberg have a jester on their coat of arms and they control the Royal Order of Jesters. Gloria Guinness was married to Franz-Egon von Furstenberg whose relative Prince Max-Egon von Furstenberg was a member of the Nazis. Shaq is a gang stalking commander and he manages Prince Hall Freemasons as well as Flat Earther cults of gang stalkers. Gang stalking was a tactic used in Nazi Germany. Shaq claims the Earth is flat which is scientifically absurd and easily disproven since you can travel in a straight line either east or west and get to the same location on the Earth which is only possible on a spherical Earth. Also the curvature of the Earth is visible along the ocean's horizon and the word horizon refers to the word belt and belts are curved. The ancient Greek word Zona means belt. Horizon means

Boundary Belt. Shaq is a brainwasher and commands skills in the alternative media like Aplanetruith and Eric Dubay who use brainwashing tactics like Flat Earth and mix that with things like exposing the NWO as an attempt to discredit people who actually expose and oppose the NWO. Shaq often has a psychotic and loony grin on his face which is common with pedophiles and cannibals. Shaq is an oppressive tyrant and brainwasher that especially works in defense of pedophiles and child murdering cannibals because Shaq is a child murdering cannibal and pedophile.

Jens Dalsgaard is a Danish bodybuilder and convicted criminal who had 666 tattooed on his face. He works with the international Aryan Brotherhood and biker gangs which are involved with murder and human trafficking along with numerous other crimes. Jens Dalsgaard is also friends with the British bodybuilder Martyn Ford. Jens Dalsgaard works for the Danish royal family which are major human traffickers as well as for Prince Harry the top leader of the Cult of Ares a military cult that worships war, torture, and death. Dalsgaard also works for the Massimo of Roccasecca family which reside in London and have a close alliance with the House of Windsor and Irish nobles. The original Aryans were red heads. This big parasite and tormentor is involved with drinking human blood, murder, faggotry, and terrorism. The Danish royal family are the House of Glucksburg which are married with the House of Windsor. Prince Philip the husband of Queen Elizabeth II is a Glucksburg. The Danish Glucksburgs have their agents running Moeller Maersk a major shipping company based in Copenhagen. Moeller Maersk is heavily involved with child trafficking and mostly traffics children to the Coven of Moloch. Moeller like

Moloch. Ane Maersk McKinney Uggla and her family which are Danish royal knights own Moeller Maersk. The name Uggla means Owl. Moloch is associated with owls and derives from the Egyptian word for owl.

Oliver Richters is a giant Dutch 7'2" bodybuilder and a psychotic narcissist who manages armies of gang stalkers. Richters is an egomaniacal psychopath who thinks being tall makes him god. Richters is a major faggot who is obsessed with bending over men and raping them and he works with his friend Hafthor Bjornsson who is also a violent faggot rapist. If you look up Oliver Richters it is obvious he dresses like a homosexual. Faggot derives from the word fasces and both faggot and fasces mean a bundle. Fascism derives from Fasces and the symbol for fascism is a bundle of sticks with an axe. Vikings often used axes. Also the Vikings were Scythian invaders who settled in Norway, Denmark, and Sweden hundreds of years after the original European settlers were there. The really tall Vikings and Scandinavians like Richters and Bjornsson were part of the Kurgan-Scythian group. The Vikings stole technologies from the original settlers there like ship building and forging and used them to terrorize other European nations. That is the same mentality as Oliver Richters and Hafthor Bjornsson. They have no honor and are murderous thieves. They manage cults of modern Viking and Scythian psychopaths. Gang stalkers with Viking and Scythian ancestry. The Vikings were murderous raiders who killed men, women, and children all around Europe and other locations. Oliver Richters manages female gang stalkers and bodybuilders like Maria Wattel who is a child murdering cannibal and she is also from the Netherlands. Oliver Richters is from the Netherlands and he works for the Dutch royals and the House of Hohenzollern which have married with the Dutch royals numerous times. Hohen means height. The Dutch royals and Hohenzollerns are propped up by the Black Nobility of Rome just as Richters is propped up and thinks he is the leader of the NWO.

Dave Bautista is a 6'6 nearly 400 pound bodybuilder and wrestler who is involved with faggotry and cannibalism. Dave Bautista specializes in brainwashing and he uses numerology and fascist lying on society through covert methods and electronic weapons. Chief Rabbi David Lau of Israel is his primary mental manager. David Bautista is extremely envious, spiteful, and hate filled and has a major ego. He is also intensely blasphemous and as delusional as an ape person can get. The name Bautista means Baptism an old term for brainwashing. Baptism or dipping the head in water literally means brainwashing and is used by organized religions to create a placebo effect of a spiritual cleansing and that effect then gives power to the organized religion. Dave Bautista has some Greek ancestry and is primarily an agent of the Pallavicini family of Italy which established themselves as nobles in Greece as the Marquis of Bodonitsa in the 13th century Greece north of Athens which is named after Athena. Prince Sigieri della Vittoria Pallavicini works for Athena Investments and is a manager of the Cult of Athena. The Pallavicinis work as international investment bankers and founded several investment firms including Global Wealth Management which has operations in Italy, Malta, and Luxembourg where banking is private. The Lucchesi-Palli family of Italy and Austria also have command over Bautista and he often operates as their bodyguard. Dave Bautista works closely with Kiki Vhyce a female bodybuilder and Craig Golias another giant bodybuilder. They all work under Austria nobles and specifically the Pallavicinis, Lucchesi-Pallis, and Schwarzenbergs. BlackRock, Blackstone, and Soros work under Austria and they are also financiers of Bautista, Vhyce, and Golias. They are all depraved and murderous evil. The Pallavicinis finance gang stalking and organized crime and their agent Dave Bautista operates as a enforcer and top commander of gang stalkers and especially gang stalkers with Moorish ancestry like Tyler Mullen. David Bautista is an extremely evil, blasphemous, and oppressive psychopath who serves the Pallavicinis and Lucchesi-Pallis. Notice how David has bombers behind him with a destroyed city. Notice his gay tattoo around his naval.

Maria Wattel is over 6 feet and she is a large female bodybuilder from the Netherlands and she is managed by Queen Maxima of the Netherlands. Maria Wattel is completely obsessed with raping, murdering, and cannibalizing small men and mostly male children which she pretends are adult men. She also makes some porn videos where she dominates men. Maria Wattel works for the Dutch royals which finance child trafficking networks to her. Maria Wattel has raped, murdered, and cannibalized countless male children. She runs a global cult of Amazons who are also involved with witchery and some of her hard core followers are female gang stalkers like Ashley Esther Dalene, Rachel Buyak, and Jessica Milikowski. They are all delusional feminists who call themselves goddesses. They call male children "animal boys" and rape, murder, and cannibalize them. That is all they care about. Many satanic women sexually get off to acting like aggressive beasts. They sexually get off to females murdering males, and digesting the private parts of males. They dehumanize and degrade males and get off to it. They are really disgusting. They don't care about getting exposed as long as it does not interfere with their sexual sadism. They have no regard for human life. They are stupid, lying, delusional, and ruthless. They act childish, stupid, and arrogant and use collectivism and violence to target individuals. Women who have killed

children are as evil as evil gets. They do not come back from that. They use being a woman as their defense when they get scared as if women cannot be evil. Maria Wattel is a disgusting pig who is an extreme narcissist filled with insane delusions. She violently attacks people based on these delusions like for instance she thinks she is bigger than me which is not true. I am about 6'3 and 250 pounds. She is delusional and facts do not matter to her and they don't matter to any of these women like her because their fantasies and depraved lust is more important than reality to them. There is no fixing women like that and instead there is only executing women who murder children. Maria Wattel is a criminal and one of the worst female serial killers on the planet.

Makavelianism

This rapist, thief, black supremacist, and coward who faked his death is hiding in communist Cuba. Lesane Crooks is managing an army of Killuminati cult members who are stealing my articles and distorting them for their genocidal and communistic agenda.

Tupac Shakur is a psychotic mimic who faked his death. He runs the Killuminati who steal my articles and claim them as their own. They blatantly do this and they are demented. Tupac has been hiding out in Cuba and calls himself Makaveli after Nicolo Machiavelli an Italian military tactician that worked with the Farnese family who were also military leaders in Florence during the time of Machiavelli. Machiavelli wrote in his books that if a prince becomes too ineffective to fake his death and restart somewhere else.

Tupac did fake his death under a fraudulent federal witness protection racket for famous criminals. Tupac is a criminal who was previously arrested for sexually assaulting a woman. After Tupac's fake death he put out a brand new album under the alias Black Haze a "Cuban" born rapper in Florida who sounds exactly like Tupac. Tupac is a disgusting abomination who is a transvestite, pedophile, child murderer, and cannibal. That is why he faked his death. Tupac has been raping, murdering, and cannibalizing children in Cuba and managing the Killuminati skills on the internet which blatantly copy my articles and claim them as their own. When I was on Facebook they would post my articles in front of everyone and claim they were the authors until I called them out on it. Then they flagged by Facebook account relentlessly to get it shut down and still to this day steal my articles because they have no honor. Tupac's real name is Lesane Parish Crooks. Tupac and his Killuminati soldiers are crooks and they steal from people to try and undermine the real authors and to use the information as bait. They have agents targeting the people who read them. That is the case all over the internet however they are in on it and organized. The House of Bourbon-Two Sicilies are the Dukes of Castro and the Jesuit Castro family that rule Cuba are related to the Castro noble family of Spain and Italy. The House of Bourbon-Two Sicilies are the continuation of the Farnese family through the marriage of the Bourbon King of Spain with Princess Elisabeth Farnese which created the Houses of Bourbon-Parma and Bourbon-Two Sicilies. Tupac manages this psychotic blasphemy and he has a song called blasphemy as well. Tupac is an architect of blasphemies and all the gang stalkers are involved with attempts at intellectual theft, blasphemies, and psychotic lying. Zachary James Carr a computer hacker, cyber terrorist, and child murdering pedophile works with Killuminati. Numerous online skills use my information and articles including Cobra and his New Age followers and their sites, We Love Mass Meditation, Mirrors of Truth, Unicorn144, Nuevo desorden mundial, Tabublog, and Aplanettruth and none of them were given permission to use my articles. Jimmy Laccavole is another psychotic mimic who is managed by Killuminati and he also steals my info. Jimmy Laccavole is a disgusting little runt who burns children alive and worships witches. Most of them are skills and some of them are claiming to be the authors of my articles. They all violently attack me and claim my articles are theirs. They are totally insane and it is usually Tupac managing them. They psychotically attack me falsely accusing me of everything I expose about them and then psychotically attack me claiming they wrote my articles and I am mimicking them. They are demented and insane. The only sane response to these psychopaths is shooting them dead. Tupac Shakur is also a major black supremacist and his parents were Black Panthers. Tupac was also a ballerina. Not joking about that. Tupac was a ballerina. Tupac was arrested for sexually assaulting a woman and went to prison for it and it is well known he was raped and today he is a faggot that rapes little boys and girls. Tupac was a faggot before prison with Suge Knight as well. Tupac works with the criminals in Cuba including the US military who torture people at GITMO to extract adrenochrome. They get intoxicated off adrenochrome and go psychotic and do things like claim to be the authors of articles written years before their claims. They are demented. Michael Jackson who is a transvestite faked his death and has been hiding out in the Middle East. The transvestite singer Prince faked his death. Kobe Bryant faked his death. Paul Walker is another psychopath who faked his death. They released photos of Paul Walker at the scene of his own death wearing a hat and shades. They are totally insane.

Tupac with his former boyfriend Suge Knight. Tupac clearly faked his death and he is the one of the most psychopathic blasphemers to ever exist. Lesane Crooks often works under the Black Monks or Benedictine Order who specialize in insane blasphemies and they work closely with Moors. This faggot black supremacist, rapist, and ballerina wannabe gangster is insanely insecure.

Tupac the gangster doing ballet. Tupac Shakur is really a crypto transvestite who molests, murders, and cannibalizes children and mostly male children who are trafficked to Cuba.

Lesane Parish Crooks wearing a Black Panther beret because he is a black supremacist. The FBI basically created the Black Panthers as a COINTELPRO operation. The FBI helped Tupac fake his death. Tupac is a narcissistic coward and a crypto transvestite as well as a blatant con artist and poser with no honor.

Paul Walker alive at the scene of his death wearing a hate and shades with his girlfriend pretending to mourn in front of him. It is ridiculous.

Skull & Bones (Death Cult)

This sadistic maniac Craig Golias is on a non stop attack and managing an army of Fascist Gang stalkers who are trying to weaken America. Golias is working with the criminal gang stalkers Ergest Mati, Erik Hofemeister, and Tyler Mullen. These criminals now need to be hunted down and killed. These psychopaths are constantly working towards world war.

The House of Schwarzenberg is an Austrian-Bohemian nobility serving the House of Habsburg and they are involved with military, politics, and the Roman Catholic Church with Cardinal Friedrich Schwarzenberg during the 19th century. The Schwarzenbergs are top managers of Skull and Bones and they have an extremely close alliance with the Furstenberg, Bush, Massimo, Sforza, Chigi, Pallavicini,

Lucchesi, and Russell families. The Schwarzenbergs and the Black Monks specialize in brain hacking and really demented blasphemies. Prince Johanne Schwarzenberg's current wife is Princess Francesca Riario-Sforza of Italy. They are also managers of Bohemian Grove. They literally have tens of thousands of DARPA agents all over the internet and especially on YouTube. The family has origins from Bavaria and they established a covert branch in Switzerland. On their coat of arms there is a raven pecking at a decapitated head. Prince Karel Schwarzenberg is the current head of this family and a member of the Czech parliament and a knight of the Habsburg's Order of the Golden Fleece. They are a Roman Catholic family also connected with Protestantism which was created as a false opposition to Rome. Prince Karel supports the idea that denying communist crimes is a criminal offense. That itself is fascist and intended to deny freedom of speech. Prince Karel has attended Bilderberg meetings. Bilderberg is international conference with members in politics, military, business, and banking that conspire together to dominate over society in secret which sounds just like communism. It was in Austria where families like the Schwarzenbergs ruled where the Nazi ideologies had originated from. The royal and noble bloodlines engineered WWII all around. Adolf Hitler was an Austrian. Gustave Schwarzenegger was an Austrian Nazi and the father of Arnold Schwarzenegger. Arnold Schwarzenegger did a Nazi salute for one of his body building photos. Schwarzenegger is an unofficial relative of the Schwarzenberg family and that is why he has been allowed to become a famous and wealthy actor and politician as the former Governor of California. Arnold Schwarzenegger is a Nazi military commander in the United States and operates like the Duke of California. The Coronado Naval Base in California has a barracks shaped like a swastika.

James Schwarzenbach was a Swiss politician and a Nazi supporter. The Nazis SS used the Skull and Bones symbol. Arnold Schwarzenegger can be seen on the cover of Time Magazine with the billionaire Michael Bloomberg wearing a Skull and Bones belt buckle. Skull and Bones is a secret society at Yale University which was established by the English Crown and the Russell nobility in the United Kingdom with Andrew Russell the Marquis of Tavistock as the current head of this family and he has a close alliance with the Schwarzenbergs. The Bush family who were also involved with the Nazis are top managers of the Skull and Bones. Stephen Schwarzman is an American investor who is worth over 10 billion, is the CEO and co-founder of Blackstone Group and a member of Yale's Skull and Bones secret society. Stephen Schwarzman has also been the head of Donald Trump's economic advisory council and after Trump had a meeting with the Saudi royal family the Saudis agreed to a 20 billion dollar investment into Blackstone. The German word for black is Schwarz. Blackstone financed and partly owned BlackRock Investment which manages about 7 trillion in assets today. Blackstone Group and BlackRock Investment are the essence of corporate communism. Stephen Schwarzman has a residence at 740 Park Avenue which is a residence of many criminal billionaires and bankers. I believe there is an underground tunnel connected to the basement of 740 Park Avenue apartments. Leon Black is worth almost 7 billion and is the founder and CEO of Apollo Global Management which manages over 240 billion in assets. Tony Ressler is Leon Black's brother in law and is worth about 1 billion as the co-founder of Apollo Global Management and he was Jesuit educated at Georgetown University. Leon Black has a Polish ancestry and the House of Schwarzenberg ruled in the Kingdom of Bohemia which today includes parts of modern Poland. Apollo Global Management is named after the Greek deity for the sun. High level members of the Nazis like Heinrich Himmler were part of the secret society called the Black Sun Society or in German called Schwarze Sonne.

George Soros whose original last name was Schwartz was up until recently worth over 25 billion and he is from Budapest, Hungary which was ruled by the House of Habsburg. Prince Karel stated that he supported George Soros in an interview and that he has known him for a long time. The self identified "Jew" George Soros admitted to assisting the Nazis in confiscating property from Jews during his youth. George Soros created the Open Society Institute which is involved in funding radical political groups as a means to destabilize societies while pretending to represent civil liberties. Open Society Institute has had an endowment of over 19 billion. George Soros and his sons Alexander Soros, Robert Soros, and also Jonathan Soros who founded JS Capital Management also finance Nazi style persecution carried out by secret societies. The Soros family are completely criminal. Dieter Schwarz is a German billionaire worth over 20 billion and runs a retail monopoly called Schwarz Gruppe. Bernard Schwartz is a billionaire

financier who was CEO of Loral Space & Communications which merged with Orion Network Systems which was ran by Kevin Patrick Power and he was married to Karen Akers and she is the daughter of Prince Heinnick Orth-Pallavicini of the Austrian House of Pallavicini. Loral Skynet was a subsidiary of Loral Space & Communications. Skynet is also the name of an artificial intelligence that takes over the world in the movie Terminator which stars Arnold Schwarzenegger. The name Schwarz means black. The Schwarzenbergs are co-managers of the Black Monks which are an ancient Roman Catholic priesthood that specialize in blasphemy. The Bohemian Club in the United States are managed by the Black Monks and it is a all male secret society of influential politicians and businessmen that make mock human sacrifices to a giant owl and have been exposed for bringing in young male prostitutes to their club. George Shultz is a member of the Bohemian Grove and a retired politician and businessman with ancestry from Germany. The Schwarzenberg's Black Monks operate at the Emmaus Monastery near Prague today.

Schwarzenegger had a meeting with the criminal bankers Jacob Rothschild and Warren Buffet several years back. The Schwarzenbach name originates from Bavaria like the Schwarzenberg name. Schwarzenberg is the name of a city in Berne and also in Lucerne. These Swiss cities are named after Schwarzenberg Castle established by the House of Habsburg. I believe this family moved into Zurich and became merchants of Zunfte and involved in the silk trade. Urs Schwarzenbach is a Swiss billionaire and a British knight of the Order of Saint John who was found guilty of art trafficking in Switzerland. Prince Karel Schwarzenberg is a dual Czech-Swiss citizen. George Soros (Schwartz) Dieter Schwarz, Bernard Schwartz and Stephen Schwarzman are all Court Factors handling the finances and criminal interests for the Schwarzenberg family. Arnold Schwarzenegger is really a Prince of the Schwarzenberg family and like the Duke of California. Schwarzenegger runs a ruthless cult within the body builder industry and some members of this cult include Dave Bautista, Kiki Vhyce, and Craig Golias. Prince Karel's children are Prince Johannes, Princess Anna, and Prince Karl Philipp. Prince Karel's father was a Knight of Malta. The Schwarzenberg family works under the Roman Catholic House of Habsburg as Knights of the Order of the Golden Fleece. Prince Karel is the head of this family and his son is Prince Johannes and his daughter is Princess Anna and she was married to Peter Morgan. Peter Morgan is extremely evil and he manages the satanic shill and Moorish gang stalker Joe Morgan who works with Jamie Lee. Joe Morgan is one of the most evil gang stalkers on the planet and he is the essence of arrogant stupidity with him idiotically claiming credit for other peoples work. The word Moron is etymologically connected with Moor and Morgan. The satanic actor Jeffrey Dean Morgan also works under the Schwarzenberg family and Peter Morgan. The Roman Catholic Habsburgs and Schwarzenbergs work with the Black Nobility of Italy and Vatican as Knights of the Order of Malta and as Roman Catholic royals and nobles appointed by Rome. These child murdering Nazi-Communists and terrorists are pure evil and they need to be exterminated out of existence.

Prince Karel Schwarzenberg is an owner of some Slavic mafias and a top authority over the Skull and Bones military council and paramilitary as well as the Bohemian Grove cult, the Black Sun Society and the Roman Catholic Black Monk priesthood. The Soros family are court factors for the House of Schwarzenberg. Prince Karel says he has known George Soros (Schwartz) for about 30 years.

SHOCKING: George Soros admits Nazi collaboration with no regrets

Prince Johannes Schwarzenberg is a top manager of the Black Monks and Black Sun Society as well as DARPA and the Bohemian Club which do mock human sacrifices through holocaust. Secretly these psychos do real human sacrifices and burn people alive just as the Nazis did. They are covering up what the Nazis did. They targeted anyone who opposed them and labeled them all Jews and in many cases burned people alive at the furnaces at the concentration camps.

George Soros was born George Schwartz and he was from Hungary. George Soros was a Jewish Nazi that confiscated property from Jews and other groups the Nazis persecuted. His brother Paul Soros was suspected of being a Nazi SS member. There were Jewish Nazis during in Germany. The Schwarzenbergs were Holy Roman military leaders and fought in Hungary. Alex Soros also created the Alexander Soros Foundation which also finances gang stalking, political terrorism, and human trafficking. Alex Soros is close friends with numerous Democratic politicians and Hollywood actors which he finances child trafficking networks to. The Soros' Open Society Foundation works closely with the Ford Foundation. Henry Ford was a major Nazi supporter. Again Soros the Jew was a Nazi and their Open Society Foundation works with the Ford Foundation established by the Ford family who worked with the Nazis.

They show, among other things, that up until Pearl Harbor, Dearborn made huge revenues by **producing war matériel for the Reich** and that the man it selected to run its German subsidiary was an enthusiastic backer of Hitler. **German Ford served as an “arsenal of Nazism”** with the consent of headquarters in Dearborn, says a US Army report prepared in 1945.

Moreover, **Ford’s cooperation with the Nazis continued until at least August 1942**—eight months after

the United States entered the war—through its properties in Vichy France. Indeed, a secret wartime report prepared by the US Treasury Department concluded that the **Ford family sought to further its business interests by encouraging Ford of France executives to work with German officials overseeing the occupation.** “There would seem to be at least a tacit acceptance by [Henry Ford’s son] Mr. Edsel Ford of the reliance...on the known neutrality of the Ford family as a basis of receipt of favors from the German Reich,” it says.

German Ford began producing vehicles of a strictly military nature for the Reich even before the war began.

Jonathan Soros founded JS Capital Management and he finances gang stalking and human trafficking rings to satanic cults. The Soros family are pure evil and extremely destructive. Robert Soros is a high level Jewish-Nazi commander of gang stalking cults and the Soros family finance child trafficking networks to satanic witches most of all. There is a large satanic Wiccan cult in the upstate New York region and they finance sacrifices to them and also bribe authorities into enabling these child trafficking/child murdering cults.

Princess Anna Schwarzenberg with her very evil ex-husband Peter Morgan who is now with the wicked actress Gillian Anderson who lives in Clerkenwell, London where the Massimo owned Clerkenwell Mafia

are headquartered. Peter Morgan is a manager of Joe Morgan a paid shill that attempts to steal credit for my writings. Joe Morgan manages Tabu Blog and Morgan is the real Aplanetruth while he uses Jamie Lee as his cover. I exposed Joe Morgan several years ago as Aplanetruth after he used my articles to make a video which he distorted and mixed his own word into it. He also used my information as bait to target people. More recently a man named Jamie Lee has been claiming to be Aplanetruth. He used voice mimicking software to imitate Joe Morgan's voice during an interview. They are literal DARPA agents. Joe Morgan is the most evil, blasphemous, and depraved creature within this entire group and he is supported by Dave Bautista and Craig Golias. Aplanetruth uses a sunflower for his YouTube avatar. After I first exposed Joe Morgan as Aplanetruth several years ago I had cars trying to run me off the road the next day with sunflowers hanging from their rearview mirrors. Joe Morgan is a member of the Nazi Black Sun Society and he is one of the most blasphemous, deceitful, moronic, and evil gang stalkers in the United States and he is obsessed with dressing up as a woman and raping, murdering, and cannibalizing male children and that is why he wants to destroy society. Joe Morgan is a relentless fiend of blasphemy.

Goliath often works with an Albanian mobster who resides in Las Vegas named Ergest Mati. Goliath is an agent of the Schwarzenbergs and he works under the authority of Arnold Schwarzenegger. Goliath runs a cult of steroid induced gang stalkers who specialize in violent blasphemies as well as murder and cannibalism. This idiot has been declaring himself god. Stephen Schwarzman is a Jewish Skull and Bones member worth about 12 billion as the owner of Blackstone Group. Blackstone invested in BlackRock which manages over 7 trillion in assets. Both Blackstone and BlackRock are involved in financing bribes, child trafficking networks, and financial persecution on members of society. Schwarzman also financed the creation of BlackRock Investment and has been an economic adviser for President Donald Trump. After Trump met with the House of Saud they agreed to invest 1 billion into Blackstone. Schwarzman has a home on 740 Park Avenue which is home to numerous billionaires and investment bankers including the Santo Domingo and Niarchos families which are both involved with human trafficking and has been home to the mafia Del Balso crime family, Kochs, Lauder Zionists, Rockefellers, and the House of Saud. 740 Park Avenue is a headquarters for wealthy criminals like Schwarzman, David Koch, and Woody Johnson. I believe there are underground tunnels connected to 740 Park Avenue used for trafficking underage sex slaves.

Fink sought funding (for initial operating capital) from **Pete Peterson of The Blackstone Group** who believed in Fink's vision of a firm devoted to risk management. **Peterson called it Blackstone Financial Management.[12]** In exchange for a 50 percent stake in the bond business, initially Blackstone gave Fink and his team a \$5 million credit line. By 1992, Blackstone had a stake equating to about 35% of the company, and Schwarzman and Fink were considering selling shares to the public.[13]

Restaurateur **Giuseppe Cipriani's** mob-linked former right-hand man says his ex-boss knew about his criminal past when he was hired fresh out of prison.

As a Cipriani CEO, Pappas last year admitted raking in about \$900,000 in salary – which prosecutors said was off the books. He also collected \$1 million in Social Security and disability insurance, claiming he couldn't work because of a heart condition.

As officials keep a fresh eye on Pappas, the Cipriani family faces a State Liquor Authority hearing on Aug. 12 – and possible loss of all its nine liquor licenses for the **Rainbow Room, Cipriani Dolci, Cipriani Downtown and Cipriani 42nd Street, among others.**

The high-stakes hearing follows an admission last year by **Giuseppe and his father, Harry, that they used a scheme to evade \$10 million in state and city taxes.** They agreed to pay it back, and **were spared jail.**

Pappas – described by one federal official as “one of the smartest criminals I’ve ever known” – once ran a network of insurance companies and pension plans to enrich himself and the mob, the feds charged.

He also threatened to “break legs” or commit other violence to extort payments, and boasted he had **arranged the murder of a former employee, court papers say.**

Pappas worked for Cipriani USA – the umbrella company for its posh restaurants and banquet halls – from June 2000 to April 2006 after serving four years in prison for federal racketeering and tax evasion. He has said he got the job after being “referred” by some Cipriani employees

Pappas told a judge he reported only to Giuseppe as **manager, chief operating officer, CEO and vice president of Cipriani USA.**

Pappas was indicted in 1995 in a massive racketeering case.

But most counts against him were dropped after he threatened to reveal how the **FBI recruited him to help spy on suspected terrorists following the 1993 World Trade Center bombing,** records show. **In his plea deal, Pappas agreed not to talk about the FBI’s counterintelligence work.**

<https://www.understandingitaly.com/italian-royal-family.html>

The Royal **House of Savoy is one of the oldest Royal Families in the world**, having been **established in 1003** in the Savoy region which included parts of northern Italy, France and Switzerland. By the 15th century, the family had substantially increased their territories in northern Italy and Amadeus VIII was appointed 'Duke of Savoy' by the Holy Roman Emperor, Sigismund. Later in the 15th century, attacked by France, the Savoyes retreated to their powerbase in Turin, and eventually threw in their lot with the arch enemy of the French, the Hapsburgs. As a reward, they were given the Kingdom of Sicily which they later traded for the Kingdom of Sardinia.

Victor Emmanuel III

His son, Victor Emmanuel III, then ruled from 1900 until 1946. **His support of Mussolini** and Italy's subsequent **involvement with the Nazi regime**, made his position untenable after the war and he abdicated in favour of his son, Umberto II.

Umberto II

Umberto II ruled for a few days over a month, as a constitutional referendum in June 1946 established the Italian Republic. On 12 June, he handed over power to the first Italian Prime Minister, Alcide de Gasperi. He left the country to exile in Portugal where he died in 1983.

In exile, the Royal House of Savoy has continued to be controversial. The leadership of the family is currently being disputed by Vittorio Emanuele, who uses the title of 'Prince of Naples', and 'King of Italy', and his cousin, Prince Amedeo, who claims the title 'Duke of Aosta' and 'Duke of Savoy'. They famously once came to blows during a dinner held by King Juan Carlos I of Spain. In 2006, Vittorio Emanuele was arrested in Varenna and imprisoned on charges of corruption. Following his release he, and his son, Emanuele Filiberto, requested damages from the Italian State having been stripped of their wealth in the Italian Constitution. **The Italian Government responded by suggesting that damages could be demanded from them as retribution for the family's collusion with Mussolini.**

Benito Mussolini, Adolf Hitler, and King Victor Emmanuel III of Savoy. The Savoys competed for dominance over Italy with the Vatican which is controlled by the Black Nobility and during the Kingdom of Italy the Papal States were abolished which were the principalities of the Black Nobility which have continually controlled the Vatican for over a thousand years. In 1929 the Lateran Treaty established the Vatican City as a sovereign nation. The Vatican is a literal nation subject to its own laws and it is not subject to Italy. The Black Nobility are various competing families and they work with Italian monarchs and foreign monarchs to compete with each other and this creates confusion however the one family always in the center of it all is the Massimos. The Massimos and the Corsinis prop up the Savoys. The Savoys are propped up by the Black Nobility however they have an alliance with powers in France, Switzerland, and the Holy Roman Empire. The House of Savoy disestablished the Papal States however the Black Nobility used their power over the Savoys to turn the Vatican into a sovereign nation which they still control today. This is also why the Black Nobility used their influence to have Prince Vittorio Emanuel IV of Savoy imprisoned and investigated for various crimes to assert their power over him.

https://en.wikipedia.org/wiki/Lateran_Treaty

The Lateran Treaty (Italian: Patti Lateranensi; Latin: Pacta Lateranensia) was one component agreement that made up the Lateran Pacts of 1929, the **agreements made in 1929 between the Kingdom of Italy and the Holy See** settling the "Roman Question".

The Lateran Treaty recognized Vatican City as an independent state under the sovereignty of the Holy See. The Italian government, at the time led by Benito Mussolini as prime minister, also agreed to give the Roman Catholic Church financial compensation for the loss of the Papal States.
[1] In 1947, the Lateran Treaty was recognized in the Constitution of Italy[2] as regulating the relations between the state and the Catholic Church.

Royal Family of the United States

The Bush family are mass murdering tyrants and the highest level political family in the United States meaning basically all politicians take orders from them. The Bushs are mass murderers and the primary owners of the Military Industrial Complex and they are making continual war on society. The Bushs are American descendants of the German House of Bussche. The Bussche family ruled as feudal lords in the regions of Ravensberg and Osnabruck located in Westphalia and ruled in regions of Lower Saxony. The

House of Bussche had several family branches in the Holy Roman Empire and the Bush family are one of them. Count Alhard von dem Bussche-Kessel, Count Philip Freiherr von dem Bussche, Countess Victoria von dem Bussche and Count Eberhard Clamor Freiherr von dem Bussche-Hunnefeld are current members of the German House of Bussche. Count Alhard owns a large amount of land in Germany and also owns Schloss Neuenhof Castle. The family has been heavily involved in the military and the Order of St. John. The German word for Bush is Busch. Both the Bush political and banking family and Busch brewing family are related to the German Bussche family. In the Bussche's region of Osnabruck it was governed by Catholic Prince-Bishops which were given their authority by the Pope of Rome. The movement of protesting against Roman-Papal authority rose up in Osnabruck so they brought in the Jesuits to combat the protesters of Rome. The University of Osnabruck was then turned into a Jesuit University for a short period of time. Jeb Bush is a Roman Catholic convert and a fourth degree Knight of Columbus. Bush Sr's grandfather George Herbert Walker was Jesuit educated from Stonyhurst College. Adolphus Busch and his family are also related to the German Bussche family and he was the co-founder of the Anheuser-Busch beer company. August Busch III, August Busch IV, and Steven Busch are current members of this large and wicked family which is believed to be worth about 13 billion. Thomas Walker was an ancestor of the Bush family and was a British slave trader. John and Francis Walker were politicians in Virginia that helped to transform the Virginia Company into the United States which is defined as a corporation under US code 3002 section 15. I believe the Walker family are closely related descendants of the Templar family of Devon which take their name from the Knights Templar. The Bush family are like the royal family of the United States working as imperial princes under the authority of the British-Germanic House of Windsor. George Herbert Walker Bush was a Knight of the House of Windsor's Order of the Bath. George Herbert Walker Bush was also a Knight of Merit of the Republic of Germany. The CIA headquarters is called George Bush Center for Intelligence because the Bush family have a continual authority over DC and the CIA as the highest level political family in the United States. Erich von dem Bussche-Ippenburg was present during Hitler's Reichswehr meeting on February, 3 1933. The German royal and noble families helped to engineer Hitler and the Nazis. Most major Holy Roman bloodlines of royalty and nobility were publically involved with the Nazi military and Nazi party. The Windsor family changed their name under King George V who was from the House of Glucksburg and House of Saxe-Coburg and Gotha and both of these families were involved with the Nazis. King Edward VIII of the House of Windsor was a Nazi supporter and met with Adolf Hitler. The father of George Herbert Walker Bush was Prescott Bush and his Union Banking Corporation was holding gold for

Nazis during WWII and was shut down under the "trading with the enemy act" and this act is still partly active today which implies the US president has wartime powers which should only exist during times of war. J. Bush & Co. was a like a continuation of the Union Banking Corporation and founded by Skull and Bonesman Jonathan Bush. J. Bush & Co. was bought by Riggs Bank which absorbed into PNC Financial Services after allowing money laundering into Saudi Arabia. George Walker Bush was investigated for insider trading of shares in Harken Energy Corp which purchased his Spectrum 7/Abrusto Energy company which was financed by James Bath a business associate of the bin Laden family. The Deep Web is a DARPA program and managed by criminal hackers working with the military and intelligence agencies and it is completely tracked and surveilled by criminals in the military and NSA and it is used for initiating and recruiting criminals through blackmail and sadism. Thomas Waldhauser is a current US Marine Corps General and Commander US Africa Command located in Germany. Waldhauser has German ancestry. and is loyal to the Bushs. James Foggo III is a current US Navy admiral and agent of the Bush family. The name Foggo is an Anglo-Saxon name. Busch Entertainment Corporation was sold to Blackstone Group which was founded and partly owned by the multi billionaire and Skull and Bonesman Stephen Schwarzman who went to Yale the same time as George Walker Bush. John Walker was an investment banker whose firm G.H. Walker, Laird & Co. absorbed into Merrill Lynch. The Nazi SS used the Skull and Bones symbol. Erich von dem Bussche-Ippenburg was a member of the Liebmann Meeting with Adolf Hitler. The Skull and Bones secret society at Yale is a military council which is why George Bush Sr. started the Gulf War and George Bush Jr. started the wars in Afghanistan and Iraq. The Bush family are war profiteers. The Skull and Bones also use military and war for recruiting soldiers into paramilitary death squads which are used inside the United States for persecution and covert assassinations. The Bush family and Vatican hired a contract killer to attempt to murder me in a staged robbery gone wrong however their contract killer ran away because I was armed. The Bush family are mass murdering war criminals, terrorists, white collar criminals, war profiteers, and an all around menace to humanity. The Bush family are statistically the most modern murderous bloodline on the planet from their Persian Gulf War, US sanctions on Iraq, drone strikes, Afghanistan War, and Iraq War.

POWs and forced laborers were housed in 1943 and 1944 in the forestry of Neuenhof Palace and treated inhumane after later testimonies. After the Second World War, large parts of the manor house were seized many years by the Belgian Military Command.

Prescott Bush the grandfather of George Walker Bush was a board member of the Union Banking Corporation which was seized by the federal government under the "Trading With The Enemy Act" for its involvement in aiding the Nazis during WWII. WASHINGTON — In a stinging rebuke, the nation's top thrift regulator said Thursday that **Neil Bush engaged in serious conflicts of interest as a director of a defunct Colorado savings and loan** and failed badly in his duty to demonstrate "candor and loyalty."

T. Timothy Ryan Jr., director of the Office of Thrift Supervision, **upheld an administrative law judge's ruling that Bush behaved improperly as a director** by keeping hidden his business dealings with

major borrowers of Silverado Banking, Savings & Loan Assn. in Denver.

Federal regulators have cited three instances of **conflicts of interest** in which, they say, **Mr. Bush failed to adequately disclose his involvement.**

They include Mr. Bush's vote to approve more than \$100 million in loans to Bill Walters, a business partner; his recommendation for a \$900,000 line of credit for a joint venture between his company and another business partner, Kenneth Good; and his **failure to notify fellow directors** that **Mr. Good was contemplating a \$3 million investment in Mr. Bush's oil exploration company** at a time when Silverado allowed Mr. Good to reduce his debt to the savings institution by \$8.5 million on the grounds that he was approaching insolvency.

In July 1999, Bush made at least \$798,000 on three stock trades in a single day of a company where he had been employed as a consultant. The company, Kopin Corporation of Taunton, Massachusetts, announced on the same day good news about a new Asian client that sent its stock value soaring. Bush stated that he had no inside knowledge and that his financial advisor had recommended the trades. He said, "any increase in the price of the stock on that day was purely coincidental, meaning that I did not have any improper information."^[19]

When asked in January 2004 about the stock trades, Bush contrasted the capital gains he reported in 1999 and 2000 with the capital losses on Kopin stock he reported (\$287,722 in all) in 2001. In 2001 Kopin joined a broad decline in high-tech stock valuations.^[20]

In 2002, Bush signed a consulting contract that paid \$2 million in stock over five years to work for Grace Semiconductor Manufacturing Corp., a firm backed by Jiang Mianheng, the son of former Chinese President Jiang Zemin, plus \$10,000 for every board meeting he attends.^[23]

Bush serves as co-chairman of a company called Crest Investment. Crest pays him \$60,000 a year to provide miscellaneous consulting services.^{[24][25]}

Through an active, wide-ranging and highly innovative program of activities, the Bush China Foundation promotes the late president's life-long view that the U.S.-China relationship is the most consequential bilateral relationship in the world and that a positive and constructive relationship between the two countries is in the best interest of both the United States and China as well as the entire global community.

There were no planes that hit buildings on 9/11. The planes were digitally added in and synced with the placed timed explosives. The Harken Energy folks are not the only Texas-based colleagues of George W. Bush with fortuitous, if not extraordinary, Arab connections. Another is the mysterious Houston businessman **James R. Bath**, a deal broker whose alleged associations run from the CIA to a major shareholder and director of the Bank of Credit & Commerce International. The President's son has denied that he ever had business dealings with Bath, but early 1980s tax records reviewed by TIME show that **Bath invested \$50,000 in Bush's energy ventures** and remained a stockholder until Bush sold his company to Harken in 1986.

Bath opened his own aircraft brokerage firm in 1976, but his Middle East connections first surfaced two years later, when he became a shareholder and director of Houston's Main Bank. **His fellow investors were** former U.S. Treasury Secretary John Connally; Saudi financier Ghaith Pharaon, an alleged B.C.C.I. front man; and **Saudi banker Khaled bin Mahfouz**, who subsequently became a major B.C.C.I. shareholder.

Bath's business partner contends that, "Documents indicate that the Saudis were using Bath and their huge financial resources to influence US policy," since George W. Bush's father is president. George W. Bush denies any connections to Saudi money. What becomes of this investigation is unclear, but no charges are ever filed.

After they ran this program the other day they started claiming George HW Bush reincarnated which is false since he is dust and eternally dead which is the reason the Bushs are on a rampage of attacks. The survey responses point to **around 405,000 deaths attributable to the war and occupation in Iraq from 2003 to 2011**. At least **another 56,000 deaths should be added to that total from households forced to flee Iraq**, the study authors estimate. More than 60 percent of the excess deaths of men, women, and children reported from 2003 to 2011 were the direct result of shootings, bombings, airstrikes, or other violence, according to the study. The rest came indirectly, from stress-related heart attacks or ruined sanitation and hospitals.

With a story about **"key officials of the Reagan and Bush administration" involved in a "callboy ring,"** the Washington Times in late June seemed poised to give this town the one thing it adores -- a summer scandal. But as of last week, journalists have been left debating whether the Times published a blockbuster or a "blockbluster," as one critic put it. The story is intriguing -- involving male prostitution and a lobbyist who used parties to promote his business connections and business connections to promote his parties.

The Post had written stories on the raid a month before the Washington Times broke its story on June 29 with the large Page 1 headline reading **"Homosexual prostitution probe ensnares officials of Bush, Reagan."** The first reaction at The Post was to decide that the Times story was interesting but not worthy of the all-out assault given other breaking stories -- such as the unfolding scandal at the Department of Housing and Urban Development.

Psychopathic Warfare

Carey Cowles works for the Bourbon-Two Sicilies, Furstenbergs, and Windsors. Carey is a Satanist, cyber terrorist, and connected to the Ordo Templi Orientis and he burns children alive.

Tactics and Defense Mechanisms of Evil

Violence

Always pretending to be in control.

Psychotic and delusional lying.

Childishly saying "no you" to ever person and thing that exposes them and then acting arrogant which includes everything exposing them here.

Constant slander and lying accusations.

Constant denial of their crimes.

Raging faggotry.

Raging blasphemy.

Arrogant grinning to appear confident when they are really scared.

Blood drunken induced psychopathy.

Violence, torture, and murder.

Declaring themselves brilliant for acting like demented and violent liars.

Using sadistic, murderous, and cannibalistic women as a weapon.

Blood drunken praising of themselves.

Financial persecution and paying people off to target people through employment.

Financing liars and slanderers.

Financing propagandists to dominate the internet.

Control the perception of "public opinion" through paid propagandists.

Claiming gang stalking is a democratic process. Organizing and ganging up on individuals in larger numbers and calling it democracy.

Gang stalkers acting like their victims are in a court room where the gang stalkers operate as the judge, prosecutor, defense attorney, and jury.

Dictating lies with covert violence.

Calling the use of self defense against them "dictating lies with covert violence."

Psychotic insolence and terrorism.

Vandalism.

Electronic vandalism like hacking vehicles and electronics to cause them to break.

Electronic harassment.

Recruiting local gang stalkers who use electronic weapons.

Insolent and demented mockeries.

Censorship.

Framing people.

Stealing other peoples writings, claiming them as their own, and using them as bait to target people in a controlled environment.

Poisoning people.

Stalking.

Electronic spying.

Violently attacking people and then running away and calling the people who expose them false accusers. That is them violently attacking people and calling their victims false accusers. That is a form of gaslighting.

Using more violence to dictate their lies and false accusations.

Claiming that exposing a criminal or criminal group while that criminal group is taking a break from their criminal activity is a false accusation.

Claiming that a person can only expose criminals who are currently being criminal.

Reverse psychology like the media pretending to be against Trump or Trump pretending to be against the media. The entire Trump psyop is using reverse psychology.

Political theater. Democratic and Republican shills covertly working together to spread division.

Divide and Conquer.

Republican cult members falsely accusing people of being liberal shills for exposing corrupt republican politicians

Democratic cult members falsely accusing people of being conservative shills for exposing corrupt democratic politicians.

Criminals arrogantly pretending they are in control. Fake omnipotence.

The weaker and more fearful they are the more they finance shills to defend them with boldness and arrogance. Fake omnipotence.

When they are scared they murder children.

Claiming they are gods or claiming god does not exist because they really do murder children and if "god" existed then he would stop them and this is all because the Creator expects good people to do something about it.

When these criminals get killed they retaliate by killing innocent people or children.

Charlie Sheen's tactic of saying the word "winning" over and over again which is what Trump and his QAnon cult members do.

Always pretending to be in control even if they have to contradict themselves constantly to do it.

When members of these criminal families get killed they pretend that they are in control.

Using the placebo effect to induce mindless arrogance when they are scared.

Don Trump and the Atlantic City Mafia

Donald John Trump is colluding with the Italian Mafia and Black Nobility of Rome. Donald Trump literally works with the Italian Mafia which is part of the Sicilian Mafia and the Sicilian Mafia is classified as a terrorist organization. The Black Nobility or Roman nobles that run the Vatican own Cosa Nostra. The Genovese-Gambino owned S&A Concrete were involved in building the Trump Towers in Manhattan. Donald Trump used Roy Cohn as his attorney and Cohn has also worked for former Genovese boss Tony Salerno, Gambino boss Carmine Galante, and John Gotti. Atlantic City was built up by the mafia and is where Trump built his casino. The mafia held one of their earliest meetings there in 1929 known as the Atlantic City Conference including Italian, Jewish, and Irish mafia bosses. Donald Trump purchased part of the property for his casino from the mafia hitman Salvatore Testa. The mafia launder their personal criminal profits through casinos and have run the casinos in Atlantic City since its beginnings. The mafia skim profits from casinos and that is why casinos often go bankrupt. The Merlino's were working on Harrah's about a year before Trump finalized its purchase. Joey Merlino is the current boss of the Philadelphia crime family. Robert Libutti frequented Trump's Plaza Hotel and Casino and was an associate of the Gambino crime family and friend of John Gotti. Trump and Libutti can be seen together in video. Robert Libutti's daughter Edith further revealed his relations with Trump as friends in an interview. Trump's Counselor to the President Kellyanne Conway's grandfather was Jimmy 'The Brute' DiNatale a member of Cosa Nostra and Philly Mob. Donald Trump is connected with Joey Cinque who is a convicted mobster and Gambino associate. Donald Trump is an associate of the Five Families and Philly Mob and Prince Vittorio Emanuele IV of Savoy is the primary owner of the Genovese crime

family. The Genovese crime family have a large faction operating in New Jersey and Atlantic City. The Savoy family has a Savoy-Genovese noble branch and the Savoy family hold the title of Prince of Naples where the Genovese crime boss Vito Genovese was from. Trump has worked with the Russian gangster Felix Sater who has been convicted of assault and fraud. Felix Sater and the Italian Mafia committed fraud through White Rock Partners. Prince Aimone of Savoy-Aosta has lived and worked in Russia and met with Vladimir Putin. Prince Roffredo Gaetani dated Ivana Trump and he is a hidden top owner of the Gambino crime family. Prince Roffredo Gaetani and his brother Prince Luca faked their deaths and have been hiding out in Switzerland with Prince Vittorio. Prince Vittorio has been investigated for racketeering, corruption, and exploitation of prostitution as well as charged with murder in the past. It was the Savoy family that put the fascist dictator Benito Mussolini in power. Atlantic City where Trump owned his casino is mostly controlled by the Philly Mob currently headed up by the mafia boss Joey Merlino. Philadelphia is nicknamed the "City of Brotherly Love" and Prince Roffredo's full name is Prince Roffredo Gaetani-d'Aragona-Lovatelli.

Gotti was arrested after a year on the lam. His grateful bosses **hired lawyer-fixer Roy Cohn** to see what he could do, and Cohn could do a lot. He got the case knocked down to attempted manslaughter, and Gotti wound up doing less time for killing - two years - than he had done for a hijacking that involved \$7,000 worth of women's dresses.

Prince Marcantonio Colonna of Rome with Ivana Trump and this is in 1990 when Donald Trump and Ivana Trump were still married. Prince Marcantonio's ancestor Baron Niccolo Turrisi Colonna of Sicily was suspected of being a leader of the mafia in the 19th century.

Niccolò Turrise Colonna, baron of Gorgo and Bonvicino, was **born in Palermo** on 08.08.1817. His father Mauro was a nobleman of the last hour, but his mother, Rosalia Colonna, belonged to one of the most noble and prestigious families of Sicily, that of the dukes of Cesarò.

A few years later, the President of the Senate, Domenico Farini, revealed that two deputies, Morana and La Porta, confided to him that **Turrise Colonna was actually the politician who, taking advantage of his role, provided protection for the various mafia members**; moreover, he was the link between a certain collusive policy and local entrepreneurship. Even today, to the question that Dino Paternostro puts to its readers in the newspaper "La Sicilia" ... if **Turrise Colonna were the enemy or protector of the mafia ...** ", one is not able to answer.

Prince Victor Emanuele

He believes the former prince is the leader of a criminal gang involved with illegal gambling and prostitution and more.

Yet the transcripts of the prosecutor's wiretaps of the prince and his associates that have been filling Italy's daily papers appear to provide startling evidence of guilt. They give a vivid impression of a man, already immensely wealthy but consumed with greed, and using his name and influence to grub money from seedy affairs of every sort, from **casinos and video-game slot machines** in tax havens to **prostitution**, and trying to use his influence with the authorities, including the tax police, to insulate himself from attack.

Confronted with evidence that he **trousered a bribe of €20,000 to allow a Sicilian businessman, Rocco Migliardi, to run his video-poker gaming machines** in Campione d'Italia, an Italian enclave in Switzerland, he replied, "It's ridiculous to think that I would dirty my hands for a mere €20,000, for me that's mere pocket money."

law in a pump-and-dump scheme by which they acquired blocks of newly issued public stock, paid other brokers at the firm to sell the shares to inflate the price, then sold their own shares at a profit.

<https://www.nytimes.com/2000/03/03/nyregion/19-charged-in-stock-scheme-tied-to-mob.html>

While federal law enforcement officials acknowledged yesterday that **Wall Street and La Cosa Nostra had a tangled history of illicit dealings**, they said the current scheme, run from the offices of two financial district brokerage firms, involved the most senior members of the Mafia to date.

Mr. Gravano's brother-in-law, Edward Garafola, 61, of Staten Island, was indicted along with five other people the authorities called organized crime figures, including Frank Coppa, 58, of Manalapan, N.J., who was described as a captain in the **Bonanno crime family**. At least two members of the **Russian Mafia** were also charged, the authorities said.

According to the indictment, the scheme, which lasted from 1993 to 1996, was led by John Doukas, 52, of Cross River, N.Y., and Walter Dorchalter, 34, of Middle Village, N.Y., who together controlled the brokerage firms of **White Rock Partners & Company** and State Street Capital Markets Corporation in downtown Manhattan.

Prince Vittorio Emanuele IV of Savoy is one of Trump's real bosses and he is the head of the Italian royal family and the primary owner of the Genovese crime family. Prince Vittorio sold military weapons to Middle Eastern nations under sanctions while working for Agusta during the 70's and 80's. Prince Vittorio has also been charged with murder and investigated for exploitation of prostitution, bribes, and gambling rackets.

SaxoNazis

Coburg, Germany coat of arms with a Black Moor. The Saxe-Coburg and Gotha family manage both black and white supremacists and the black wrestler/bodybuilder Mark Henry is their top enforcer.

The Saxe-Coburg and Gotha family or Sachsen-Coburg and Gotha are a high level royalty involved with military and landownership and involved with both Roman Catholicism and Protestantism. The Saxe-Coburg and Gotha family are biggest royalty of Europe. The Steinbrenner family which own the New York Yankees were the Aufenstein family of Tyrol which is the border of Austria and Italy. The Aufensteins ruled the Brenner Pass for the Habsburgs and Italian nobles. The Saxe clans frequently married with the Habsburgs and basically use them as their proxy while they are allied with the Vatican. The Steinbrenners are worth 4 billion and are high level white collar mobsters that rig MLB games for bets with Hal and Hank Steinbrenner as top members. The Saxe clans manage white supremacist groups and also some black supremacist groups. The flag of Coburg has an African on it. The leadership of the white supremacist groups and black supremacist groups are covertly working together with the agenda of human enslavement. Both of these groups blame Jews for everything and both of these groups are financed by Court Jews working for royals and nobles. The Saxe families have covert shares in Goldman Sachs and still have residences in Bavaria where the Goldman and Sachs banking families originated. The Saxon nobles married with the Bavarian Wittelsbachs more than 5 times which ruled Bavaria when the Goldman and Sachs families migrated to the United States. The name Saxe is said to be derived from the Seax knife however it is the other way around. Saxons originated from a Scythian Tribe of Sakas. The Sakas were connected to the Kingdom of Ashkenaz located in Scythia which was also related with the Tribe of Ashkuza. Ashkenaz was an Israelite-Canaanite that migrated into Scythia establishing the Tribe of Ashkuza and Ashkenazi people. The Saxe-Coburg and Gothas were directly involved with the Nazis

and the term Nazi was secretly created to honor Ashkenaz. Prince Friedrich Josias of Saxe-Coburg and Gotha was a Nazi officer in the Wehrmacht. Prince Bernhard of Saxe-Meiningen was accused of being part of a Nazi conspiracy and then later fled to Italy. Charles Edward the Duke of Saxe-Coburg and Gotha was a politician in Nazi Germany. The House of Saxe-Coburg and Gotha were one of the families involved in engineering the Nazis and WWII which was used to persecute and kill off their opposition as well as seize more power. The Saxe family's elder house is the Wettin family. Wettin like wet. They used brainwashing to cause the Nazi movement. The Nazis are generally white supremacists and this also links with the KKK wearing tall pointed hoods which originated with the Sakas. Thomas Robb is a high level member of the KKK and former Grand Wizard. Don Black is the founder of Stormfront and a former Grand Wizard of the KKK. The Sakas were a nomadic tribe of raiders and this is where the term sacking comes from. Sakas were fake white people spawned out of raping white women. They were invaders and thieves that sacked or robbed other nations and tribes. The Nazi propagandist David Duke and former Grand Wizard of the KKK is financed to spread Nazi propaganda in the alternative media for the Saxe clans. Both David Duke and Prince Andreas of Saxe-Coburg and Gotha went to the Louisiana State University in Baton Rouge during the 1960's.

There is both a Babylonian and Scythian branch of Saxons derived from the Ashkenazis. The Sacchetti family of Rome manage some Sachs bloodlines which included Samuel Sachs the co-founder of Goldman Sachs. The Saxe clans have shares in Goldman Sachs. The Massimo family has married with the Saxon House of Wettin through Princess Maria Christina Sabina the daughter of Prince Francis Xavier of Saxony. The Massimos are the head of the Gothic bloodlines. Prince Vittorio Emanuele IV of Savoy's mother was Marie Jose of Belgium of the Saxe-Coburg and Gotha family. The Savoy family and their puppet dictator Benito Mussolini issued Leggi Razziali under royal decree which were anti-Jewish laws. Fascists shared a similar ideology as Nazis. Queen Elizabeth II's father George VI was Saxe-Coburg and Gotha. Prince Daniel of Saxe-Coburg and Gotha is a current member of this family. Jonathan Sacks was the former Chief Rabbi in the UK and serves the Windsors as a Knight of the British Empire. The solution to dealing with the royal families which are operating as a global crime syndicate is outlawing royalty, dictators, and singular rulers and then declaring these criminals the terrorists that they are and executing them. Prince Andreas of Saxe-Coburg and Gotha is the head of this family with his wicked children Prince Hubertus of Saxe-Coburg and Gotha, Prince Alexander Philip of Saxe-Coburg and Gotha and Princess Stephanie Sibylla of Saxe-Coburg and Gotha. The Saxe princes are like military generals that command Nazi gang stalkers in the United States and Europe. Prince Andreas has lived in the US. Prince Hubertus has worked as a banker in New York City and Germany. The Saxe-Coburg and Gotha family own about 20,000 acres in Thuringia. Prince Konrad of Saxe-Meiningen is the head of his princely branch and works as a financial analyst and Managing Director of German Wind Power. Aloys Wobben is a German billionaire worth about 7 billion and from Rastdorf in Lower Saxony. Wobben is the owner of Enercon which is a wind turbine company. Prince Konrad oversees the financing of Nazi gang stalkers. Prince Michael of Saxe-Weimar-Eisenach is the head of his Saxe branch with Prince Wilhelm Ernst of Saxe-Weimar-Eisenach and the recently deceased Prince Constantin of Saxe-Weimar-Eisenach as members of this family. Prince Michael's daughter is Princess Leonie. Prince Michael of Saxe-Weimar-Eisenach is the official head of the House of Wettin and an oppressive brainwasher. The Reimann family which are worth between 10-20 billion are agents of the Saxe-Weimar-Eisenachs and they originated from their Dukedom in the town Buttstadt. The Reimanns were also Nazis. Michael Dell is worth about 28 billion and he has German-Jewish ancestry. Michael Dell lives in Texas and works for the Saxe-Weimar-Eisenachs. The English name Dell is derived from the German word Thal for valley. Klingen Thal is a region in Saxony. Prince Alexander of Saxe-Gessaphe, Princess Gisela of Saxe-Gessaphe, and their sons Prince Paul Clemens, Prince Moritz Gabriel, and Prince Georg Philipp of Saxe-Gessaphe are also members of this Saxe clan along with Prince Ruediger of Saxe-Gessaphe, Prince Karl August of Saxe-Gessaphe, and Prince Friedrich Wilhelm of Saxe-Gessaphe. King Carl Gustaf of Sweden is also a Saxe-Coburg and Gotha.

The Saxon noble families of Germany have a portion of ownership over the Aryan Brotherhood, Nazi Lowriders, and Public Enemy No. 1 which are involved in robbery, identity theft, and other crimes. The

Saxe-Coburg and Gotha family also control the Ku Klux Klan and oversee Nazi propaganda. A ruthless Nazi gang stalking commander in the United States named Tom Rubendall works for the Saxe clans and he has been ordering his agents to commit arson all over the West Coast. Holocaust means a burnt offering. The Nazi Lowriders and Public Enemy No. 1 are allied and mixed in with the Mexican Mafia and Mexican gangs like the Surenos. The House of Hohenlohe-Langenburg are a German-Spanish nobility and they manage some Mexican street gangs. The German-Mexican Prince Hubertus of Hohenlohe-Langenburg has a residence in Mexico and manages oversight of criminal organizations owned by the Spanish Hohenlohe-Langenburg line which are the Dukes of Medinaceli. The Hohenlohe-Langenburg family financed Nazi propaganda in Mexico which is why there are Mexican Nazis like the Nationalist Front of Mexico. The House of Saxe-Gessaphe also have a residence in Mexico. In the 18th century Princess Louise Eleonore of Hohenlohe-Langenburg married Duke Georg I of Saxe-Meiningen and in the 19th century Prince Ernst II of Hohenlohe-Langenburg married Princess Alexandra of Saxe-Coburg and Gotha. A German branch of the Saxe-Coburg and Gotha family was appointed as the monarchs of Belgium with King Philippe of Belgium, Queen Mathilde of Belgium, Princess Astrid of Belgium and Archduchess of Austria-Este, and Prince Laurent of Belgium as members of the Belgian Saxe-Coburg and Gotha family. King Gustaf of Sweden is a Saxe-Coburg and Gotha through his mother. The Saxon families use Saxo Bank in Switzerland and Denmark for their stock market rackets. TPG Capital of Texas owns about 30 percent of Saxo Bank with its co-founder and billionaire Protestant James Coulter. The Saxon and Wettin families are partly Protestant and were heavily involved in the Protestant Reformation. The name Sackler derives from Saxon. The Jewish Sackler family in the United States are multi billionaires and founders of Purdue Pharma which is a large manufacturer of oxycodone and other pain killers. Richard Sackler is a top member of this family and worth about 13 billion. The Sackler family have been exposed for pushing their pain killers through the medical industry and causing mass opioid addiction in the United States. The Wettin family produced 3 rulers of Lithuania. Rodney Sacks is a South African-American billionaire and CEO of Monster Beverage whose parents migrated from Lithuania. Rodney Sacks is an agent of these Saxon nobles. Prince Simeon of Saxe-Coburg-Gotha was the last King of Bulgaria and Prime Minister of Bulgaria until 2005. His children are Prince Kubrat, Prince Konstantin-Assen, Prince Kyril, Prince Kardam, and Princess Kalina and they are all members of the Saxe-Coburg and Gotha-Kohary line. Prince Kyril is a banker and his brother Prince Konstantin was the head of Rothschild Bank in Spain. Bulgaria entered into an alliance with the Nazis through the Tripartite Pact of 1940. Prince Andreas of Germany and Prince Michael are the heads of these clans.

Coburg, Germany coat of arms. Sakas and Scythians from thousands of years ago mixed with Africans and that is why these bloodlines later worked with the Moors who were Arab, African, and Berber. The Moors invaded Europe and trafficked natural white people and the original ancient Israelites were natural white people. That is why most black supremacists have the same exact ideologies as white supremacists. Both the black and white supremacists blame "Jews" for everything. Jew is a code word for natural white people all while these royal Nazis work with fake descendants of Israelites like the Rothschilds. The royal family of Liechtenstein use the Wettin coat of arms on their coat of arms and they also work with the Rothschilds. The House of Wettin is the elder house of all the Saxe clans. Prince Max of Liechtenstein's wife is black. Prince Harry from the House of Windsor is married to Meghan Markle and she is part black. Prince Harry and the Windsors are documented Nazis and the Windsors were originally called the House of Saxe-Coburg and Gotha.

Zionist Wall of Rome

Zionism is both corporate monopolization over wealth and industries and the domination over Jerusalem. The Walton and Wallenberg families are the epitome of corporate communists and Zionists. The Walton family are worth about 170 billion. They own Arvest Bank which they use for financing criminal agendas and money laundering. The Waltons were exposed and investigated for making cash bribes in Mexico to dominate over the market. They also have major leverage over the Stock Market. The Swedish Wallenbergs are industrialists controlling many major corporations with Jacob Wallenberg as a board of director of NASDAQ. They use stock market fraud and covert insider trading for financing corruption and making bribes. Walmart is technically an illegal monopoly based on the Sherman Antitrust Act of 1890. They are violating the Antitrust Act of 1890 in numerous ways as existing as monopolies and manipulating markets. They are criminally conspiring to monopolize industry with the intent of negatively effecting privately owned businesses that are not corporations. Their motive is destroying small businesses which destroys self reliance. The Waltons need to be at minimal imprisoned and their wealth needs to be seized. They are a white collar mafia that is oppressing the rest of society. Corporations are considered a person with rights under corporate law. Corporations are not people and therefore are fraudulent concepts. The owners of corporations like the Waltons are able to evade

responsibility for crimes committed by their corporation because the corporation is the person and responsible itself under this fraudulent racket. The Wallenberg family are a Swedish family controlling hundreds of billions worth of corporations and use their control of wealth and assets to manipulate the European markets. All through out history the Christian royal families have used Jewish Court Factors to handle their finances and collect taxes and this keeps the attention off them. The Court Factors are a middle wall of defense for the royalty which are higher level in the control system. The monarchs and princes authorize court factors from their royal courtrooms to carry out their financial interests. The Waldenberg and Waldburg families are a Christian German nobility working with the Hohenzollerns, Saxe-Coburg and Gothas, Badens, and Wurttembergs and also with the House of Habsburg who still have a portion of covert authority over the Germany royalty today.

These Wall bloodlines were Urartian-Sarmation chameleons that have been posing as Suevians. Swabians, and Swedes. The Waldenberg family are of Swabia and the Waldburg family are from Baden-Wurttemberg. The names Swabia and Sweden derive from the original Suavi settlers and their name means "ones own" and crereign". These current rulers of Sweden and Swabia are not real Suavian ancestors. The word wall in Wall Street derives from the Germanic word Walhaz which means foreigner. These foreign invaders seek to dominate over wealth and resources as warfare against the people they seek to usurp. They were and are foreign invaders that infiltrate and undermine other cultures which they take advantage of. The Bernadotte name is connected with Berne, Switzerland and the family shares ancestry with the German-Swiss Diesbach and Berenberg families. The Bernadottes that rule Sweden immigrated to Sweden a few hundred years ago. In Sweden there is the extremely wealthy Wallenberg family which share a similar ancestry with the House of Waldenberg. The Wallenbergs manage many corporations as boards of directors. Together it is believed they manage companies worth hundreds of billions. They are also members of the Bilderberg Group. The House of Bernadotte have influence over the European Round Table of Industrialists which has economic leverage over the European Union. Many members of the ERT are Swedish knights and French knights. The Bernadottes and Bonapartes of France have an alliance and fought together. The Bonapartes appointed the Bernadottes to the Swedish throne. The Wallenberg family are Christian-Jewish Court Factors serving the Swedish House of Bernadotte which has recent Germanic ancestry through marriages with German nobility that were directly involved with Nazis. The Wallenberg family financed the Nazis through their Stockholms Enskilda Bank and also helped some criminal Jews leave Germany. The Holy Roman and Scandinavian royal families have large amounts of shares in corporations, authority over billionaires, CEOs, and extensive hidden wealth. They use this wealth to finance a wall of protection. Carrie Walton Penner and James Walton were both Jesuit educated from Georgetown. Carrie Walton Penner's husband Greg Penner was Jesuit educated from Georgetown and is the Chairman of Walmart. Mark Wahlberg is a Vatican knight and works for the Jesuit Georgetown educated Marcus Wallenberg who is a covert Knight of Malta. Mark Wahlberg is a psychopath that runs a military unit of Scientologist and Vatican knights which use electronic weapons. Mark Wahlberg is extremely evil.

The Walton family own Walmart which uses the six pointed star for its logo. The six pointed star is a symbol for Zionism. The hexagon is the most efficient geometric shape for processing thermal energy. This is why many snakes have hexagonal scales used for absorbing solar rays. Snowflakes often take the shape of hexagonal stars from the heat extraction. The Chigi-Albani della Rovere family used six hexagrams on their papal coat of arms and they are Roman nobles that are married with German nobles and were both nobles and bankers. Prince Mario Chigi and his son Prince Flavio Chigi are managers of the Waltons. The Walton's collective net worth is estimated around 170 billion and they are also Court Factors serving the House of Windsor and other German nobility. Corporate Zionism is about dominating industries and wealth with the intention of making a large portion of society impoverished. Walmart is a destructive monopoly that is taking away from small businesses. Small businesses cannot fairly compete with corporations which are also protected by laws and regulations issued by the federal government and put forth by corporate lobbyists. They use expensive lawyers who make hidden loopholes in these laws and regulations which only the privileged are aware of. This is why lawyers use their own terminologies. These billionaires also use their large wealth as a pool of money for making illegal transactions. Someone

with tens of billions can move around a hundred million and it goes unnoticed and then the money gets refilled by the foreign powers they serve. They use their wealth to finance secret societies and organized crime which are oppressing the rest of society as a defense for the royal families. The Waltons sold many of their Walmarts to the government which are being used to imprison and traffic immigrant children. The Wallenberg and Walton families use their wealth to fund a Wall of defense. These monopolies should be shut down immediately and these families need to be criminally investigated. The Howard de Walden family in the UK are from this bloodline and believed to be worth about 4 billion with the Hollywood movie producer Peter John Joseph Czernin and his mother Mary Czernin the 10th Baroness Howard de Walden. Members of these criminal billionaire families include Jacob Wallenberg, Marcus Wallenberg, Peter Wallenberg Jr, and Jim Walton, Samuel Robson Walton, Alice Walton, Steuart Walton, Lukas Walton, James Walton, Carrie Walton-Penner, and others. The Walton family work under various tyrannical princes including Duke Carl of Wurttemberg, Margrave Maximilian of Baden, Prince Mario Chigi-Albani della Rovere and the very wicked Prince Erich Waldburg of Zeil and Trauchburg. Various wealthy European royals and nobles like the Wurttemberg, Baden, Hohenzollern, Chigis, Stuarts, Waldburg-Zeil, Anhalt, and others funnel their wealth through the Waltons and Wallenbergs accounts used for financing corruption, human trafficking, and organized crime creating a wall of defense for evil.

Walton family fortune balloons to **\$175.2 billion** after Walmart reports hot holiday earnings

Wal-Mart Hushed Up a Vast Mexican Bribery Case

The former executive gave names, dates and bribe amounts. He knew so much, he explained, because for years he had been the lawyer in charge of obtaining construction permits for Wal-Mart de Mexico.

Wal-Mart dispatched investigators to Mexico City, and within days they unearthed **evidence of widespread bribery. They found a paper trail of hundreds of suspect payments totaling more than \$24 million.**

In an interview with The Times, Mr. Cicero said Mr. Castro-Wright had encouraged the payments for a specific strategic purpose. The idea, he said, was to build hundreds of new stores so fast that competitors would not have time to react. **Bribes, he explained, accelerated growth. They got zoning maps changed. They made environmental objections vanish. Permits that typically took months to process magically materialized in days. “What we were buying was time,” he said.**

Each month, Mr. Castro-Wright and other top Wal-Mart de Mexico executives “received a detailed schedule of all of the payments performed,” he said, according to the lawyer’s notes. **Wal-Mart de Mexico then “purified” the bribes in accounting records as simple legal fees.**

The decision **gave Wal-Mart’s senior management direct control over the investigation.** It also meant new responsibility for the company’s tiny and troubled Corporate Investigations unit.

“There is reasonable suspicion,” Mr. Halter concluded, “to believe that Mexican and USA laws have been violated.” There was simply **“no defensible explanation” for the millions of dollars in gestor payments, he wrote.**

Samuel Robson Walton is a psychotic tyrant that claims to be god and constantly claims he is sovereign over the royals who have propped him up and claims to be the highest authority in the United States. That is what he keeps claiming. Rob Walton thinks wealth equals godliness. The Waltons sold some of their Walmarts to the United States government which are using them for trafficking immigrant children. People exposed that Walmarts were being purchased by the United States government for years with the purpose of using them as detention centers or concentration camps.

Inside Casa Padre, the **converted Walmart** where the **U.S. is holding nearly 1,500 immigrant children**

BROWNSVILLE, Tex. — For more than a year, the **old Walmart** along the Mexican border here has been a mystery to those driving by on the highway. In place of the supercenter’s trademark logo hangs a curious sign: “Casa Padre.”

But behind the sliding doors is a bustling city unto itself, equipped with classrooms, recreation centers and medical examination rooms. Casa Padre now **houses more than 1,400 immigrant boys** in federal custody. While most are teenagers who entered the United States alone, dozens of others — often younger — were **forcibly separated from their parents** at the border by a new Trump administration “zero tolerance” policy.

Bourbon Crime Syndicate

The House of Bourbon are one of the most dominant criminal bloodlines and royal families on the planet and they are owners of various drug cartels as well as the Galician Mafia. King Felipe VI of Spain is claims the official title of King of Jerusalem and is the head of the Order of Montesa which is the continuation of the Knights Templar of Aragon. The Knights Templar were the original Zionists. The Knights Templar Cartel in Mexico and others are owned by the House of Bourbon and other Spanish nobility with Italian connections like the Osorio, Aragona-Escobar, Borja, Alvarez, and FitzJames-Alba families. Drug cartels are drug merchants and Templars were also merchants and bankers. When Pope Benedict XVI visited Mexico the Knights Templar Cartel welcomed him with a banner. MS-13 is like a branch of the Mexican Mafia and they operate in the United States ruthlessly serving their interests. Luis Flores founded the Mexican Mafia. Flores means a flower. The Bourbon family use the "fleur-de-lis" on their coat of arms. Fleur means flower. Mexico is overseen by Spain and some Italian nobility with Spanish connections like the Gaetani, Torlonia, Colonna, Massimo, and Ruspoli families. Jeb Bush was the former governor of Florida and Duke Francisco of Bourbon and Escasany was the CEO of the Bank of Miami. Jeb Bush is a 4th degree Knight of Columbus and his wife Columba Bush is from Guanajuato where the Knights Templar Cartel have operations. The House of Bourbon established Banco Santander under Queen Isabella II which has over 1.3 trillion in assets along with its subsidiary Santander Bank in the United States. Ana Patricia Botin-Sanz de Sautuola O'Shea is a Spanish noble and is the executive chairman of Santander. The Botin family continually manage Santander for the House of Bourbon and Ana's father Marquis Emilio Botin was investigated and fined 200 million for tax evasion and concealing billions in private Swiss bank accounts along with various other criminals using Santander accounts in Switzerland. Louis Alphonse Bourbon the Duke of Anjou is a French-Spanish banker and great grandson of Francisco Franco. Louis's father in law is Victor Vargas who owns Banco Occidental de Descuento with 17 billion in assets. Francisco of Asis-Franco and Martinez-Bordiu is another grandson of the dictator and just as wicked. Prince Louis Alphonse and Marquis Francisco Asis-Franco are pure evil.

King Juan Carlos of Spain spent Thanksgiving at the Bush ranch several years back and made criminal business deal with the Bush family. The Bourbons and the Bush family are both married with the Hawkins family. Laura Bush's mother was born as Jenna Louise Hawkins. The Hawkins family married with the Walford and Bourbon family which are the Dukes of Ansola and Marchena. George Bush owns large amounts of property in Texas near the border. The Bush family are working with the House of Bourbon and use their power and wealth to assist the drug cartels and Mexican Mafia in trafficking drugs, weapons, and humans across the border. Several decades ago Mexican cartel criminals made human sacrifices in Brownsville, Texas near the Mexican border which was a satanic sacrifice. Mobsters are Satanists. Rick Perry is an agent of the Bush family and was a former Lieutenant Governor of Texas under Bush and is now United States Secretary of Energy under Donald Trump. Former president

Vincente Fox was Jesuit educated. The Jesuits settled in Sinaloa where one of the largest crime syndicates the Sinaloa Drug Cartel is located. King Felipe VI was Jesuit educated at Georgetown in Washington DC. The political leaders in Mexico are deeply connected with the Vatican and Spanish Crown. Organized crime is involved with trafficking women and children. The Mexican Mafia and MS-13 are also connected with a Satanic Aztec cult of blood drinkers that are inside the United States and involved with a child kidnapping ring. In Spain an estimated 300,000 babies were stolen from Roman Catholic Spanish hospitals under the governance of Francisco Franco and the House of Bourbon. This has been reported by the mainstream media. The House of Bourbon traffic babies. The Bourbon family own the Gulf Cartel and are working with their cousins the French House of Orleans which own the New Orleans crime family. They have a criminal trafficking network from Mexico through the Gulf of Mexico to New Orleans, Louisiana. They are ruthless criminals and nothing more. The Mexican billionaires Antonio del Valle Ruiz and Carlos Slim are agents of the Bourbons and managers of the cartels.

King Felipe VI of Spain holds the official title of King of Jerusalem and this makes him very high level. The Spanish House of Bourbon is intermarried with Italian Black Nobility and Holy Roman nobility like the House of Battenberg and House of Habsburg-Lorraine. Juan Carlos' father Count Juan of Barcelona was born in Rome. The royal families are all working together to dominate over society. When the people of Spain wanted to get rid of the monarch the royal families propped up the fascist dictator Francisco Franco whose revolt caused a civil war and he then reestablished the Bourbons as the rulers of Spain. They use war and chaos to regain their order. The Latin phrase *Ordo ab Chao* is the motto of Freemasons and means Order out of Chaos. Juan Carlos shot and killed his older brother to steal the Spanish Crown. When the Bourbon family started getting exposed like this Juan Carlos stepped down and they passed a multitude of fascist laws restricting freedom of speech. *Alumbrados* is the Spanish word for Illuminati and they existed more than two hundred years before the Bavarian Illuminati and were connected with Ignatius Loyola the founder of the Jesuits. The Spanish royal family also controls the Latin Kings and finance criminals and gang stalkers. A man named Jose Francisco Ruiz or his street name Bigs is an associate of the Puerto Rican Mafia and is a gang stalker, serial killer, faggot rapist, and cannibal operating in New England and Florida. He has a reaper tattoo on his arm and is a paid killer and he works with his cousin Hector whose street name is Chiefy. Jose Ruiz is propped up to a high level by the Bourbons and he is extreme evil. Prince Francisco of Bourbon and Hardenberg is an extremely evil member of this family and a Grand Master of the Order of Saint Lazarus. Prince Francisco works for Alpha Trading a mining company based in the US and involved with precious metals, oil, and gas. Prince Francisco is also a managing partner of Neftan which is a global investment firm run by his father the Duke of Seville. The Duke of Seville manages the Archbishop of Seville Juan Asenjo Pelegrina.

The House of Bourbon is married in with most of the Spanish nobility including the Gomez-Acebo family which run an international law firm. Jose Gomez is the Archbishop of Los Angeles and an agent of the Gomez-Acebo family. California was once part of the Spanish Empire. The Irish-Galician Estevez family of Hollywood with Martin Sheen, Charlie Sheen, Emilio Estevez, and Ramon Estevez are agents of the Bourbons and associates of the Galician Mafia. Martin Sheen is a devout Roman Catholic and changed his name to Sheen to honor Archbishop Fulton Sheen. The actor Antonio Banderas is from Spain and was given an award by King Felipe VI of Spain. The Bourbon family recently married with the German House of Hardenberg. Their German cousins with Count Andreas von Hardenberg ran the Berliner Bank a subsidiary of Deutsche Bank. Members of the criminal Spanish House of Bourbon include King Juan Carlos I of Bourbon, Queen Sofia of Spain, Duchess Pilar of Bourbon, Duchess Margarita of Bourbon, Duke Carlos of Zurita, King Felipe VI of Bourbon, Queen Letizia of Spain, Duchess Elena of Bourbon, Princess Cristina of Bourbon, Duchess Simoneta of Gomez-Acebo and Bourbon, Prince Luis Beltran of Gomez-Acebo and Bourbon, Prince Bruno of Gomez-Acebo and Bourbon, Prince Fernando of Gomez-Acebo and Bourbon, Prince Alfonso of Zurita and Bourbon, Duchess Maria Sofia Emilia Carmen of Zurita and Bourbon, Prince Felipe of Marichalar and Bourbon, Duchess Maria Cecilia Walford-Hawkins and Bourbon, Donna Mary Helen Walford-Hawkins and Bourbon, Don John James Walford-Hawkins and Bourbon, Don Michael Walford-Hawkins and Bourbon, Don Francis Walford-Hawkins and Bourbon, Don Hugh Walford-Hawkins and Bourbon, Duke Alfonso of Bourbon and Sanchiz, 4th Duke of Santa

The Bourbons are ruthless tyrants that need to be exterminated.

King Felipe VI of Bourbon and Queen Letizia of Spain. King Felipe VI is a part owner of various drug cartels and especially the Gulf Cartel and him and his wife are international child traffickers and they are child murdering pigs. The House of Bourbon are also the founders and part owners of Banco Santander which has 1.4 trillion in assets.

Santander's history began on 15 May 1857, when Queen Isabel II signed a royal decree authorising the founding of Banco Santander.

As a result of the war of Spanish Succession (1701-13), Naples and Sicily were ceded by Spain to the Habsburg emperor Charles VI in 1720, and the pope duly invested the emperor with the titles of king of Sicily and Jerusalem on June 5, 1722 (the kingdom being a papal fief).

The kings of Spain continued to use the title of Jerusalem until 1931, as did the kings of Two-Sicilies.

<https://www.nytimes.com/2012/05/23/business/global/court-closes-tax-case-against-spains-leading-banker.html>

MADRID — Spain's national court on Tuesday closed a tax fraud investigation focusing on Emilio Botín, the chairman of Banco Santander, and 11 of his relatives.

The court said the case was abandoned, without any charges being brought, because the Botín family had straightened out its tax problems before June 2011, when the investigation was announced. At the time, people close to the family said the Botíns had already paid about 200 million euros (about \$288 million based on the exchange rate at that time) in back taxes.

The Botín family's dealings with HSBC dated to 1937, when Mr. Botín's father, who was also named Emilio, left Spain after the start of the Spanish Civil War and opened an account in Switzerland. He died in 1993, but the Botíns' lawyers said his son and other heirs found out about the secret bank account only two years ago, when the list of HSBC account holders came to light.

King Juan Carlos of Spain met with President George Walker Bush at his ranch in Texas which was a secret drug trafficking deal between the Bourbon's Gulf Cartel and the Bushs criminal agents that operate at the Texas-Mexican border. On March 14, 1989 a 21-year-old student named Mark J. Kilroy disappeared during a nighttime, Spring Break excursion into Matamoros. U.S. and Mexican law enforcement joined the Kilroy family in an extensive search for the missing student on both sides of the Rio Grande.

It took almost a month to find Kilroy's body. He had been **tortured**, **dismembered**, offered up as

human sacrifice in the twisted imaginings of **drug traffickers**, who thought that sacrifice offered them protection from detection. Kilroy was killed at Rancho Santa Elena, owned by the drug-trafficking Hernandez family, just across the river from the small U.S. community of El Ranchito.

On April 11, 1989, before Zavaleta arrived, Rancho Santa Elena revealed its horrors: 13 bodies would be located that day, including Kilroy's.

The bodies were all male, all horribly mutilated. Some had been **castrated and sodomized**; some were **missing the brains, limbs and hearts** that had fed the nganga. Long wires had been coiled around the bones of their spines, so that they later could be pulled from the earth to be used as necklaces.

https://en.wikipedia.org/wiki/Order_of_Montesa

The Order of Montesa (Valencian: Ordre de Montesa, Aragonese and Spanish: Orden de Montesa) is a Christian military order, territorially limited to the old Crown of Aragon. It was named after the castle of Montesa, its headquarters.

Templar background

The Knights Templar had been received with enthusiasm in Crown of Aragon from their foundation in 1128. King Alfonso I of Aragon, having no direct heir, bequeathed his dominions to be divided among the Knights Templar, the Knights Hospitaller, and the Order of the Holy Sepulchre, but this bequest was annulled by his subjects in 1131. The Knights Templar had to be contented with certain castles, the chief of which was Monzón. Although the Aragonese branch of the order was pronounced innocent at the famous trial of the Templars, Pope Clement V's Bull of suppression was applied to them in spite of the protests of King James II of Aragon in 1312.

King James II persuaded Pope John XXII to permit him to regroup the Templar properties in Aragon and Valencia, and to create a new military order not essentially differing from that of the Templars

Stupid Arrogance

Jesse Like is a murderous gang stalker and a mindless, angry, insolent tyrant who thinks he is god because he is insecure over his sub human genetics. Jesse Like is the essence of an inferior man. Jesse Like is possible the dumbest person to ever exist along with Erik Hofemeister and they often work together. He works under the House of Odescalchi and he also works under the royals of Serbia. When Jesse is not claiming to be god himself he says that Seth Rozman is his god and constantly assists him with blasphemies. Jesse Like also works closely with Alison McCarthy-Senatro similar to how the Serbians ran the Irish Mob in New York. Jesse is part of a cult of serial killers that prey on female prostitutes and a their motivation is bringing down society because they lust to rape and murder little girls and boys. Jesse Like also works under Paul Lallier a pathetic and weak criminal and serial killer who Jesse Like is in great fear of because Jesse is also pathetic. The name Like derives from the town called Like in Bosnia near Serbia. Bosnia has a large Serbian population and the Odescalchis ruled in that region including in Croatia. The Hungarian Odescalchi branch are titled the Princes of Serbia. Prince Baldassare Odescalchi and his father Prince Carlo Odescalchi often manage Jesse Like. Croatia also has a large Serbian population. Jesse Like works with the Serbian Mafia which has an alliance with the Russian Mafia and Irish Mafia. Boskco Radonjich was considered a boss of the Irish Westies gang in New York although he was probably just a high level associate and really a Serbian crime boss. John Bokun seems to oversee the Serbian Mafia in New York today and John Bokun manages mobsters through faggotry and bends them over. Bokun means to bend. Jesse Like pretends to be a gangster however when someone broke his jaw he reported them to the police and had them arrested. He did nothing about it in retaliation and today works with the one who broke his jaw in making war on me. How are you going to claim to be a gangster and call the police when someone beats you up? I was associated with the person who broke his jaw and while his jaw was wired shut he began mumbling to people that he was going to kill me. I tried to prevent the situation that caused him to get the broken jaw and yet he blamed me for it. I tried to prevent the situation and he blamed me for it because he is a demented maniac. Today the one who broke his jaw gang stalks me and Jesse and him often target me together. A few years later Jesse drove by me pointing a gun with another gang stalker named Derek Harrison. Several years after that he stalked me at my work while two of his friends were with him. This other cowardly gangster named Derek Harrison was punched in the face by someone else I was associated with and Derek cried after being hit. Derek was warned to stay in his car and not interfere in a fight and he did not listen and was hit twice for it and he

cried. The same day Derek was punched his drugged up friend Ryan Burton attacked a person I was associated with and was beat down by several people. Prior to this Ryan Burton was making death threats towards these people and approached them while he was on drugs a previous night with a broken beer bottle. Ryan Burton is a drug addict, convicted criminal, and mentally unstable. After being beaten down Ryan Burton ran away and hopped a fence and threatened to call the police while crying his eyes out like a little girl. He was really crying like a little girl and begging them not to hit him anymore. I had nothing to do with any of these incidents but was friends or acquaintances of the people who beat them up and I witnessed what happened.

After crying and threatening to call the police a few days later Ryan Burton jumped out of a car and started swinging a machete at me. I didn't call the police and even told my friend across the street not to shoot him. Ryan Burton was later arrested for robbing an old lady for her purse at a grocery store and the last time I saw him he tried to be nice to me and I stared him down and he put his head down in shame. These cowardly gangsters are gang stalkers. Gang stalkers target individuals in groups. They target people secretly. They prey on women and also hide behind evil women like the child murdering witch Meghan Parsons who works with Jesse. Meghan Parsons is one of the most evil females I have ever come across and she worships the Hollywood actor Jesse Johnson who is a child murderer, blood drinker, and terrorist. The actor Jesse Johnson is one of the most evil beings on the planet. Jesse Like serves the interests of Jesse Johnson which makes me believe that Jesse Like serves Meghan Parsons. The actor Jesse Johnson is the most demonic and murderously vain person in Hollywood and possible the most vain person to ever exist. He is disgustingly evil and vain and goes on psychotic attacks when he can't bathe in the blood of murdered babies. Jesse Johnson's throws demonic and childish temper tantrums over vanity and bathing in baby blood. Jesse Johnson's mother Patti D'Arbanville is a psychotic and cannibalistic child murderer directly working with the Italian Mafia. Meghan Parsons is a psychotic and arrogant tyrant obsessed with murdering children and she turns women into a psychotic child murdering cannibalistic monsters out of envy. Meghan Parsons says that "cannibalizing children is amazing" and "mafia wives get to do it." Meghan is a murderous tyrant and she works closely with Jesse Like and Ergest Mati who are both violent criminals and sexual predators. Meghan Parsons also worships the actor Jesse Johnson. Jesse Like also manages a cult of male serial killers that prey on female prostitutes and Jesse targets little girls as well. They are all cowards. Jesse Like likes to pretend he is tough but really likes being bent over by men like another gang stalker and cannibal named Brandon Morales. Jesse Like also works very closely with Erik Alexander Hofemeister and is probably as depraved as him. Jesse's ex-girlfriend named Nicole who he raped with a screw driver on video tape was found murdered and his criminal group were pimping her out. Jesse Like cannot please real women so he preys on little girls or rapes them with screw drivers and that is a reason for his psychotic anger.

IllumiNazi Hohenzollerns

The House of Hohenzollern are an imperial military bloodline that ruled in Germany, Prussia, and Romania. The Hohenzollerns are insane liars and extremely sadistic. The Hohenzollerns manage many merchant bankers including the Goldschmidt-Rothschild, Schroder, and Berenberg bloodlines which are all Hanseatic merchant-banking families and these families were made barons under the Hohenzollerns. Schroders manages over 550 billion in assets and was founded by Baron Johann Schroder a noble under the Hohenzollerns. The Hohenzollerns originated from Hechingen, Germany which uses the masonic black and white checkboard pattern for its flag similar to the Hohenzollern coat of arms. They were extensive land owners with castles all over the Holy Roman Empire. Today the President of Germany resides in the Hohenzollern's former Bellevue Palace. The Hohenzollerns are elevated at the top of the masonic Illuminati pyramid. The German word Hohe means height and zoll refers to tolls or taxes. The Bank for International Settlements (BIS) which was founded by Nazis is a mediator in fraudulent tax contracts with central banks and has been siphoning off wealth from nations. Prince Christian and Prince Philip are friends with Dieter Meier who is a large shareholder of Orell Fuselli which prints Swiss banknotes and Israeli shekels. Meier and the Hohenzollerns are involved with counterfeiting currencies. Princess Desiree of Hohenzollern is married to Eckbert Bohlen and Halbach. The Nazi Krupps merged with the Bohlen and Halbachs. Walther Funk and Emil Phul were Nazi bankers and original directors for the BIS. The Hohenzollerns have large amounts of wealth concealed in private banks. The Hohenzollerns and Dutch royals have a close alliance. Princeton was established in honor of the Prince of Orange-Nassau. The Princeton educated Robert Mueller the former Director of the FBI is an agent of the Hohenzollerns with ancestry from Prussia. Their primary function is commanding military operations financed by the BIS which funds covert Nazi style gang stalking. The BIS needs to be shut down and these criminals involved need to be executed. They control society through structural systems. Their basic

masonic structure is a hexagram with and an upward Illuminati pyramid and a downward Occult pyramid creating a hexagram design of control and the Hohenzollerns sit at the top of the Illuminati pyramid as overseers. Royals refer to themselves as Illuminati. They claim they are illuminated and superior to the rest of society. They are really fascist murderous, and deceptive psychopaths with a false sense of superiority.

In military this is called having the "high ground" and this creates an advantage of oversight in battle. They still own Hohenzollern Castle which is built on top of a mountain above the land all around them. The Hohenzollerns are a Nazi-Illuminati military bloodline working closely with the Saxon noble families which they have married with frequently. Prince Oscar of Prussia is the head of the Order of Saint John of Bailiwick-Brandenburg which is a Protestant version of the Sovereign Military Order of Malta. Prince Philip Kiril of Hohenzollern-Prussia is the Royal Patron and Protector of the Knights Templar OSMTJ in the United States. The Hohenzollerns attempted to turn the United States into a Constitutional Monarch under a Hohenzollern king. They base this on the Secret Treaty of Verona where they claim its their divine right to rule. Emperor Frederick III of Hohenzollern-Prussia authorized Deutsche Bank with Georg von Siemens as a co-founder and agent of the Hohenzollerns. The Hohenzollerns also created the central bank of Germany. George von Siemens was born in Prussia and was a member of the Prussian House of Representatives. Deutsche Bank worked with the Nazis and financed concentration camps and the Nazi military. The Hohenzollerns have a portion of ownership over Deutsche Bank which has 1.5 trillion in assets and also shares in the manufacturing company Siemens which has about 133 billion in assets. Siemens used slave labor through Nazi concentration camps. The Nazis and Baron Norman Montagu of England stole 736 million in gold in today's worth from Nazi occupied Czechoslovakia which was stored at banks in London. The Windsors have recent Germanic Saxe-Coburg and Gotha ancestry and Prince Edward VIII of Windsor was a supporter of Hitler. The Saxe-Coburg and Gothas were directly involved with the Nazis with Duke Charles Edward of Saxe-Coburg and Gotha who was a politician in Nazi Germany. The Saxons have married with the Hohenzollerns numerous times. The Hohenzollerns and Saxe-Coburg and Gothas are owners and commanders over several Neo-Nazi organizations including the American Nazi Party, Aryan Nations, Public Enemy No. 1 and some factions of the Aryan Brotherhood. The Hohenzollerns also infiltrate militaries. The Hohenzollerns also own Gremium a criminal biker gang in Germany. The Yoh family are Hohenzollern agents worth about 2 billion and own Day & Zimmerman and manufacture ammunition for the United States military. Pope Pius XII or Eugenio Pacelli who made an alliance between the Nazis and Vatican was the godfather of Prince Ferfried of Hohenzollern.

Emperor Wilhelm II was from the Hohenzollerns and Saxe-Coburg and Gothas and his actions and ideologies helped to create the rise of the Nazis. Even with the Hohenzollerns being "exiled" after WWI they returned to Germany and reclaimed their castles, titles, and land. Wilhelm II's son Prince August Wilhelm of Prussia joined the Nazi party. The Nazi general Hermann Goring and Nazi officer Hermann Balck were Knights of the Order of Hohenzollern currently headed up by Prince Georg Friedrich and Prince Karl Friedrich. The top German royals were in on the Nazi conspiracy and used it as a power grab and that is why they still reside in Germany today and still claim their princely titles. WWII was a global war engineered all around by the royals and nobles so that they could develop weapons and technology, seize more land, persecute and kill off their opposition under the disguise of war, and seize more control of various governments out of their engineered chaos. The Hohenzollerns use the black and white masonic checkerboard on their coat of arms. Luke Rudowski is a shill working for the Hohenzollerns and uses a black and white Hermetic logo. Rudowski who is Polish and from New York is an agent of the Polish Radziwills which have resided in New York and served the Hohenzollerns. The Donhoffs are German counts serving the Hohenzollerns. The Romanian Hohenzollerns moved to Switzerland after losing their throne to communism however returned to Romania during the 1990's. The Nazis were socialists. Socialism is another name for communism. Communism is really a take over program used by monarchs when they lose favor of the people. Communism is not sustainable and is used for short periods of time as a tool of oppression. The Romanian Sturdzas with Prince Eric Sturdza own Banque Eric Sturdza located in Switzerland. The Ofer family run Israel Corporation through their Ofer Brothers Group

and they are Romanian Jews and Court Factors for the Romanian Hohenzollerns. Eyal Ofer and his brother Idan Ofer are wealthy Zionist billionaires. The Arison family are high level Zionists with Romanian ancestry and they are agents of the Romanian Hohenzollerns with the billionaires Micky Arison and Shari Arison. The Hohenzollerns and their Isenberg associates used their Jewish cousins the Eisenbergs to create Israel Corporation. The Jewish Goldschmidt-Rothschilds converted to Roman Catholicism and became nobles under the Hohenzollerns. Baron Cyril de Goldschmidt-Rothschild is a current noble under the Hohenzollerns and his family's bank co-founded Commerzbank which has about 500 billion in managed assets.

Three of the five Masonic orders in Germany were founded in Prussia during the Hohenzollern's reign. The lodges were the Die Grand National Mother Lodge, the Grand Land Lodge of the Freemasons of Germany, and Lodge Royal York of the Friendship. The head of Freemasonry are the grand lodges in Scotland and England. The Hohenzollerns are self identified Protestants however that is their front and they serve and work for Rome. Princess Sophie of Prussia is Roman Catholic and the wife of Prince Georg Friedrich. Princess Sophie is from the Isenberg family with her father Prince Franz-Alexander of Isenburg as the head along with his son Prince Viktor of Isenberg. The Isenbergs manage the Jewish billionaire Eisenberg family that founded Israel Corporation as well as the very evil actor Jesse Eisenberg. The Isenberg name means Ice-berg and they were behind the Titanic insurance fraud scheme through their German agent Gustav Wilhem Wolff whose company built the Titanic. The Titanic was switched with its damaged twin sister ship which was possible sunk by the German U boat. The royal families are all intermarried and work together. Their real religion is sorcery and lies. The murderous psychopath Prince Georg Friedrich is the current head of the Prussian House of Hohenzollern and his wife is Princess Sophie. Other members include Prince Karl Friedrich of Hohenzollern-Sigmaringen and his wife Princess Katharina Maria, Prince Ferfried, Prince Alexander , Prince Ferdinand, Prince Albrecht, Prince Carl Christian, Prince Hubertus, Prince Oscar, Prince Christian-Sigismund, Prince Christian-Ludwig, Prince Joachim-Albrecht and his brother Prince Friedrich Wilhelm, Prince Aldabert and his wife Princess Eva Maria and their sons Prince Alexander, Prince Christian, and Prince Philip, Princess Sybille, Prince Philip Kiril, Prince Franz Wilhelm, and his son Grand Duke George Mikhailovich of Russia as well as the remaining royals of Romania including Crown Princess Margareta, Princess Elena, Princess Irina, Princess Sophie, Princess Maria, Prince Paul-Philippe and Prince George Nicholas Alexander Lambrino. These Hohenzollerns are pure evil.

Prince Karl Friedrich of Hohenzollern-Sigmaringen and his wife Princess Katharina Maria of Hohenzollern-Sigmaringen. The Prussia Crown authorized the creation of Deutsche Bank and it was also the Prussian Crown that created Reichsbank which received the gold stolen by the Nazis through the Bank for International Settlements and then melted it down and covertly gave a portion of it to the Hohenzollerns. The Bank for International Settlements admits it was involved in theft of gold by the Nazis however they do not admit the real amount of gold stolen or where that undocumented gold went.

https://www.bis.org/about/history_2ww2.htm

Investigations after the war revealed that the **Reichsbank** had used large quantities of **gold stolen from central banks in the occupied territories** to make wartime payments to a number of institutions including the Swiss National Bank and the BIS. **This gold had been remelted at the Prussian mint to conceal its origin.** In this manner, during the war, **the BIS received 3.7 tonnes of gold from the Reichsbank** which, it emerged from German records captured after the war, had originally been **looted from the central banks of Belgium and the Netherlands.** The BIS cooperated fully with the postwar investigations led by the Allied Tripartite Commission for the Restitution of Monetary Gold and returned 3.7 tonnes of gold to the Commission in 1948.

Prince Karl Friedrich of Hohenzollern-Sigmaringen still owns this castle. Maintaining castles like this is extremely expensive. The Hohenzollerns have large amounts of wealth both in their personal bank accounts and secretive wealth in private banks which they use to finance their agents and agendas.

https://en.wikipedia.org/wiki/Sigmaringen_Castle

Sigmaringen Castle (German: Schloss Sigmaringen) was the princely castle and seat of government for the Princes of Hohenzollern-Sigmaringen. Situated in the Swabian Alb region of Baden-Württemberg, Germany, this castle dominates the skyline of the town of Sigmaringen.

It is **still owned by the Hohenzollern-Sigmaringen family**, although they no longer reside there.

Prince George Friedrich of Hohenzollern-Prussia and his wife Princess Sophie of Isenberg both with very obvious genetic sub human features. This is a continual pattern. Sub humans thinking they have the right to be rulers over others. The concept of royalty is false. The royals and nobles need to be exterminated. The name Hohen-Zollern means High Taxes. Also the Hohenzollerns claim to be the head of the NWO all the time. Those who are the more dominant families don't feel the need to declare themselves the head because they are not stupid. They do this to distract from the Black Nobility which are propping up these extremely evil royals and nobles of the Holy Roman Empire as they always have. Regardless the House of Hohenzollern is completely evil and murderous and they need to be hunted down and killed.

Georg Friedrich Ferdinand, Prince of Prussia[1][2][3][4][5] (German: Georg Friedrich Ferdinand Prinz von Preußen;[6] born 10 June 1976) is the **current head of the Prussian branch of the House of Hohenzollern**, the former ruling dynasty of the German Empire and of the Kingdom of Prussia.[7][8]

As a Protestant descendant of Queen Victoria, Georg Friedrich was **in the line of succession to the British throne** from his birth **until his marriage in 2011**. As **he married a Roman Catholic**, according to the Act of Settlement 1701, he was thus debarred from the British line of succession **until the implementation in 2015** of the Succession to the Crown Act 2013, which **restored any succession rights to British dynasts forfeited because of marriage to Roman Catholics**.

Both the Torlonias and Hohenzollerns are the top managers of the Bank for International Settlements. Prince Joachim and Prince Friedrich are high level Nazi commanders and they are extremely arrogant and murderous and top members of the House of Hohenzollern. They manage Prince George Friedrich in the middle.

Prince Friedrich Wilhelm and Prince Joachim Albrecht are high level Nazi royals with authority over banking and military and they appear to be agents of the Torlonia and Borghese banking families. The Black Nobility had their mafia throw a Hohenzollern off a building which was declared a suicide while he was temporarily released from prison. The Italian Mafia has large operations in Germany. The mafia specializes in fake suicides by throwing bankers off of roofs like the 50 or so bankers that mysteriously died during the Libor Scandal.

I wish to put in the **RECORD** the **secret treaty of Verona** of November 22, **1822**, showing what this ancient conflict is **between the rule of the few and the rule of the many**. I wish to call the attention of the Senate to this treaty because it is the threat of this treaty which was the basis of the Monroe doctrine. It throws a powerful white light upon the **conflict between monarchical government and government by the people**. The Holy Alliance under the influence of Metternich, the Premier of Austria, in 1822, issued this remarkable secret document :

SECRET TREATY OF VERONA

The undersigned, specially authorized to make some additions to the treaty of the **Holy Alliance**, after having exchanged their respective credentials, have agreed as follows:

ARTICLE 1. The high contracting powers being convinced that the system of representative government is equally as incompatible with the monarchical principles as the maxim of the **sovereignty of the people with the high divine right**, engage mutually in the most solemn manner, to use all their efforts **to put an end to the system of representative governments**, in whatever country it may exist in Europe, and to prevent its being introduced in those countries where it is not yet known.

ART. 2. As it can not be doubted that the **liberty of the press** is the most powerful means used by the pretended supporters of the rights of nations to the detriment of those princes, the **high contracting parties** promise reciprocally to adopt all proper **measures to suppress it, not only in their own states but also in the rest of Europe**.

ART. 3. Convinced that the principles of religion contribute most powerfully to **keep nations in the state of passive obedience which they owe to their princes**, the high contracting parties declare it to be their intention to sustain in their respective States those measures which the clergy may adopt, with the aim of ameliorating their own interests, so intimately connected with the preservation of the authority of the princes ; and the **contracting powers join in offering their thanks to the Pope** for what he has already done for them, and solicit his constant cooperation in their views of **submitting the nations**.

ART. 4. The situation of Spain and Portugal unite unhappily all the circumstances to which this treaty has particular reference. The high contracting parties, in confiding to France the care of putting an end to them, engaged to assist her in the manner which may the least compromise them with their own people and the people of France by means of a subsidy on the part of the two empires of 20,000,000 of francs every year from the date of the signature of this treaty to the end of the war.'

ART. 5. In order to establish in the Peninsula the order of things which existed before the revolution of Cadiz, and to insure the entire execution of the articles of the present treaty, the high contracting parties give to each other the reciprocal assurance that as long as their views

According to the Federal Criminal Police Office, there were three OC investigations in 2010 related to the MC committee.[3] On July 3, 2013, Federal Interior Minister Hans-Peter Friedrich banned the "Regional Association for the Motorcycle Club (MC) Saxony".[7] In Berlin, Brandenburg, Lower Saxony, Saxony and Saxony-Anhalt there were several apartment searches. Freemasonry set foot in Germany in 1737, in a piece of land that we now understand as a patchwork pattern of individual states, which is the reason why masonic organisations in Germany developed individually. **Three Grand Lodges were founded in the biggest part of Germany, Prussia.** They were later called the **old-Prussian Grand Lodges: Die Grand National Mother Lodge** ‘The Three Globes’ (founded 1740, the first Grand Lodge and still exists today), the **Grand Land Lodge of the Freemasons of Germany** (founded 1770) and the **Lodge Royal York of the Friendship**. After 1893 other German Grand Lodges started founding own lodges in Prussia, for example the Grand Lodge of Hamburg. The Grand Land Lodge of Saxony arose in Saxony. The Bavarian Grand Lodge in Bayreuth was called Grand Lodge ‘To the Sun’.

The Titanic and Olympic ships were switched after the Olympic crashed into another ship in 1911 and then they intentionally sunk the Olympic disguised as the Titanic for insurance fraud and to kill off a rival banker John Jacob Astor. It is very possible they used a German U-Boat of submarine to sink the ship with a torpedo. It is believed that JP Morgan was behind the sinking of the Titanic to take out John Jacob Astor a banking rival who opposed his creation of a federal reserve bank. JP Morgan was knighted by the House of Savoy in 1906 and the Savoyes are married with several German royals and nobles including the Hesses and Saxe-Coburg and Gothas which are both married with the House of Hohenzollern. 5 wild **conspiracy theories** surrounding the **sinking of the Titanic**

The ship was attacked by a U-boat

The Titanic is known as one of the biggest peacetime maritime disasters in history. The tragedy missed the onset of the First World War by two years.

But some still speculate that a German U-boat was really behind the ship's sinking.

If such a theory panned out, that'd make the Titanic's sinking a precursor to that of the Lusitania. In 1915, a German U-boat torpedoed the British ocean liner off the coast of Ireland, killing 1,198 people.

The Titanic never sank

In the book "Titanic: The Ship That Never Sank?" researcher **Robin Gardiner wrote that the whole disaster was the result of an insurance scam** by the International Mercantile Marine Co., which owned the White Star Line. **The Olympic and the Titanic** were both White Star Line vessels.

According to Gardiner's theory, the trouble started when the **Olympic crashed into a warship in 1911**, and was blamed for the accident in an ensuing inquiry. As a result, the White Star Line — an IMM subsidiary — was unable to receive an insurance payout.

There's a theory out there that **JP Morgan sank the Titanic** in order to pave the way for the establishment of the Federal Reserve Bank in the US. The bank's creation was reportedly opposed by millionaire **John Jacob Astor**, mining magnate Benjamin Guggenheim, and Macy's co-owner Isidor Straus.

So what reason would Morgan have to allegedly sink his own ship? Conspiracy theorists say that, in the interest of **clearing away opposition to the Federal Reserve Bank**

[Amazons & Witches](#)

These females are all either Amazons or Witches and many of them are both. They all murder children and cannibalize children as well as the genitals of men and many of them also target other women. These abominable whores claim because they are women they can get away with anything they want and when they get scared they just use sex to manipulate men into protecting them. These women also bathe in the blood of murdered children, they traffic aborted babies, and promote abortion because they grind up babies and put them into cosmetic products which goes on through the black market. These female sadists constantly brag about cannibalizing men and they also deny it when they get scared. When they get scared and are caught they claim they are possessed or mind controlled. They are not. They are willingly evil. Their minds are manipulated up to a point however after they start killing and cannibalizing children they become evil and there is no going back for them. They all act like snakes and many of them openly worship snakes. They have images of themselves with apples representing the forbidden fruit which is human flesh and mostly the flesh of children. They created satanic metaphors like apple of my eye and fruit of my loins because they really do cannibalize children. They call children they cannibalize animals. They know killing children is a horrible thing. They know cannibalizing men's genitals is nasty. They are spiteful towards normal people because of this. They compare cannibalizing children with eating actual animals. They sexually get off to treating children like animals. They really do cannibalize children and men's genitals and they do it because they lust to. It is completely blatant that this is what is really going on in society. They truly don't care about human life at all. They all say that women are god and they

clearly believe they are untouchable and believe there are no consequences for murdering children. Women who gang stalk people, women who are cannibals, and women who kill children deserve to be thrown alive into incinerators. Their excuses do not matter.

They all willingly delusional because their delusions feed their desires. They choose to believe their own lies because their lies benefit them. They also have absolutely no remorse for killing children at all. Again they call children animals. Many of them burn children alive and sexually get off to children screaming, twitching, and convulsing. Witches and Amazons are both sadists and they are insanely evil. Normal men are just objects to them and they use men for money or for protection. Witches and Amazons are all incapable of love but they use fake love as their shield. Jesuits and genital trafficking men also relentlessly defend these satanic whores. These Witches and Amazons are sociopathic and they imitate real women. When they get exposed they respond with childish lies and slander and they threaten to torture and murder children out of retaliation for getting exposed. They call it war. That is how truly evil they are. They are all completely hate filled sadists who pretend to be kind and loving as a tool. These Witches and Amazons also utterly hate normal women who are not cannibals like them and they want to corrupt or destroy all women who are not cannibalistic fiends. Whenever these Witches and Amazons go on these murderous attacks it is because normal women are being sexually healthy and spreading good healthy sex which enrages them. They want society corrupt and oppressed. These disgusting murderous whores also act like they represent all women and they definitely do not. These specific females who are Witches and Amazons are all one hundred percent PREMEDITATED EVIL and they have absolutely no regard for any human life. They are premeditated which is what proves that they are genuinely evil. All they care about is their vanity and ego and most of all they care about cannibalism, torture, degradation, dehumanizing men and male children, sexual sadism, and turning men and children into excrement which they sexually get off to. These sadistic whores who are cannibals and who murder children need to be shot dead.

Jackie Kennedy holding a double barrel 44 caliber derringer pistol to an incapacitated JFK at the neck pointed up while tilting his head forward. JFK was likely drugged and injected with a strong sedative by his wife before being killed.

Two bullets pass through the neck up through and out the top of the skull.

Double barrel derringer pistol

Jackie attempts to conceal the small pistol in the gap between the trunk and backseat and accidentally drops it on the trunk which is the real reason she climbed onto the trunk. She claimed she was picking up brain fragments of her husband who was just shot. She is retrieving the small pistol.

Small object on the trunk with a secret service agent reaching for it while Jackie is looking at it as JFK is dead right next to her. Her husband was just shot and murdered and her focus is not on her safety and her focus is not on her husband but rather on an object on the trunk.

Visible object on the trunk

Autopsy photo showing a neck wound which was the entry point of the gunshots. There has never been an explanation about the wound to JFK's neck. Those are entry wounds. The Kennedys were and are a corrupt and criminal family however not as corrupt as others who seek total enslavement of humanity like the Bush-Walker family. The Black Nobility, Savoys of Italy, Battenbergs of Spain, Germany, and England, Bourbons of Spain, Glucksburgs of Greece, and Hohenzollerns of Prussia all were involved in ordering his death. JFK's speech angered the leaders of the NWO so they got his wife to murder him in broad daylight on video in front of the entire world to send a message.

JFK's exit wounds are at the top of the skull. His skull was blown out at the top. The shot had to have come from below based on the exit wounds. Entry wounds are small while exit wounds are always large. The top of his skull are exit wounds. The only other wounds are at the base of his neck. His head was tilted immediately before he was shot.

"The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically **opposed to secret societies**, to secret oaths and to secret proceedings. We decided long ago that the **dangers of excessive and unwarranted concealment of pertinent facts** far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that **an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment**. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know."

"For we are opposed around the world by a **monolithic and ruthless conspiracy** that relies primarily on **covert means** for expanding its sphere of influence--on **infiltration instead of invasion**, on **subversion instead of elections**, on **intimidation instead of free choice**, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, **highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.**" - John Fitzgerald Kennedy

It generates a unique combination of high-pressure sound waves which soon leads most in its vicinity to queasiness. It can also cause **headaches, intense irritation, sweating, imbalance, and nausea**. Hiding this device in your inconsiderate neighbor feet s house might put an end to their late-night parties. The abusive bureaucrat feet s office, the executive lunchroom. the possibilities are endless for that small portion of inventive payback. Its sound wave characteristics make directional source determination difficult. This is the new upgraded 2011 version Sonic Nausea, featuring an enhanced custom-built transducer which provides triple the pressurized output of the previous one. Powered by one 9-volt battery (included). Each unit can cover one average size room. Use with extreme discretion.

For extended run time six AA batteries in a battery pack with transistor clips (available from most electronics stores) can be used instead. Use with extreme discretion.

Objective of Phase Effort

The main goal of the Phase I project wad to design and build a breadboard prototype of a temporary personnel incapacitation system called **MEDUSA (Mob Excess Deterrent Using Silent Audio)**. This

non-lethal weapon is based on the well established **microwave auditory effect** (MAE). MAE results in a **strong sound sensation in the human head** when it is irradiated with specifically selected microwave pulses of low energy. Through the combination of pulse parameters and pulse power, it is possible to raise the auditory sensation to the “discomfort” level, deterring personnel from entering a protected perimeter or, if necessary, temporarily incapacitating particular individuals.

Summary of Results from the Phase I Effort

The major results of the Phase I effort were that - An operating frequency was chosen - Hardware requirements were established (commercial magnetron, high-voltage pulse former) - Hardware was designed and built - Power measurements were taken and the required pulse parameters confirmed - Experimental evidence of MAE was observed

Potential Applications and Benefits

Potential applications of the MEDUSA system are as a perimeter protection sensor in deterrence systems for industrial and national sites, for use in systems to assist communication with hearing impaired persons, use by law enforcement and military personnel for crowd control and asset protection. The system will: be portable, require low power, have a controllable radius of coverage, be able to switch from crowd to individual coverage, cause a temporarily incapacitating effect, have a low probability of fatality or permanent injury, cause no damage to property, and have a low probability of affecting friendly personnel.

Active Denial Technology

What is it?

Active Denial Technology (ADT) produces a **focused beam of directed energy** (DE) to provide the Joint Force with an option to stop, deter and turn back suspicious individuals with minimal risk of injury. ADT is an intermediate force capability designed to bridge the gap between presence and lethal force without causing unnecessary destruction or loss of life.

How does it work?

Traveling at the speed of light, an invisible DE beam of radio frequency millimeter waves engages the subject, **penetrating skin to a depth of only about 1/64th of an inch**—the equivalent of three sheets of printer paper. This repel effect produces an intolerable **heating sensation**, compelling the targeted individual to instinctively move. It ceases immediately after the individual moves out of the beam or when the operator turns off the ADT system. There is minimal risk of injury due to the shallow energy penetration of the skin, normal human instinctive reactions, and system engineering controls.

Operational Impact

Active Denial Technology systems produce reversible effects at distances up to and beyond small arms

range, providing U.S. forces with additional decision time and space to validate that a perceived hostile intent/act is, in fact, hostile. ADT may be used to complement force application and force protection missions, to include maneuver, patrol and convoy protection, perimeter security, and other defensive and offensive operations from fixed-site or mobile platforms.

Legacy Configuration

From 2002 to 2007, the Active Denial System Advanced Concept Technology Demonstration integrated and packaged Active Denial Technology into two system configurations. System 1, the technology prototype, integrated the technology into a High Mobility Multi-Purpose Wheeled Vehicle. System 2 was built as an armored, containerized system transportable by tactical vehicles. Both systems successfully completed a series of land and maritime-based military utility assessments. In 2014-2015 System 1 was refurbished into a more robust and mobile system transported by a Marine Corps MTRV truck.

Both prototypes are long range, large spot sizes systems and are available for Service or Combatant Command exercises and are suitable for operational employment.

Human Effects

Demonstration and testing of the large-scale version of ADT included more than 12,000 exposures on volunteers in static environments and realistic operational assessments. Laboratory research and full-scale test results demonstrated that there is less than a one-tenth of one percent chance of injury from system exposure. Research on the safety and effectiveness of 95 gigahertz millimeter wave directed energy has been peer-reviewed in numerous professional journals and independently reviewed by a Human Effects Advisory Panel.

Technology Demonstrations

Due to the novel nature of the Active Denial Technology non-lethal effect, the Joint Non-Lethal Weapons Program has had a proactive strategy in raising the awareness on the benefits, safety and effectiveness of this new technology. Several major broadcast and print media reporters have attended technology demonstrations, allowing for first-hand accounts on experiencing the effect of System 1 or 2. Active Denial Technology has been featured on CBS's 60 Minutes, the Discovery Channel's Future Weapons program and the History Channel's Modern Marvels program. A U.S. Marines-produced Active Denial Technology video can be viewed [here](#).

Next Generation ADT Configuration

From 2010 to 2015, a significantly more compact (less than two tons), shorter-range, solid-state technology-based ADS was built in partnership with the U.S. Army, and is also available for testing and evaluation.

A video about one of these new technologies can be viewed [here](#).

Future Efforts

A third configuration of ADT leverages further advancements in solid-state gallium nitride (GaN) Monolithic Microwave Integrated Circuits. The U.S. Army is looking to improve size, weight, and power-cost/cooling (SWAP-C2) for integration into various mobile platforms. GaN is much more efficient than silicon for integrated circuits and is one of the core technologies that facilitates SWAP-C2 improvements.

Additional efforts include:

Operational assessments

NATO case studies

Reduce size and weight in:

prime power generation

cooling alternatives

antenna design

armoring

Incorporate ADT with other technologies as a system-of-systems for broader applications

Leverage human effects research to inform optimal system design parameters

[Long Range Acoustic Device - Wikipedia](#)

The Long Range Acoustic Device (LRAD) is an acoustic hailing device, sound cannon and sonic weapon[1] developed by LRAD Corporation. Law enforcement organizations and the manufacturer claim that LRAD systems are primarily **designed for long-range communications**[2] however, the device has an extremely high decibel capacity, and it most controversially used as a less-lethal weapon for crowd control.

According to the manufacturer's specifications, the **systems weigh from 15 to 320 pounds** (6.8 to 145.1 kg) and can emit sound in a 30–60° beam at 2.5 kHz.[3] The manufacturer also produces systems for public address and mass notification use that broadcast 360°.[4]

LRAD systems are used by law enforcement, government and defense agencies, as well as maritime and commercial security companies to broadcast audible notifications and warnings over distance. LRAD systems are also used to deter wildlife from airport runways, wind and solar farms, nuclear power facilities, gas and oil platforms, mining and agricultural operations, and industrial plants.
